THE RESERVE OF THE PARTY OF THE					STATE OF THE PARTY OF			

ESTATE, AS ALLOTTED FOR SALE. MAR-NOT. NORTON

BROADFIELD AND HEELEY ESTATES, AS ALLOTTED FOR SALE. MAP_ W. 3. 1849,

CONDITIONS OF SALE. I. One Bidding on each Lot will be reserved to the Vendors, by order of the Court. II. The Auctioneer shall fix the advance to be made on each Bidding, and no person shall retract a Bidding; and if any dispute arise as to any Bidding, the Lot as to which such dispute shall arise shall be put up to Sale again at the last preceding Bidding. III. Each Lot is sold subject to any existing tenancy thereof, and to all the claims of the tenants, whether for tillages, off-going allowances, or otherwise, and to all roads, ways, easements, and other rights, in, over, or affecting the same, and all chief, quit, fee-farm, and cornrents, or acknowledgments of any kind, and out-goings and payments (if any) affecting the same. The Vendors, if required, will furnish any Purchaser with a statutory declaration by Mr. Wm. Wright, who, first as Steward of Offley Shore, Esq., and afterwards as Receiver under the Court of Chancery, has known the property since the commencement of the year 1838, that he is not aware of any such rents, acknowledgments, outgoings, or payments, save as may appear by the Particulars of Sale. IV. The Master's Report of the Purchase or Purchases, and the confirmation thereof, will be taken out and procured free of all expense to the Purchaser or Purchasers; but the Purchasers shall be at liberty to take out and procure the same at their own expense, if they shall V. An abstract of the title to each Lot shall be delivered to the Purchaser, and such abstract shall, subject to the stipulations contained in these Conditions, deduce a good title to the Property; and all objections and requisitions (if any) in respect of the title to the Property, shall be made and delivered in writing at the Offices of Messrs. Albert Smith and Son, Solicitors, Castle street, Sheffield, within six weeks after the delivery of the abstract: and in default thereof, the Purchaser shall be deemed to have accepted the title, and every objection and requisition not made and delivered as aforesaid, in writing, before such time, shall be considered as waived; and in this respect time shall be deemed the essence of the contract. Provided that if any person shall purchase two or more Lots, held wholly or in part under the same title, he shall be entitled to only one abstract of title. VI. In all cases where, from the changes of the names of closes, the removal of fences, or from any other circumstance whatever, the Vendors cannot identify any Lot, or portion of a Lot, with the descriptions contained in the respective documents of title, the abstract of title as to such Lot, or portion of a Lot, shall commence with an indenture of bargain and sale, dated the 27th Nov. 1787, and the recovery in pursuance thereof, if such Lot or portion of a Lot shall be in Derbyshire; or with the will of Samuel Shore, Esq., who died in the year 1785, if such Lot or portion of a Lot shall be in Yorkshire. And the Vendors shall, by statutory declarations of parties who have long known the Property, or by the production of old maps, or otherwise establish, that such Lot or portion of a Lot has been enjoyed for at least thirty years preceding the day of Sale consistently with the title thus deduced; and thereupon it shall be presumed that such Lot or portion of a Lot was comprised in and passed by the said Indenture, or by the general devise or bequest contained in the said will, as the case may be, although such Lot or portion of a Lot may be hereunder referred to as passing under any particular title, which is supposed to apply thereto. VII. The abstracts of title to such Lots or portions of Lots as have been allotted or obtained by exchange or otherwise under the Norton, Totley, or Sheffield Enclosure Acts, shall commence with the award of the Commissioners under such Acts respectively; and the Purchasers shall not require any title prior to such award, nor shall it be deemed necessary to shew in respect of what hereditaments or common rights the said Lots or portions of Lots were respectively allotted or exchanged, or to shew any title to such hereditaments or common rights. VIII. The tithes or payments in lieu of tithes of corn, hay, lamb, and wool, on the Estates in the township of Totley, and the tithes or payments in lieu of tithes of corn, on the Estates in the parish of Norton, were by the respective agreements for the commutation of tithes of those places, declared to be merged in the inheritance of the Estates by Offley Shore, Esq., therein by mistake stated to be tenant in tail of the said tithes, but who in fact under the will of the late Samuel Shore, Esq. was at the date of the said agreement for the commutation of the said tithes in Totley, joint tenant with Bohun Shore, Esq. since deceased in fee simple and for an absolute interest in trust to sell and pay debts, and equitable tenant for life of all the lands and tithes of the said Samuel Shore, and under the same will, was, at the date of the said agreement for the commutation of the said tithes in Norton, (having survived the said Bohun Shore,) sole tenant in fee simple and for an absolute interest in trust to sell and pay debts, and equitable tenant for life of the said lands and tithes. The said agreements for the commutation of tithes shall be conclusive evidence that the fee simple of the said tithes, and also of the tithe rent-charge of £14 contained in Lot 1 of the Norton and Coal Aston Estate, and of that of £21. 15s. 11d. contained in Lot 15 of the Totley and Dore Estate, was at the dates of the said respective agreements, and is now held upon the trusts of the said will; and no Purchaser shall make any objection or requisition, by reason of the agreement for commutation in Totley having been dated before the statute enabling tenants for life to merge tithes had passed; and he shall be at the expense of any further merger which he may require, either as to the said tithes of Totley, or as to those of the leasehold portions of the estate or otherwise. As to the tithes of the Estates in Coal Aston, the title shall commence with conveyances in 1761, 1774, 1775, and 1793, of certain specified tithes, and of all the tithes of the respective grantors upon certain portions of the property therein respectively specified (except great tithes of the property conveyed in 1793,) and with a conveyance in 1802 to the late Samuel Shore, Esq. of the tithes of wool and lamb, corn and grain, and all other the tithes of the grantor upon that part of the manor of Norton in Dronfield belonging to the said Samuel Shore, and upon all the then property of the said Samuel Shore in Coal Aston, (being all the property there now sold, except a small portion on the east of No. 26 in Lot 13; a small portion on the west of No. 20 in Lot 12; No. 1 in Lot 35; Nos. 36, 38, and 39, in Lot 24; and Lots 25 and 26; and No. 43 in Lot 34) freed from any annual payments to the Vicar of the parish, and also from the repairs of Dronfield Church in respect of the said titles. The Vendors are not aware that any render of titles, or any payment to the Vicar, (except as mentioned in the Particulars of Sale,) or any payment for the repairs of the said chancel, has been made since that time, and will furnish Purchasers with statutory declarations (if required) by the said Mr. William Wright, that he is not aware of any such render or payment

having been made. No Purchaser shall make any objection or requisition for or in respect of any original grant of or any earlier title to the said tithes, or of any invalidity in the said conveyance of 1775, or of any liability to the repairs of the said chancel, nor shall any title whatever other than such declaration be required as to the tithes of the property above excepted. As to the tithes of the property in Yorkshire, and in the township of Dore, purchasers shall not require any title save such a statutory declaration by the said Mr. William Wright as is hereinbefore mentioned.

IX. The land tax of large portions of property has from time to time been redeemed; but the Vendors cannot undertake to identify any particular portion of the property with the property referred to in any certificate of the redemption of land tax. Parchasers shall therefore be satisfied with statutory declarations to be made by the said Mr. Wm Wright, that no land tax has been paid for the property comprised in their respective purchases, except as mentioned in the Particulars of Sale, since the commencement of the year 1838.

X. By a plain copy of the will of Samuel Shore, Esq., who died in 1785, it appears that the testator devised all his hereditaments to his son, Samuel Shore, Esq., then of Norton Hall, but afterwards of Meersbrook, absolutely charged with debts and legacies, and appointed him sole excentor. The will appears to have been registered in the books of the Company of the Navigation of the River Dun, in April 1801, and the said Samuel Shore, the son, was his father's heir-at-law. No objection shall be made in respect of this will not being produced, or shewn to have been proved.

XI. In all cases where land shall have been taken in exchange, before the year 1790, no objection or requisition shall be made in respect of the title to the lands given in exchange, or in respect of any right of re-entry in case of eviction therefrom.

XII. No objection shall be made on account of the non-production of the instrument creating any term of years which, in any document of title dated upwards of sixty years ago, is mentioned as having been created before the year 1740, or whereof the date of the commencement is not mentioned.

XIII. As to such portions of the Nonrox and COAL ASTON ESTATES as were comprised in a mortgage to Messrs. Gell and Toplis in 1793, which mortgage was transferred by them in 1801:

> No objection or requisition shall be made in respect of the fact, which appears by the mortgage deed, that the mortgage money was subject to the trusts of the settlement of a lady and gentleman who concurred in the mortgage and in the transfer of it.

XIV. As to the same Property:

Miss Anna Maria Griffith, who was entitled to the said mortgage, died in 1805 intestate, and administration was granted in February, 1806, by the Perogative Court of York, to Elizabeth Sidney Griffith and Henrietta Griffith, as her only asisters and next of kin. Of these the former appointed the latter her executrix, who proved her will in 1813. The party elaiming, according to the aforesaid title, was in the suit of Shore e. Shore, reported to be a creditor for the whole amount of the mortgage debt, and he was paid the whole of such amount with the approbation of the Master.

No objection or requisition shall be made in respect of the nonconcurrence in the reconveyance of any administrator, de bonis non of the said Anna Maria Griffith.

XV. As to such portions of the Norton and Coal Aston Estates, as were comprised in a mortage to Mr. Isaac Wilkinson in 1798, or in a deposit of Deeds with him in 1799:

By a Deed of Transfer of Mortgage, dated in March, 1839, it is recited that the original Mortgagee, who died in 1816, (and whose personal representatives were parties to the transfer of mortgage) appointed three persons his residuary legatees and executors, and that of these three, one, (viz., Eather Touchet,) died in 1818; and that she or her husband had received their share of the said residuary personalty, and that the mortgage in question had been allotted as part of the shares of the other two residuary legaters.

The parties claiming under the said other two residuary legates, were in the said suit of Shore r. Shore reported to be creditors for the whole amount of the mortgage debt, and were paid the same with the approbation of the master.

No objection or requisition shall be made by reason of no personal representative of the said Eather Touchet having been a party to the transfer of mortgage or to the reconveyance.

XVI. As to Nos. 664 and 665 in Lot 39 of the NORTON and COAL ASTON ESTATES:

Evidence will be given that the late Samuel Shore, Esq., and those claiming under his will, have been in the enjoyment of this property for the last thirty years; and the Porchaser shall, therefore, presume that it passed by such will, and shall not make any objection in respect of the said property, having been in 1816 under the Norton Inclosure Act awarded to any other person.

XVII. As to all Lot 1 and No. 2 in Lot 2, in YORKSHIBE:

The Venders have in their possession the abstract of title used on occasion of the purchase of this property by the late Samuel Shore, Eeq., in 1836, and a conveyance in 1804, by the Duke of Norfolk, under the Land Tax Redemption Acts, with which that abstract commences, but have none of the other documents of title mentioned in the sabstract, which, however therein appear to have been all registered at Wakefield, except a fine and two wills; in the conveyance to the said Samuel Shore, dated the 16th of February, 1836, is contained a covenant for the production of the principal deeds since 1804, mentioned in the said abstract. Evidence of enjoyment, according to the title, since the purchase by Mr. Shore, will be given, if required. No objection or requisition shall be made on account of the non-production or otherwise, in respect of the title apterior to 1836. The conveyance of 1804, however, will be produced to the Purchaser.

XVIII. As to a small portion of Lots 7 and 8 in YORKSHIRE, or one of them:

By deed dated 5th Queen Anne, now in the Vendors' possession, this portion was vested in trustees for the residue of a term of 800 years; and (after failure of issue of a person therein named.) a trust was declared for Mr. Samuel Shore (who died in 1750) absolutely. It appears that the said Mr. Shore paid off certain charges on the property, and the freehold reversion was conveyed to his grandson, Samuel Shore, Eag. in 1810; and the before mentioned evidence of enjoyment, according to the title for 30 years will be given. No objection or requisition shall be made on account of the trust, declared by the said deed of 5th Queen Anne having been legally invalid, or of any legal estate in the said term, being outstanding under the said deed.

XIX. As to a small portion of Lots 7 and 8 in Yorkshire, or one of them which was formerly copyhold:

No objection shall be taken on account of Samuel Shore, Esq., of Meersbrook, to whom this property was conveyed, by way of enfranchisement, by deed dated 1785, under the Sheffield Market Act, not having been previously admitted tenant on the colls

The respective titles to the undermentioned portions of the property in Norrow and Coar Arrow, so far as the same can be identified with the descriptions in the documents of title, shall commence with the undermentioned deeds and documents of title; and not-withstanding any recital or statement of any fact or document, or any covenant to produce any earlier document, no Purchaser shall call for or make any objection or requisition in respect of any earlier title, (that is to say);

If it should appear that a good title cannot be made to any part of any Lot, not important to the enjoyment of the residue of such Lot, the contract for sale shall nevertheless be carried into effect as to the residue of such Lot, and a proportionate reduction made in the purchase money; and such reduction, and the question whether the part to which a good title is not made is important to the enjoyment of the residue of any Lot, shall be determined by the said Master; and the expense of every such reference shall be in the discretion of the said Master.

Each Purchaser shall, on completion of the purchase, be entitled to such of the title deeds and documents in the custody or power of the said Devisee in trust for sale as relate solely to property purchased by him; but such of the said deeds and documents as relate to property comprised in more than one purchase shall, if all the Lots under the same title be sold at this Sale, be delivered to and retained by the Purchaser of the largest value under the same title, who shall enter into the usual covenants with the Purchasers of the other Lots, at their expense, for the production of such deeds and documents, and for furnishing copies, extracts, or abstracts thereof; but the deeds and documents relating to Lots sold at this Sale, and also any other Lot or Lots remaining unsold, or to other proprised in this Sale, shall remain in the custody of the person or persons who now hold the same, with liberty to the Purchasers of the Lots sold at this Sale to which the same relate, to inspect such deeds and documents from time to time, at their own expense, but without any right to require any covenant or undertaking for the production thereof; and when all the Lots or other Property to which such deeds on comments relate shall have been sold, the deeds and documents which may have been so retained shall be delivered up to the largest Purchaser in value under that title, and he shall, if required, enter into covenants with the Purchasers of the Lots sold at this Sale under the same title, at their respective expense, for the production of such deeds and documents, and for furnishing copies, extracts, and abstracts thereof in the usual manner

XXXII. If any mistake shall be made, or any error shall appear, in the description of any Lots to which no other provision in these Conditions shall apply, such mistake or error shall not annul the Sale; but a compensation or equivalent shall be given or taken, as the case may require, such compensation or equivalent to be fixed by the said Master; but no allowance shall be made on either side for or in respect of any deficiency or excess of land.

XXXIII. That if any objection shall be made to the title to any or either of the foregoing Lots, the Vendors (notwithstanding any negotiation or any attempt to remove such objection,) shall be at liberty, with the approbation of the Master, to annul the sale thereof to any Purchaser; and in case they shall annul such sale, the Purchaser shall not be entitled to be paid any of the expenses of investigating the title, or any compensation in respect thereof.

Note.—This being a Sale by direction of the Court of Chancery no Deposit will be required.
