YOUR REF.

L. Aubrey, Esq.,

Totley Rise,
Sheffield.

Dear Mr. Aubrey,

Totley Hall.

I thank you for your letter.

I will certainly do what I can to arrange for the 1st Totley Scout Group to continue to have the use of the accommodation they have at present at Totley Hall, but, of course, I am unable to guarantee this. The proposal is to use Totley Hall for a Children's Nursery, and it may be that I shall have to re-arrange your occupation as a consequence, but I will certainly do everything I can, and you will not be disturbed for the time being.

Yours faithfully,

Estates Surveyor.

Notice of a temporary change is not required.

Renewals.

Heavy penalties are prescribed by the Wireless Telegraphy Act, 1904, on conviction of the offence of establishing a wireless station or installing or working wireless apparatus without the Postmaster General's Licence.

Dangerous Use of Supply Mains.

If power for the working of wireless receiving apparatus is taken from a public electricity supply, whether or not a battery eliminator is used, no direct connexion should be made between the supply mains and the aerial.

To be produced on demand—NOT TRANSFERABLE. (See Condition 10 Overleaf.)

If such consent shall be given, the Licensee shall satisfy himself before making the connexion that the occupier of the premises in question holds a valid Licence from the Postmaster General for the reception therein of broadcast messages by wireless telephony. The Licensee shall produce to the Postmaster General or as he may direct such evidence of the occupation of the premises by a person holding such a Licence as the Postmaster General may from time to time require.

3. The apparatus shall not be used in such a manner as to cause interference with the working of other wireless apparatus.

4. The length of the effective portion of the aerial and down-lead shall not exceed 150 feet. An aerial which crosses above or is liable to fall upon or to be blown on to any overhead power wire (including electric lighting and tramway wires) or power apparatus must be guarded to the reasonable satisfaction of the owner of the power wire or power apparatus concerned.

5. 7. This Licence will be deemed to permit the occasional use by the Licensee or a member of his family and domestic servants residing with him at the address of the installation of one portable wireless receiving set (i) away from that address (e.g., in the open air) or (ii) at another fixed address at which the Licensee is temporarily resident; but the Postmaster General reserves the right to withdraw such permission and to require the Licensee to take out a second Licence, if he is of opinion that such user is not occasional, or such residence is not temporary. A separate Licence is necessary for a wireless receiving set fitted in a motor vehicle.

8. This Licence covers the use of more than one wireless receiving set by the Licensee, resident members of his family and domestic servants at the licensed premises; but a separate Licence is required to cover the use of a set by a lodger, boarder or resident guest.

9. In the event of cancellation no part of the sum paid will be returned.

10. This Licence is not transferable, but in the event of the decease of the Licensee it will be regarded as covering the use of wireless apparatus during the unexpired portion of its currency by any member of the deceased's family and domestic servants who were residing with him at the time of his death. This condition does not apply to a Licence issued free to a blind person, which ceases on the death of the Licensee.

TOWN AND COUNTRY PLANNING ACTS AND GENERAL DEVELOPMENT ORDERS

To: D. Maltby, Esq.,
61, Main Avenue,
Totley,
Sheffield.

Permission is hereby GRANTED for the following development, namely, the retention of a building(s) on land situate at Totley Hall Lane to be used for the purpose of Scout Headquarters

in accordance with your application dated the 28th day of April, 19 69

and accompanying plans (Plan No. T.608), until the expiration of a period of ten years from the date hereof, subject to the following condition(s):—

1. The said buildings shall be taken down and removed on or before the expiration of a period of ten years from the date hereof.
2. No nuisance shall be caused to occupiers of adjoining property by reason of the use of the said buildings for the above-mentioned purpose.
3. The land within the curtilage of the site of the said buildings shall be kept and maintained in a clean and tidy condition.

The reason(s) for the Council's decision to grant a limited planning permission subject to the above-mentioned condition(s) is/are that:—

1. The Council consider that the permanent retention of the said buildings would be injurious to the amenities of the locality owing to the design and external appearance of the said buildings.
2. The Council consider that without the imposition of conditions numbered 2 and 3 there would be injury to the amenities of the locality.

Dated this 9th day of June 1969

For Notes please see overleaf.

TOWN CLERK

C/P/L/C

NOTES

1. If the applicant is aggrieved by the decision of the Council to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Minister of Housing and Local Government in accordance with section 23 of the Town and Country Planning Act 1962, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Minister of Housing and Local Government, Whitehall, London, S.W.1.) The Minister has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Minister is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Council, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include section 6 of the Control of Office and Industrial Development Act 1965 and section 23 of the Industrial Development Act 1966.)

If the applicant decides to appeal to the Minister of Housing and Local Government and the Council's decision is based either wholly or partly on advice from a Government Department and this advice is included in the Council's decision, a representative from that Department will attend any inquiry held by the Minister and be available to give evidence if the applicant has, not later than fourteen days before the date of the inquiry, applied in writing to the Minister for such a representative to be made available at the inquiry. Such a representative would not be liable to cross-examination on questions of Ministerial policy but only on matters of fact and expert opinion.

2. If permission to develop land is refused or granted subject to conditions, whether by the Council or by the Minister of Housing and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Part VIII of the Town and Country Planning Act 1962 (as amended by the Town and Country Planning Act 1968).

3. In certain circumstances, a claim may be made against the Council for compensation, where permission is refused or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 123 of the Town and Country Planning Act 1962.

4. This planning permission does not constitute a permission, approval or consent by the Council for any other purpose whatsoever. Application must therefore be made to the appropriate Department of the Corporation for any other permission, approval or consent (including approval under the Building Regulations) which may be necessary in connection with the proposed development or anything incidental thereto, or the use to be made of the premises which form the subject of such development.

5. If at a later date an extension of the period of this permission is desired, an application for the purpose should be made to the Council before the expiration of the period, and an applicant being aggrieved by the refusal of the Council to grant permission for such extension, may appeal to the Minister of Housing and Local Government in accordance with Section 23 of the Town and Country Planning Act, 1962.

Dear Sir,

Lease of Land in Totley Hall Lane
The Corporation and the 1st Totley Scout Group

I refer to my letter dated 25th April, 1969, concerning the renewal of a tenancy of land to the 1st Totley Scout Group, and your recent application for the extension of Town Planning consent for the above Headquarters.

The period of consent has been granted for a term of five years, and therefore in this respect I should be prepared to recommend to the Corporation an extension of your lease for a further period of five years from the 21st November, 1969, at a revised ground rent of £5 per annum. I propose that the new lease shall otherwise be subject to the same terms and conditions as those contained in the previous lease dated 10th June, 1960 and therefore I should be pleased to know whether these terms are acceptable and, if so I will place the matter before the appropriate Committee.

Would you kindly note that I would also recommend the Corporation to pay the legal costs involved and would you kindly confirm that the trustees of the Scout Group are as contained in the previous document.

Recommendations arising out of a meeting held at the 1st Totley Scout Group Headquarters, on Wednesday, 12th November 1969, in a Report to the County Commissioner for Derbyshire, Lt. Cdr. J.A. Shuttlesworth, by the Field Commissioner, R. W. Hewitt.

1. That at some period in the near future, the 1st Totley Scout Group should be registered within the Sheffield Scouting and in the County of South Yorkshire. (1st January 1970 had been proposed by the C.C. for Derbyshire, but I suggest that the date should be from 31st March 1970, that being the end of the Scout Financial Year and the period for Scout re-registration).
2. That the 1st Totley Group should retain it's identity and should remain "1st Totley" in title, even though it may also have to take a Sheffield Group number (if this is the general and accepted policy and constitution agreed by Scout Headquarters, London).
3. That the assets and properties and any Deeds remain vested in the 1st Totley Scout Group and administered as laid down in Scout Policy, Rules and Organisation.
4. That the Scouters and Group Council of the Group continue to function for the welfare and development of the 1st Totley Scout Group as set out in the Scout P.O.R.

That those Scout members who reach the Venture Scout Age shall be encouraged to belong to a Venture Scout Unit that might be based in the local district or convenient area, within the recommendation 108 of the Advance Party Report and the P.O.R. until such a time that the Group could fully support a Unit of it's own.

These recommendations the Group was prepared to accept, except that Recommendation No. 1 would be accepted only with regret in losing membership of the Chesterfield District and the Derbyshire County.

D. G. Maltby Esq.
Group Scout Leader
1st Totley Scout Group.

Dear Derek,

I hope you will think it fit to read this letter to the members at your next Group Council meeting.

— I would like to say a formal thank you to Scouts, Scouters, lay members and any supporters of your Group who have, for many years given stalwart support to the Chesterfield District of Scouting. My thanks, of course, extend to the long time past during the service of other Chesterfield District Commissioners now, alas, you will move your support to Sheffield & Yorkshire in 1970. You have our best wishes for your success there and the hope that you will soon accustom yourself to your changed Scouting environment.

We will miss your support and friendship here. Needless to say you are

invited to attend any of our
Chesterfield functions, courses, or anything
else for that matter so long as they do
not clash with any allegiances to your
new District. You may, for example, think
it fit to attend badge testing courses
here, our District family and dads
and lads camps, etc.

We are sad to lose you but
are convinced of the Group's solidarity,
keenness and assured future success.

Yours very sincerely,

Michael Bond.

(District Commissioner).
