## PAROCHIAL NOTES.

---

As there is no Dore Parochial Magazine this year, the Totley Church of England Mission Council has decided to make the venture to provide one for Totley, so that the connecting link between the church and parishioners shall not be broken. Circulating a magazine is costly, and it would hardly be possible in our case if it were not for friendly financial help. We hope and look forward to the venture being a success. It would be a great advantage if every subscriber could kindly pay for the Magazine in advance, either for the year, or half the year. The cost for the year is one shilling and sixpence.

---

*Totley New Church and Parish Fund.*—Many enquiries are made about this project. Owing to the great depression in trade, the progress in our appeal for money has not been so rapid as we hoped. Also there are many details to settle in connection with the formation of a new parish. Our fund has reached £1,070, our aim was for an immediate £1,500, to help on the endowment scheme. We hope for better times and progress this year.

---

The Sunday School Social on Thursday, December 29, was a very enjoyable function. After a substantial tea, games were played, lantern slides were shown, including the story of the Nativity, and several humorous stories.

On Sunday afternoon, January 1, Mrs. Milner, O.B.E., kindly presented prizes to sixty-eight children, who had made regular attendance during the year.

---

The Congregational Social on New Year's Eve was a good success. Commencing with a ham tea, followed by a social whist drive, and a splendid concert, given by local talented friends, viz., Mr. H. Andrews, bass; Miss Hall, contralto; Mr. E. Longley, monologue; Mr. R. Wells, elocutionist; Masters Parkin and Close, solo choir boys Dore Church; Mr. C. Swift, gramophone selections; Mr. A. F. Farnsworth, accompanist. The artistes were heartily thanked for their kindness. About eighty people were present, and spent one of the happiest socials held in connection with the Mission.

A Watch-night Service was afterwards held, conducted by Mr. A. J. Foulstone, Lay Reader.

*Burials.*—Dec. 1, Mary Creswick, Totley, 70 years; 20th, Thomas Wilkins, Dore, 83 years; 27th, Hannah Swindell, Dore, 79 years.

## COLONIAL AND CONTINENTAL CHURCH SOCIETY.

Thousands of our people, forced by the pressure of life at home, are going to the remote parts of the oversea Dominions to begin life over again.

It is the C.C.C.S. which seeks to follow them to the new and pioneer parts to which they go, and help them in their first years of struggle and poverty to have clergy and services, and

**IN 3½ HOURS A PROSPEROUS  
MISSION STATION WIPED OUT**

This means:-

1. A village of Eskimos left without essential food and requisites for the rigorous winter, and also without Church and School.
2. The whole Mission and Trade Staff homeless, all their personal belongings, clothing, etc., lost, and now billeted in Eskimo homes.
3. Loss estimated at £15,000. Insurance was impossible.

A terrible winter faces these Moravian Missionaries who, true to the spirit of their forefathers, are sticking to their people and work, instead of escaping for the winter, as they might have done.

### WHICH IS BETTER?

To prevent or to cure? Shall we wait until the little ones are starving before we raise a hand to save them, or shall we step in beforehand and PREVENT THEIR DESTITUTION? ## A GREAT TONIC

"A little Tonic now and then

To be lasting in effect a tonic must enrich and strengthen the blood, thus getting right down to the root of the trouble and livening and toning up of all the organs of the body.

Iron Jelloids are such a tonic. They act directly on the blood, increasing its strength and richness, are harmless to young and old, and bear the highest commendations of the medical profession.

## Gastritis, Pain and Wasting

Sleepless, Strengthless, and Nerveless. Laid up for Months, but soon cured by Dr. Cassell's Tablets

Mr. ROBERT HALSALL, of 78 Leigh Road, Leigh, Lancs., says: "I began to suffer with indigestion, which turned to gastritis. I had awful pains at the stomach, and I ate so little that I lost about a stone and a half in weight. I had no strength, was terribly troubled with headache and wind, and so nervous that sometimes I was trembling from head to foot."

"I daren't eat because of the awful after-effects. I had been going on like this for months, when I tried Dr. Cassell's Tablets, and that was the beginning of cure for me. The pain all went; I slept better, and the terrible headaches were relieved. Soon I was completely cured."

"About eight years ago a varicose  
vein broke in my leg and formed an  
ulcer. I got over this, but some time  
later other ulcers formed, and this time  
no ordinary treatment did any good.  
More and more places broke out till I  
had twelve ulcers round my left ankle  
and leg, each as big as a penny. There  
was a lot of pain with them. In the  
end I had to keep in bed, and had been  
there six weeks when I got Germolene.  
Soon there was improvement. All the  
pain went out of the ulcers, gradually  
they healed up, and never since has  
there been the slightest sign of return.  
My leg is as well as ever it was."

Never a Day's Illness since Dr. Cassell's

Mrs. Strain

Nine years ago, Mrs. Strain, St. Germain Street,  
Catharine, Ayrshire, said—  
"For four years I lay helpless in bed. My  
limbs were quite useless, I had utterly lost all  
power of movement, could not move even a  
finger. Helpless as I was though, I had pain, pain  
that made me cry like a child sometimes, and I had  
fallen away almost to a shadow. No treatment  
did any good till I got Dr. Cassell's Tablets. Then  
I soon found life returning, first to my fingers and  
arms, and then to my whole body, and in two  
months I was up and about again, as well as ever.  
All who knew me were astonished."

Never a day's illness since.

Now Mrs. Strain says— "I have never had  
a day's illness since Dr. Cassell's Tablets cured me.  
It is nine years since, and I have been well and active all that time, with never  
a suspicion of the old trouble."

The Lenten services have been well attended. The experiment of holding them has been justified. A large Congregation assembled for the Service on Easter Sunday evening. Special music was rendered by an augmented choir. The preacher was Mr. W. A. Morton, of Sheffield.

The Mission Whitsuntide arrangements will be announced in the June magazine, also particulars about the Annual Summer Excursion.

The Sale of Work and Village Market held in Totley School on the Friday and Saturday in Easter week proved a great success. The gross takings came to over £50. The expenses are very small. Our grateful thanks are given to the generous friends who sent various goods for the Market. We also extend our thanks to the many friends who patronized the effort. Mr. C. Swift wielded the hammer at the Auction, and did useful service.

The concert held on Monday, April 3, was a splendid success. A first class programme was provided and encores frequent. Artistes:—Mr. Berry, Tenor; Mr. E. Ward, Bass; Miss H. Unwin, Soprano; Miss Clarke, Contralto; Mr. Hall, Violinist; Mr. R. H. Wells, Elocutionist; Mr. A. Farnsworth, Accompanist. They were heartily thanked for their kindness.

There was a large Congregation at the Confirmation Service held at Dore Church on April 5. The Lord Bishop of Derby gave a very helpful address to the Candidates on the difficulties of the religious life, and the way to overcome them. There were fifteen candidates from Totley, ten males and five females.

The Annual Meeting of the members of the Church Mission was held in Totley School on Monday evening, April 24. Mr. Moorhouse, was in the chair. The secretary, Mr. A. J. Foulstone, in his report, stated that the work during the past year had been one of steady progress. The Services during the winter months had been well attended. There had been a wider interest in the Mission work, and it now stands on a higher level than ever before. The Treasurer's Report for the financial year ending December, 1921, and which was published in the March magazine, was accepted as being very satisfactory. The following were elected on the Mission Council: Hon. President, the Vicar; Chairman, Mr. A. Moorhouse; Treasurer, Mr. B. Newbould; Secretary, Mr. A. J. Foulstone, and a council of twenty-seven members. Votes of thanks were accorded to the President, Chairman, Treasurer, Secretary, Organist and Choir, for their services during the past year.

*Totley Village Sports.*—At a public meeting held on Wednesday, April 12, it was decided to have the sports this year. A Committee was elected. Secretary, Mr. Puttrel, Lane Head, Totley.

We are now in a position to receive applications for advertisements in the Magazine.

Mr. Wigfull's lecture on "The Old Halls of Holmesfield" in Totley School on March 30 attracted great interest. The school was crowded with an appreciative audience. The subject was dealt with in a most interesting and instructive manner. Mr. Wigfull gave an historical summary of the development of Holmesfield and district from the eleventh century, and with the aid of about seventy lantern slides made known many beautiful specimens of carved and architectural work to be found in the old Halls of the district. Mr. Wigfull was accorded a very hearty vote of thanks for his lecture. Mr. E. Longley was highly complimented for his work as lanternist.

## Skin Rash

Carried Arm in Sling for Years.  
Intensely Painful. Cured by Germolene.

Mr. J. Light.

Mr. James Light, 12 Lyndale  
Road, Rehill, Surrey, says:  
"Seventeen years ago a poisoned  
scratch caused a rash to break  
out on my shoulder, which spread  
all down my arm to the wrist.  
It was very painful, and the skin  
cracked all across, deep cracks  
you could lay a finger in. It got  
so bad finally that I could not use  
the arm (the right) and had to  
carry it in a sling. For two or  
three years I was like that. Tired  
all sorts of things, but nothing did  
any good. Then I got Germolene,  
and after a few dressings the arm  
looked better. The final result is  
that the disease is cured. The  
cracks have all filled up, and I can  
use my arm again. It is a bit  
drawn through being so long in a  
sling, but even that is getting better."

## Be Wise in Time.

If feeling tired, if you get out of breath  
easily, if you are languid and depressed  
—just take an Iron Jelloid with your

by anyone at any time without the least  
apprehension. There's health and strength

boon on a host of Anemic girls."

## Acute Neuritis and Headache

Terribly Weak and Run-down after Operation.  
Health Restored by Dr. Cassell's Tablets.

Mrs. Nickson, 22 Beverley Street,  
Ashton, Preston, says: "After an opera-  
tion I found myself in a very weak, run-  
down condition. I had no heart for any-  
thing, no spirit. I could not sleep, and  
I felt just fit for nothing. I never wanted  
to eat, food did not agree with me, and I  
was constantly bothered with severe  
headache. Then neuritis came all down  
my left side, and the pain I endured was  
awful. It hardly ever ceased. I had  
been taking medicine all the time and  
getting no better, when at last I got Dr.  
Cassell's Tablets. It was wonderful how  
they acted. The relief they brought was  
delightful, and I im-  
proved fast. I could sleep, my appetite returned, and rapidly  
I gained strength. Now I am completely cured, and have not  
felt so well for years as I do at the present time."

## Facial Eczema

Suffered for 27 years, but  
Completely Cured by Germolene.

Mrs. HUDSON, 60 Garfield Road, Mile End, Portsmouth, says:

"I had eczema on my face for 27 years. Sometimes I was in bed with it. My face used to puff up, and the skin all over would scale. The itching was frightful. I don't know what I didn't try, but nothing relieved me. Then at last I got Germolene. Well, it was a comfort to put it on. It soothed at once, and healed too. Actually in six weeks my face was quite clear and well—and that after suffering for 27 years!"

## Helpless Child made Active

Remarkable Case of Lost Power restored by  
Dr. Cassell's Tablets.

Violet Hudson.

Mrs. HUDSON, 3 Hilda Road, Chatham, says: "When my little girl, Violet, was five, she had a nasty turn like a stroke, and became quite helpless. She could not move a limb nor a finger. If I put her in a chair, she remained as I placed her; if I put her to bed, it was the same: she lay just as she was placed, and would have lain anywhere for any length of time. Her speech, too, was affected; in fact, it was just a mumble. I had all sorts of advice and treatment, but she remained as helpless as a little log."

"In the end, however, I got Dr. Cassell's Tablets, and after a time she could move. From then on she improved rapidly, and now, two years later, she can go about by herself, and is ever so well in health."

MRS. TAYLOR, of 29 Diamond Road, Slough, Bucks, says: "Germolene has completely cured my little girl, aged five, and my boy, aged ten, of ringworm. The ointments and preparations prescribed did not appear to have any effect, and the nurse attending advised the X-ray treatment, but this I was unwilling to try."

"I was induced to give Germolene a trial, and I am very thankful I did. Very soon the children were both quite free of the trouble."

"The next time the nurse called she was astonished to find the children cured, and asked me what I had used, saying she had never in her experience seen so rapid a cure."

No Appetite, No Strength, A Burden to Herself,  
But Made Strong and Well by Dr. Cassell's Tablets.

Mrs. Linsay.

MRS. LINSAY, of 83 Beakston Street, Poplar, London, E.14, says: "It was the air made that first upset me: they were terrible in this district, and I became so run down and weak that I could hardly do anything. I was a burden to myself. I had no appetite at all, and I ate so little that I became quite thin and pale. But it was the weakness that was the worst affliction; I really had not the strength of a child. I was too nervous to go out, and often I had to keep to bed for days at a time."

"This state of things had gone on for a long time in spite of all the medicine I had. But at last I got Dr. Cassell's Tablets, and that was the beginning of new health for me. I soon felt better. My appetite returned and my strength with it, and I began to feel cheerful and more like my old self. As I continued taking the Tablets I got better and better, and now feel ever so well and bright and strong."

## Gastritis, Pain and Wasting

Sleepless, Strengthless, and Nerveless. Laid up for Months, but soon cured by Dr. Cassell's Tablets.

Mr. ROBERT HALLSALL, of 78 Leigh Road, Leigh, Lancs., says: "I began to suffer with indigestion which turned to gastritis. I had awful pains at the stomach, and I ate so little that I lost about a stone and a half in weight. I had no strength, was terribly troubled with headache and wind, and so nervous that sometimes I was trembling from head to foot."

"I daren't eat because of the awful after-effects. I had been going on like this for months, when I tried Dr. Cassell's Tablets, and that was the beginning of cure for me. The pain all went, I slept better, and the terrible headaches were relieved. Soon I was completely cured."

## Success.

The vigour of the body and mind which commands success in life depends greatly upon the condition of the blood. If the blood be rich and strong the system is well nourished and vigorous—if the blood be weak and impoverished (Anæmia) the system is starved and enfeebled. Keep your blood well oxygenated by taking Iron Jelloids the Reliable Tonic whenever you feel depressed, slack or exhausted.

The winner of the Clock Competition was Mr. B. Kelly, who guessed the correct time that the clock stopped, 9.40 a.m.

I should choke. I had to take to bed,  
and was told there was fear of decline.  
"It was then a neighbour advised

The special events in November passed off very well. For the Whist Drive ninety people attended. For Mr. Roberts's lecture, the room was full, and everybody enjoyed the bright and entertaining description which Mr. Roberts gave of his trip to Lisbon, Madeira and Canary Islands. It was instructive and interesting, and a very hearty vote of thanks was accorded to Mr. Roberts. There were over 100 lantern slides to illustrate the lecture, and these were admirably

shown by Mr. Ernest Longley, whose kindness was much appreciated. The Totley War Memorial Remembrance Sunday was cold and wet, which prevented many from attending the service, but a good number braved the elements.

The Rev. J. Wesley Green gave a most suitable and appropriate address on "Sacrifice, and the Ideals which should be striven for, Worthy of the Sacrifice made by the men who gave their lives, that we might live." The wreath was placed on the cross by Mr. Herbert Turner, an ex-service man, who lost two brothers in the war. The "Last Post" and the "Reveille" were played by three buglers from the 4th Batt. Y. and L. Regt. The proceedings were concluded by singing the hymn, "O God our help," and the blessing by Mr. Green.

*Totley Cricket Club.*—To commemorate the winning of medals in the 1st Division of the "Bird League," a social was held in Totley School on Friday, November 17. There were about eighty present, including players, friends and subscribers. Mr. A. J. Foulstone presided. The presentation of medals and club prizes was made by Mr. E. Adams, J.P. The "Bird League" special prizes for batting and bowling were won by Totley players, viz.—Batting, James Green, with an average of 25.7 runs; Bowling, William Cooke, with an average of 3.8 runs per wicket. During the evening musical items were rendered by several friends, an interval being made for refreshments. Votes of thanks were accorded to Mr. Adams for making the presentations, to Mr. Arthur Ward for his splendid services as secretary, and to Mr. Foulstone for his interest in the club.

N.S.P.C.C.—The sum collected by Miss Foulstone in Totley on behalf of this society amounted to £4 5s. Those who have subscribed are supporting a noble work amongst the children in our land.

**Suffered Seven Years without finding relief. Speedily Cured by Dr. Cassell's Tablets.**

MR. EDWARD ROGERS, Central Homes, Pontypridd, South Wales, says:—"For six or seven years I suffered acutely from indigestion. After whatever food I took I suffered to such an extent that I was really afraid to eat anything. Flatulence, too, troubled me, and I had frequent headaches. I could not sleep at nights, and tossed restlessly about, only to find myself utterly done up in the morning."

Mr. Ed. Rogers.

"All sorts of things were recommended to me, but without my getting any lasting relief. Then I tried Dr. Cassell's Tablets. Almost from the first dose I felt an improvement. The pain after food ceased, I slept better and rapidly gained strength and energy. Now I can eat anything without fear and feel better than I have done for years."
