PAROCHIAL NOTES.

At the commencement of another year we wish all our readers a Happy New Year.

The year 1924 will be a memorable one in the ecclesiastical history of Totley. Another important step has been taken in the development of our Church scheme. Notification has been received that the Bishop of Southwell proposes to collate the Rev. Robert Jermyn Hutton, M.A., to the district of Totley. Mr. Hutton has held the following Ecclesiastical preferments: Curate of Christ Church, Ashton-under-Lyne, 1912-19; Curate of Repton with Foremark, since 1919. We regret that owing to some special duties at Repton, together with the difficulty of securing a suitable residence at Totley, Mr. Hutton will not be able to come amongst us for a few months. We have much pleasure in publishing a few lines from Mr. Hutton.

In answer to a request that I should send a short message to the Church people of Totley, I should like to say how much my wife and I both appreciate the expressions of good will which have already reached us.

Nothing can be more encouraging to a priest who is called to a new sphere of work than the knowledge that his people have made up their minds to welcome him as a friend and to help him in every way they can.

It is indeed a great responsibility as well as a great privilege to be appointed to a new district. In the case of an ancient parish there is a long history to remember and a noble tradition to maintain, but in a new one the history is still to be written and the tradition still to be established.

It is good to know that I can count upon all who have done so much for God and their Church to help me to do still more.

My wife and I are both natives of North Derbyshire, and hope soon to feel quite at home among you.

Asking for your prayers,

I am, Yours sincerely,

R. JERMYN HUTTON.

A Confirmation Service, to be conducted (D.V.) by the Bishop of Derby, will take place at Dore Church on Sunday afternoon, March 9. The first preparation class will be held in Dore Church at 3 p.m. on Sunday, January 13, when the Vicar will welcome any prospective candidates.

The New Church Building Fund.—Wanted £1,700. Received £519 14s. 6d. Balance £1,181 5s. 6d. We gratefully acknowledge the following sums: Miss Blake, £5; Mr. Stephen Blake, £5; Mr. Miles Blake, £5; Mrs. T. Pearson, £1; Mrs. Gill, 10s. 6d.; Miss Belk, 10s. 6d.; Mr. and Mrs. Cecil Keatley, 10s.; received from Concerts and Lectures, £15; Bank Interest, £43.

"Free of Interest" Loan Fund.—Wanted £500. Received £113. The Committee would be glad to receive further loans for this fund, £1 and upwards.

On Thursday, January 31, Miss Prescott has kindly promised to bring to Totley her well-known Sheffield Ladies' Choir. For those who can come a rich musical treat is in store. See posters for particulars. Proceeds for the New Church Fund.

Sunday afternoon, February 3, Sacred Concert in Totley School.

The Sewing Guild.—Splendid progress was made by the members during December. The meetings are held on Monday afternoons, time 2 o'clock. Information relating to the work of the Guild may be obtained from Mrs. A. J. Foulstone.

The Committee express their hearty thanks to the many friends who helped during the past month in the various efforts for the New Church Fund, viz. on Thursday, November 29, concert by the Dore and Totley Union Church Choir; Sunday afternoon, December 9, sacred concert; and Tuesday, December 18, the Stainborough Concert Party. On each occasion the room was well filled, and the financial results very satisfactory.

The Sunday School Social on Saturday, December 29, was a very enjoyable function. After a substantial tea, a short concert, including a sketch, was given by the children, also some clever conjuring tricks were performed by Mr. Vickers, of Heatherfield. Prizes were presented to sixty-four children for regular attendance and good conduct. For the prizes we are greatly indebted to Mrs. Milner, and we thank her for her continued kindness and interest in our Sunday School.

The Annual Social on New Year's Eve was a very successful gathering. About 80 persons had tea, 104 played whist, and a good number afterwards enjoyed the dance. Messrs. A. Moorhouse and C. Swift carried out their duties as M.C.'s in a very efficient way, and Messrs. A. E. Linfoot and D. Styles rendered valuable services at the piano. Mrs. Crowther and her helpers gave every satisfaction in the catering arrangements. At 12 o'clock the whole gathering formed a circle, joined hands, and sang "Auld Lang Syne." Mr. Foulstone, in wishing all present a Happy New Year, said it would be the last time that the annual gathering would be under his leadership; he had spent many happy and successful New Year's socials with them, and hoped that the socials in future years would be greater successes than ever in the past.

The Girl Guides, together with their invited friends, spent a very enjoyable evening on Friday, December 28. The guides attended in fancy dress, four prizes being awarded for originality and effect. There are now over twenty members in the troop; Miss Foulstone is the troop leader.

We much regret that owing to removal from Totley Mr. Arthur Moorhouse finds it necessary to resign his positions as chairman of the Mission Council and vice-chairman of the New Church Building Committee. For seventeen years Mr. Moorhouse has been connected with the church work in Totley, and given constant, faithful and valued service. We shall miss his help very much, and are very sorry to part with him. He has also taken a very active part in the Totley Parish Council work, and at the present time occupies the position of vice-chairman. Village sport has had his enthusiastic support, and last season he was chairman of the Totley Cricket Club. We can ill afford to lose from our village life men who so freely and willingly give of their best for the public good. We wish Mr. Moorhouse and his family every happiness in their new home.

Totley Cricket Club.—The annual social and prize distribution took place in Totley School on December 7. There were over eighty persons present, including players, friends and subscribers. Mr. E. Adams, J.P., presided, and was supported by Messrs. Moorhouse, Saville and Foulstone. The batting prize was won by J. Green with an average of 19.72; the bowling prize by W. Cook with an average of 5.5; the fielding prize by R. Taylor. Mr. Arthur Turner was presented with a leather wallet for services rendered as umpire during last season. During the evening musical items were rendered by several friends, an interval being made for refreshments. Votes of thanks were accorded to Mrs. Adams for presiding, to Mr. Moorhouse for his services as chairman of the club, to Mr. Arthur Ward and Mr. George Green, joint secretaries, for their able and willing services, and to the friends who had contributed to the success of the evening. The whole proceedings, which were of an enthusiastic nature, concluded with a dance.

45 YEARS' REPUTATION

Chronic Headache

means nerve derangement.

When the brain begins to flag you need new nerve nourishment.

Writing from 58 Woodland Road, Bishop Auckland, Miss FLORENCE BAKER, the well-known authoress, says: "For months I had suffered from horrible racking pains in the head. I felt fretful, and very soon developed an edgy temper. I tried various preparations, but they were of no avail. I realized that my brain wanted new food, new life, and that unless some miracle happened my nerves would be completely wrecked. I noted what Dr. Cassell's Tablets had done for another young novelist. I have been taking them for a month now, and headache, languor and sleeplessness have disappeared, and my thanks to Dr. Cassell's Tablets cannot be too boundless."

Children's Nerve Trouble

How Mrs. Ruskin's daughter was cured by Dr. Cassell's Tablets.

MISS RUSKIN

Writing from 141 Belmarsh Road, Gorseston-on-Sea, Mrs. Ruskin says: "About twelve months ago my daughter had a very bad attack of St. Vitus' Dance, and she was sent to hospital. There she lay for three months, and she came home thinking she was cured, but after she had been home a week the trouble came back. She could not walk straight, and when she tried to talk her mouth was distorted. She could not keep a limb still. I decided to try your tablets. To my surprise after the first box she was able to get up again. I continued to give them to her, and now I am glad to say she can go to work again, and is quite strong."

TO THE PEOPLE OF TOTLEY.

In a few weeks a new chapter will have begun both in your lives and mine, and I cannot say how deeply I feel the responsibility which lies before me.

So much depends upon the spirit in which we set out upon our new venture, and God alone can give us that unity of purpose and singleness of heart which are the necessary foundation of all spiritual effort.

Let this new chapter be opened in the spirit of Prayer, that it may be begun, continued, and ended in God. Pray Him to give to me a wise, understanding heart, and to you the will to co-operate loyally and whole-heartedly in the extension of His kingdom.

Your faithful fellow-servant,

R. JERMYN HUTTON.

A splendid programme was given, and at the close the boys received a very appreciative vote of thanks. Mr. Eric S. Roberts, who takes a keen interest in the boys, replied on their behalf.

Totley Men's Recreation Society.—At the public meeting held on Monday evening, February 11, in Mr. Evans' tea-room, officials and committee were elected for the current year: Chairman, Mr. A. J. Foulstone; Secretary, Mr. Albert Green; Treasurer, Mr. John Gill, and a committee of fourteen members. Rules for the working of the Society were formulated. The yearly subscription was fixed at 4s. 4d. The room is open every night during the week, from 6.30 to 10 o'clock. Chess, draughts, dominoes, whist and billiards may be played. It is intended to make the society a live institution in the village. A cordial invitation to join is given to men eighteen years of age and over.

The Bird and Tree team of the Totley C. of E. School has achieved a notable success in securing the First Prize in the Open Competition promoted by the R.S.P.B. This is the third time the distinction has been won, and it is all the more meritorious by reason of the large number of schools now competing. A detailed report of the prize-winners and criticisms of the work done, is to be sent by the Society later, and will be published in due course.

VICAR'S LETTER.

MY DEAR FRIENDS,—

My first duty must be to thank you all sincerely for your kind and encouraging welcome to my wife and myself. We have been received not only with kind words but with real help from every one.

Our first Sunday here will long be an inspiring memory for me and I think for you also. It was a great privilege to have with us the Lord Bishop of Derby on this occasion, and we are most grateful to him for his kindness and his uplifting message.

It is difficult to believe that Totley is a new parish. So much has been done, and done so well, that many difficulties which I expected to find do not exist. The foundations have indeed been well and truly laid, and I thank God for the zeal, the energy, and the wisdom of those whom He has raised up to be His labourers.

Mr. Foulstone, after many years of devoted service, has ungrudgingly resigned his leadership, but at the same time has consented to continue his work as Lay Reader.

I cannot do less than put on record my deep appreciation of the generosity and unselfishness with which he has accepted what must be a very real sacrifice.

Opportunity will shortly be given for all who are qualified to do so, to be placed upon the Electoral Roll. It is important that all who have at heart the interest of their own parish and of the whole Church should exercise their vote when the Parochial Assembly meets.

Your faithful Friend and Servant,
R. JERMYN HUTTON.

PAROCHIAL NOTES.

On Thursday evening, March 20, a homely welcome was accorded to the Rev. R. J. Hutton, M.A., and his wife, in Totley School, by the members of the Totley Church Mission Council, the new Church Building Committee, the adult members of the choir, and the Sunday School teachers. Mr. W. A. Milner presided over the proceedings. Welcome speeches to Mr. Hutton as the first Vicar of Totley were given by Mr. Milner and Mr. Foulstone. Mr. Hutton, expressing his thanks for the splendid reception given to him, paid tribute to the Church workers who had in the past done a great

deal of spade work in the parish. It would be his endeavour to build on the good foundation which had been laid. He asked for their help, their forbearance, their prayers, and specially asked his hearers to believe that what he taught and practised he did with sincerity of heart, as being the best for living the straight life. Mrs. Milner, on behalf of the members, extended a hearty welcome to Mrs. Hutton. A feature of the gathering was the grouping of the company at tables, with four persons at each table, at which Mr. and Mrs. Hutton were afterwards introduced personally to each group. Vocal and instrumental music was rendered by members of the Choir.

Sunday, March 23, 1924, will be long remembered by members of the Totley Church, as the day when the Vicar commenced his ministry in Totley. At 8 a.m., Holy Communion was administered by the Bishop of Derby to fifty-five communicants. At Morning Prayer the Bishop preached an eloquent sermon based on 2 Cor. vi. 1. During the evening service the vicar "read himself in," that is, he had, according to law, to read on his first Sunday, the thirty-nine articles of religion. Large congregations assembled at each service.

The New Church Committee has unanimously decided that the name of the Totley Church shall be "All Saints."

The New Church Building Fund.—Wanted £1,700. Received £722 15s. Balance £977 5s. We gratefully acknowledge the following sums:—Derbyshire Church Extension Council (Grant), £100; Mr. Capron, £25; Mrs. Capron, £25; Additional interest from Mr. Milner's gift of £2,000, £31 19s. 6d. Received from concerts and lectures £11 16s. 2d.; Mr. Morris, 5s. Extra for garden seat, 2s. 6d.

"Free of Interest" Loan Fund.—Wanted £500, Received £115. We gratefully acknowledge the following sum: Miss L. Short, £2. The Committee would be glad to receive further loans, £1 and upwards.

The lecture on "The Nature of Music" by Mr. G. E. Linfoot on Saturday, March 15, was very well attended by a most attentive and appreciative audience. The lecture was amply illustrated by the lecturer (violin) and Mr. C. H. C. Biltcliffe (piano), who played, amongst other things, movements from Sonatas by Haydn and César, Franck, the Bach Aria on the G string, the "Londonderry Air," waltzes by Brahms, and the ballet music from "Rosamunde." A cordial vote of thanks was given to the lecturer and Mr. Biltcliffe on the motion of Mrs. Milner, seconded by Mr. Foulstone.

The Concert on Tuesday, March 18, kindly arranged by Miss Styles in aid of the New Church Fund, proved a splendid success. Two laughable sketches entitled "Our at home day" and "The cricket match" were given with much acceptance by members of our Church. Mr. Tom Machin, bass, and Mr. H. Woodhead, tenor, gave great delight by their singing. Miss D. Smith played a pianoforte solo and sang two songs. Miss T. Jones gave recitations which were much appreciated. Mr. A. E. Linfoot accompanied the singing. A hearty vote of thanks was accorded to all those who had taken part in the Concert.

The Social on Shrove Tuesday was attended by nearly 100 persons, who spent a very enjoyable evening. Receipts, £6 0s. 7d. Expenses, £3 15s. 3d. The balance £2 5s. 4d. was given to the fund of the Sewing Guild.

VICAR'S LETTER.

MY DEAR FRIENDS,—

It is most encouraging to look back upon the services of Holy Week and Easter. All of them were well attended, and even the Three Hours' service on Good Friday, which was an entire novelty in this district, proved itself to be an experiment well worth repeating. On Easter Day more than 70 made their communion, and there is reason to hope that this number will be substantially increased if a Confirmation can be arranged before next Easter.

The Vestry Meeting and Parochial Church Meeting were held on Tuesday in Easter week. The full list of officials elected is included below.

Please accept my thanks for the generous Easter Offering which has been handed to me by Mr. Newbould and Mr. Foulstone. I appreciate very much the kindness which prompted the gift.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

PRESENTATION TO MR. FOULSTONE.

At a meeting held after service on Wednesday evening, April 2, a token of well-earned respect and gratitude was presented to Mr. Foulstone by the Vicar on behalf of a large number of subscribers. The testimonial took the form of a case of Treasury notes (£33), together with an illuminated album containing over 100 signatures. Speeches were made by Mr. Newbould and others who had

been long associated with Mr. Foulstone in the work of the mission, and a glowing tribute was paid to him and his work in Totley. Mr. Foulstone replied in a characteristic speech, recalling the early days of the mission and referring to the bright prospects for the future of the parish.

The meeting concluded with the singing of the Doxology.

BIRD AND TREE CHALLENGE SHIELD COMPETITION.

The first prize in the above competition has been awarded to Totley Day School—a distinction which our school has gained before, four years ago. We offer our congratulations to the successful competitors: George Creswick, Eric Hill, Fred Axe, Dan Reynolds, Marjorie Creswick and Muriel Weston.

An interesting and successful concert was held in Totley school on Thursday, April 10, in aid of the New Church Fund. A programme including songs, pianoforte solos, vocal duets, and several descriptive dances, was provided by Mr. Thraves Smith and his concert party. We are particularly grateful to Mr. Smith for his kindness in offering this entertainment and also for providing such excellent talent.

The proceeds of the entertainment amounted to £4 14s. 4d.

Gifts for our New Church.—It is with great pleasure we announce that Mrs. A. Peech, of Heath Court, Dore, has kindly sent a cheque for £25 to cover the cost of the Lectern. The communicants of the Dore and Totley Union Church are generously providing the Alms dish. Both gifts are very much appreciated by the New Church Committee. The Ladies' Sewing Guild are working for a Sale of Work, the proceeds of which are for providing the choir stalls. Gifts of materials, goods, money, etc., would be much appreciated. Particulars may be obtained from Mrs. Foulstone.

The New Church Building Fund.—Wanted, £1,700. Received, £749 10s. Balance, £950 10s. We gratefully acknowledge the following sums: Mrs. A. Peech, Dore, £25; Mr. T. Crookes, £1 12s. 5d.; E.T., 4th donation, 2s. 6d.

"Free of Interest" Loan Fund.—Wanted, £500. Received, £115. The Committee would be glad to receive further loans, £1 and upwards.

It is with deep regret we record the death of Mr. F. Fidler. Several years ago Mr. Fidler took an active part in the Church Mission work at Totley, and his warm genial disposition and Christian bearing won him many friends. Mr. Fidler, who had attained to the age of 71 years, was buried on Friday, April 11, at Abbey Lane Cemetery.

VICAR'S LETTER.

MY DEAR FRIENDS,—

The Lord Bishop of Derby has kindly promised to come to Totley and hold a confirmation on Sunday, December 7. This is a long time ahead, but not too long for us to begin to think about it. There must be many people in this parish whose confirmation has been omitted for one reason or another and it is chiefly for their benefit that this arrangement is being made. The first confirmation in a new Church and parish ought to be an event of great spiritual value, and it will be an opportunity for many really earnest Christians to come forward and bear witness to their faith. The Bible tells us plainly “that through laying on of the Apostles’ hands the Holy Ghost was given” to the believers, and the same Gift is offered still to all who will receive it.

We cannot hope to conquer our temptations or to live useful Christian lives if we refuse the strength and fire and inspiration which God is waiting to pour out upon us.

Confirmation also opens the door to the full privileges of Church life. It admits us to that close fellowship with Christ which is found in the Sacrament of His Body and Blood.

Lastly, it is a witness to the world that even in these materialistic days there are yet some who believe in the grace of God and are not ashamed to stand up and confess their faith before men.

We offer our congratulations to Mr. Foulstone on being elected to serve on the Diocesan Conference. It is an honour both to him and to our parish.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

45 YEARS REPUTATION

Headaches

Nervous Breakdown

if YOUR nerves need restoration, take Dr. Cassell's Tablets, the sure aid to perfect nerve health.

Mrs. E. Hughes, 45 Kingswood Road, Penge, London, S.E., says:—"Six years ago, in middle life, I fell ill. I could not sleep, had no appetite, constantly trembled, and was in terror if I ventured out of doors. Often I had fainting fits, and eventually was afraid to go out at all, and sat at home brooding and suffering. During the whole of the time I suffered violent headaches; they were agony, and nothing relieved them. At last, however, I got Dr. Cassell's Tablets, and by and by I began to feel better. The pains in my head were not so severe, and I could sleep. Appetite returned, and steadily I regained fitness. Now I feel really well, and go about my work with a light heart."

Save Baby's Skin

Preserve him from rashes, ringworm, eczema, impetigo, and all tenderness and chafing.

Mr. Harold Smith's Testimony.

Mr. Harold Smith, of 203 Gloucester Road, Croydon, writes: "My son, aged two, who was born in Cologne, where I was serving in the Royal Corps of Signals, suffered from a rash from the time of his landing in England until two months ago. I tried all sorts of medicines and took advice and treatment, but without success. Then I tried Germolene, and also gave the baby Germolene, and used Germolene Aseptic Soap. Very quickly he ceased to fret, the irritation stopped, and now his skin is free from any sign of rash. Germolene has saved myself and my wife a lot of worry and expense. I used only two small boxes of ointment and two cartons of the tablets to effect a cure."

Germolene is matchless as a remedy for:—

VICAR'S LETTER.

MY DEAR FRIENDS,—

My letter this month is written in the hope that it will be circulated not only among those who attend the services in the School, but among those who have not yet attached themselves to our parochial life.

From many quarters we hear of numbers of Church people who intend to worship in our parish Church when it is complete, but who, for one reason or another, cannot bring themselves to join our worship in the Schoolroom. It is to those people that this letter is specially addressed.

I would ask them to remember that a great part of the financial burden of this undertaking is being borne by a handful of parishioners who contribute week by week through the Sunday collections. I think they will agree that it is not fair or honest to wait for others to build a church for them. Even if a Churchman can justify himself in neglecting the worship of God on the ground that a school is not a consecrated building, I think that he will find it difficult to excuse himself from the Christian duty of giving, especially when he himself intends to share the benefit when the work is complete.

I would suggest that all who call themselves Church people should give their share whether they come to services or not, and that those who do not come should set aside for God the money which they would have put in the plate if they had been there. We are still faced with a large debt which can only be met in a reasonable time if everyone does his or her bit, and does it at once. There must be many who have cause to thank God for countless blessings and who can well afford to make some return for them.

In a short time a printed appeal will be circulated, and I hope that all who intend to be worshippers at the Church of All Saints, Totley, will be able to say that they have had a hand in the building of their Parish Church.

Your faithful Friend and Servant,
R. JERMYN HUTTON.

Proposed division of the Diocese of Southwell into separate Bishoprics for Derbyshire and Nottinghamshire.—The scheme for this was launched by the Bishop of Southwell on Wednesday, June 18, at Nottingham. At the present time the diocese of Southwell has 520 parishes with an approximate population of 1,450,000. The division would give Derbyshire 264 parishes with a population of 750,000, and Nottinghamshire, 256 parishes with a population of 700,000. £80,000 is needed for the project.

Whit-Monday Sunday School Treat.—Scholars, Teachers and Members of the Congregation assembled at the School at 2 o'clock, then went in procession to various parts of the Parish. Halts were made at Mony Brook, Lane Head, in the Village, and Totley Hall to sing the special Whitsuntide hymns. By the kindness of Mr. Milner, the party were permitted to go through the glasshouses and garden which was much appreciated. Returning to the School for tea, the scholars' wants were first attended to, after which teachers and friends had their turn. The evening was spent in a field at Green Oak, kindly lent by Mr. Colin Thompson, where various games were played until 9 o'clock when the whole party gathered together; cheers were then given for everybody who had helped to make the treat a success. The singing of the Doxology and the National Anthem brought a very happy and enjoyable day to an end.

Wood, Totley School; Mr. Foulstone, New Totley; Mr. Herbert Green, Totley; Mr. J. Chapman, Totley Bents; Mr. E. V. Steer, Secretary, Green Oak. Entries closed Monday, July 21. Mr. James Larder, one of Totley's familiar figures, died under very tragic circumstances on Saturday evening, June 7. He had just left the house of some friends whom he had called to see when he was taken suddenly ill and died immediately. Mr. Larder came to Totley over 50 years ago, and for many years was ostler at the Cross Seythe's Hotel. He is well remembered by a large number of people as the driver of the "horse bus" which used to run in the days before the advent of motor buses between Dore and Totley Station and Totley Village. Mr. Larder for the past several years attended regularly the services at the Totley Church Mission; he loved the services and was a devout worshipper. At the funeral, which took place at Dore Churchyard, the Vicar of Totley officiated, and was assisted by Mr. Foulstone, Lay Reader.

Weaknesses of Childhood

Hundreds of weak, fragile, nervous children could be made well and strong if their parents only realized the splendid building-up power of Dr. Cassell's Tablets.

Mrs. A. MARSU, of Hanging Bank, Ide Hill, near Sevenoaks, says:—"My little girlie had been under treatment for nearly three months, and was given up. Indeed, we were told that she had only three days to live. She was a mere skeleton. But I felt I would not give in without a final struggle, so I gave her Dr. Cassell's Tablets, and after the second or third dose she sat up and ate bread and milk. Now to see her you would not believe she had been so terribly ill."

Skin Poisoning

Poisoned wounds are both painful and dangerous. Keep Germolene ready to hand. It is a complete safeguard.

MR. W. JONES-BLACKETT, 44 Norfolk Street, Norwich, says:—"I suffered from a poisoned heel, which began with the chafing of my boot, and it became so swollen and painful that I could not walk. I tried hot fomentations, but these did not relieve the pain, so the place was lanced. Within a week the place had filled again, and the pain was intense. Then I tried Germolene, and the immediate effect was splendid. The wound broke and discharged, and I was able to walk quite freely without any pain at all. A few more dressings completed the cure."

MY DEAR FRIENDS,—

My letter this month must be concerned mainly with the question of finance. You will shortly receive, if you have not already had one, a circular about the Free-will Offering Scheme which is being launched in the Parish. I do not hope for anything less than that every man, woman and child who belongs to the Church of England, whether he attends services or not, should fill up the form and become a regular subscriber. I hope none will hesitate to do so, however little they can afford to give. It is marvellous what can be collected when small sums are regularly given by a number of people, and therefore if you cannot devote more than a penny a week do not hesitate to fill up the form and send it to Mr. Newbould or myself. In other parishes it has always been found that the small regular contributions are the backbone of the scheme.

In addition to this there are two efforts to be held in August, for which we ask for your loyal and generous support.

The Summer Fair will be held on Monday, August 4, and on Saturday, August 9. A Penny Trail will be begun on the footpath in both directions from a point near Main Avenue, and it is hoped that all passers-by will add to it a few pennies in order to make it extend the whole length of the Parish, if possible. Every yard of pennies amounts to half-a-crown; let us try to make the trail at least a mile long. A few volunteers to take turns watching the trail will be welcome. The first penny will be laid down at 1.30 p.m.

Your faithful Friend and Servant,

R. J. HUTTON.

PAROCHIAL NOTES.

A GENEROUS GIFT.

We offer our very best thanks to the Rev. J. Wesley Green and all the members of the congregation of Dore Union Church for the handsome gift which they have so generously presented to our new Church. MY DEAR FRIENDS,—

The Bishop of Southwell has announced his intention to consecrate our new Church on Saturday, November 15. The day will begin with a celebration of Holy Communion, at which service the Altar will be dedicated. The Consecration Service will take place in the afternoon. The actual times of these services will be made known later, as also will be the arrangements for special services on the succeeding days. Since the accommodation of the Church is small it has been decided to admit to the afternoon service by ticket. Applications for tickets should be made in good time to Mr. Foulstone. No official invitations will be issued, as our well-wishers and benefactors are so many that it would be impossible to invite them all.

The Harvest Thanksgiving Services will be held on Sunday, October 19, and Monday, October 20 (see Calendar). The preacher on Monday will be Rev. E. W. Lumley, Vicar of Barlow, and the collections on both days will be given to the Building Fund.

On Sunday, October 26, the service at 11 o'clock will be Sung Eucharist and sermon. For the benefit of those who are unfamiliar with this service, it is only necessary to explain that the Holy Communion Service is said as at other times except that the congregational portions of it are set to music and suitable hymns and psalms are added. I hope in a short time that our whole congregation will be able to take their part in it. The music is not difficult and at the same time is very beautiful when rendered with care and reverence. We owe our best thanks to Mr. Linfoot and the choir for the hard work and the time they have given up in order to learn the new music.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

TOTLEY NOTES.

An Appeal for £1,400.—A two-days' Bazaar effort towards this appeal will be held in St. John's (Abbeydale) Church Hall on Friday and Saturday, November 21 and 22. The choir stalls are left for a future effort. We ask for gifts of money, game, poultry, farm produce, crockery, pictures, ornaments, cutlery, hardware, jewellery, books, flowers, fruit and useful articles. We are anxious that the Church be opened free of debt. Will you kindly help us in the effort? Treasurer, Mr. B. Newbould, The Newlands, New Totley. Secretary, Mr. A. J. Foulstone, Maycroft, New Totley.

Harvest Services.—Sunday, October 19 and Monday, October 20. This will be the last time the Harvest Festival will take place in Totley School, after being held there since 1904. We hope that old and new members of our Church will endeavour to attend the services. Gifts of corn, fruit, vegetables, flowers, etc., will be received at the school on Saturday, October 18, at 2 o'clock. The edibles will afterwards be sent to the Totley Orphanage.

The following particulars of our organ will be of interest to many of our readers. The builder is the well-known organ expert, Mr. Albert Keates of Sheffield. It is a two-manual and pedal organ with the following stops, etc.: Great organ CC, to C, 61 notes. Open Diapason, Dulciana, Röhr Flöte, Lieblich Flute; Swell organ, Geigen Principal, Viol da Gamba, Voix Celestes, Gemshorn, Oboe; Pedal organ, CCC to F, 30 notes. Bourdon, Bass Flute; Couplers. Swell to Great, Swell to Pedal, Great to Pedal, Swell Super Octave, Swell Sub Octave, Swell Unison Off, Tremulant to Swell. Two Composition Pedals to Great Organ, Balanced Swell Pedal. The organ is built on the Tubular Pneumatic Principle to the Great Swell and Pedal Organs, and to all Manual Couplers.

On Saturday afternoon, September 13, the members of the Choir had their Annual Excursion, Matlock being the chosen place. Unfortunately, owing to the persistent rain, the beauties and pleasures of Matlock could not be enjoyed to the full, but, in spite of this, the party had a happy time together. Tea was partaken of at the New Bath Hotel.

VICAR'S LETTER.

MY DEAR FRIENDS,—

This month will be an unusually eventful and busy one for our parish. It will see the last of the long series of services in the school and the first services in our new Parish Church. It is right and fitting at such a time to look back with thankfulness on the blessings which have attended the days of Totley Mission, in spite of the disadvantages and discomforts which are inevitable in a temporary place of worship. We owe a deep debt of gratitude to those who have so cheerfully made the best of these difficulties and plodded on in work and prayer until it became possible to build a church. And so, Sunday, November 9, will be the end of another chapter in our parish history, and the last sermon in the School will be preached by Mr. Foulstone. I hope this closing service may be attended by every one who has been connected with his work. The list of services at the opening of the Church is given below. It is hoped that every communicant will do his best to be present either at the celebration on November 15 or on one of the succeeding days, and remember to pray especially that the blessing of God will rest upon this new venture.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

PAROCHIAL NOTES.

Appeal for £1,400.—Bazaar effort in St. John's (Abbeydale) Church Hall. The arrangements for the two-days' effort towards this appeal are well in hand. On the Friday, from 2.30 to 4.30, there will be an admission charge of 1s. each, afterwards free. We ask for a splendid rally of supporters, and so help to make the effort a great success. We should be glad to receive gifts of money, game, poultry, farm produce, crockery, pictures, needlework, ornaments, cutlery, hardware, jewellery, books, toys, sweets, flowers, fruit, also provisions for refreshments. Please do not hesitate to send the smaller gifts, for every little helps. Treasurer, Mr. B. Newbould, "The Newlands," New Totley. Secretary, Mr. A. J. Foulstone, "Mayercroft," New Totley.

Owing to the great interest attached to this lecture, children under 12 years of age will not be admitted unless in charge of parents. It is chiefly for adults who can appreciate humour, wit and wisdom. Time, 7.45. Collection for the New Church Fund.

Totley School was crowded to hear Mr. Roberts lecture on "The Tower of London." The Vicar presided. At the close Mr. Roberts was warmly thanked for his lecture, which was illustrated by about ninety slides.

The Sheffield Joint Hospital Council.—A public meeting was held in Totley School on Friday, October 17, to consider the "1d. in the £1" Scheme. There was only a moderate attendance. The Rev. R. J. Hutton, M.A., Vicar, presided. Mr. S. R. Lamb, Secretary of the Council, gave an address on the Hospitals' Forward Movement. It was decided to form a Totley District Hospital Committee, and the following ladies and gentlemen were appointed, with power to add to their number :—Rev. R. J. Hutton, Rev. J. Wesley Green, Mrs. W. A. Milner, Mrs. Colin Thompson, Messrs. T. Crookes, E. Elliott, A. J. Foulstone, Joe Green, H. Melling, B. Newbould, I. Salt.

The sympathy of the people of Totley is extended to Mrs. Wright in her sad bereavement by the tragic death of her husband.

By the death of Mr. Albert Shaw, Totley Rise, the Totley Allotment Society has lost a valued worker. For several years he was Secretary, and gave much time, thought and energy to the building up of the Society.

We record with deep regret the death of Mrs. Kerfoot, wife of the Rev. J. A. Kerfoot, Vicar of St. John's, Abbeydale. She passed away after a long illness on Friday, October 24.

VICAR'S LETTER.

MY DEAR FRIENDS,—

The month which is just over has been a busy time for all of us, but also a very happy one, for we have been privileged to witness the opening and consecration of our new Church of All Saints' on Saturday, November 15. The Bishop of Southwell dedicated the Altar and the sacred vessels, and administered the Holy Communion to forty-seven communicants at 7 a.m., and at 2.30 p.m. consecrated the Church in the presence of a large congregation. It was an impressive ceremony which will not easily be forgotten, and our thanks are due first to our Bishop for his inspiring address and then to all those who were responsible for the music and the orderliness of the proceedings.

Every one concerned knew exactly what he or she had to do and did it without fuss or confusion.

May I add also my own sincere thanks to Mrs. Milner for so kindly entertaining the Bishop and so many other guests, and to Mrs. Bloor and the ladies who helped her with the arrangements for the refreshments for visitors after the Service.

On Sunday, Monday, Tuesday, and Wednesday the Services in connexion with the consecration were continued, and we were privileged to hear excellent addresses by three of our oldest friends, the Vicars of Dore and Abbeydale, and the Rural Dean.

I hope that this happy beginning will be followed by a real spiritual advance in the whole parish and that every one will use to the full the opportunities which our new House of God presents to us.

We congratulate the architects, the contractor, and the workmen on the completion of a building of which we and they have every reason to be proud.

I cannot close this letter without reference to the remarkable Farewell Service in the School on Sunday, November 9. It was a fitting conclusion to the long series of Services which have been held there, and our old friend, Mr. Foulstone, who preached the sermon, must have felt that his labours have not been in vain.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

REMEMBRANCE SUNDAY.

A short Service was held on Sunday, November 9, at 10.30 a.m., at the War Memorial Cross to commemorate those who gave their lives in the Great War. A hymn was sung, a Lesson read by Mr. Elliott, special prayers by the Vicar, and before the singing of the National Anthem a wreath was placed upon the memorial by Mrs. Martin. "Eternal rest grant unto them, O Lord, and let light perpetual shine upon them."

It is with great regret that I have to announce that Mr. A. E. Linfoot, our organist and choirmaster for so long, has felt obliged to resign his post. He has deserved well at our hands and has done much to help us through difficult times and to lay the foundations of a good and efficient choir. It is my wish that he should know how much his work has been valued and I am sincerely sorry that he cannot continue it. Whatever I have asked him to do Mr. Linfoot has done cheerfully and loyally, and it has been a pleasure to be associated with him in this important branch of Church life.

FREE-WILL OFFERINGS.

We acknowledge with thanks the following contributions from October 26 to November 23 (inclusive):—

PAROCHIAL NOTES.

Our two-days' Bazaar effort towards the £1,400 appeal produced a splendid result. There were good attendances at each opening of the Bazaar. Mr. W. A. Milner presided each day, supported by the Vicar and members of the Building Committee. Her Grace the Duchess of Devonshire and Mrs. Rotheram-Cecil made graceful references about the beauty of our new Church, gave words of encouragement to the workers, and wished every success to the Bazaar effort. Hearty votes of thanks were given to them for their kindly interest in our Totley Church work. A similar tribute was given to our Chairman. The sum taken on the first day was £151, and on the second day, including a cheque from Mrs. Rotheram-Cecil for £31 10s., was £210 5s. Total, £361 5s. In addition there is over £30, sent in response to our appeal, also several garments since sold, bringing the total sum to over £400. From this there are various expenses to be deducted. A summary balance-sheet will be given in next month's Magazine. At the close of the Bazaar the Vicar thanked all the workers for what they had done to make the effort such a great success. The singing of the National Anthem brought the proceedings to an end.

Gifts for our New Church.—Hymn Board, Mr. and Mrs. T. Pearson; Alms Box, Mr. and Mrs. T. Crookes; Book Rest for Pulpit, Miss Hodkin; Bible for Pulpit and Organ Mirror, Mr. and Mrs. Rodgers. The gifts are much appreciated by the Committee.

New Church Fund.—We gratefully acknowledge the following sums: Sir William Ellis, £5 5s.; Mr. Longley's Lecture, £2 3s. 3d.; total collections from the Consecration Services, £42 4s. 7½d.; from Sale of Flowers, £1; Mrs. Haynes, £1 1s.; Mrs. T. Pearson (sale of goods), 13s.

Tuesday, December 9.—A lecture on "The Making of an English Cathedral" will be given in Totley School by Joseph Batey, Esq., Sheffield. The lecture will be illustrated by lantern slides. We hope to have the room crowded. Kindly note, this is not a lecture for little children but for grown-ups. Time, 7.45. Collection for the New Church Fund.

Totley School was crowded to hear Mr. Longley give his lecture, "An Evening with 'Punch.'" At the close Mr. Longley was given a hearty vote of thanks for his interesting lecture, and also for his generosity in defraying all expenses connected with the same.

Totley District Hospital Committee.—The "1d. in the £1" scheme. At a meeting held on October 30, the following officials were elected: President, Mrs. W. A. Milner; Chairman, Rev. R. J. Hutton, M.A.; Vice-Chairman, Rev. J. Wesley Green; Treasurer, Mr. Colin Thompson; Secretary, Mr. T. Crookes, Green Oak, Totley. Arrangements are being made for canvassing the whole district for contributors to the scheme.

Congregational and Sunday School Christmas Socials.—Particulars of these will be made known nearer the time.

Photographs taken at the Consecration Service.—Orders for these may be given to Mr. A. J. Foulstone, price 2s. 9d. each.

By the death of Mrs. Hannah Unwin, Totley loses one of its well known and oldest inhabitants. For many years Mrs. Unwin suffered much pain, which she bore with patience, cheerfulness, and Christian fortitude. She passed away to the "Life Beyond" on Sunday, November 16, and truly it can be said of her, "Her end was peace," for she died as she had lived, trusting in her Saviour, Jesus Christ.

It is proposed to have for our Parish an "invalid's chair." We should be very glad to hear from anyone who would either kindly give one, or help to buy one.

Our Magazine has now completed its third annual circulation. We thank our subscribers for their interest and support. In December, 1923, we had 180 subscribers, now we have 218. Can we increase this to 250? Will you help us by making it known amongst your neighbours and friends.
