VICAR'S LETTER.

MY DEAR FRIENDS,—

A Happy New Year to all our readers.

During the past month we have witnessed the first Confirmation in our Parish Church. The Lord Bishop of Derby conducted the service and laid his hands upon thirty-one candidates. It is my earnest hope that each of these will become a regular communicant, and by his life and example inspire others to come forward and claim the full privileges of the children of God.

There must have been many present at the Service who have not yet been confirmed, and I hope they will think seriously about this matter and offer themselves when the next opportunity occurs.

At the Morning Service on the same day our new Processional Cross, a very handsome gift generously presented by Mr. and Mrs. Crowther, was dedicated and used for the first time. The carrying of the cross in procession is meant to suggest the thought that a Christian's life is not to stand still, but to be ever going forward along the road to God, following in the steps of Christ crucified.

You will notice that I have not included in the Calendar any weekday celebrations of Holy Communion except on Holy Days. This is to give you the opportunity of suggesting days when you would like the Services to be held.

If any member of the congregation wishes to keep his birthday, or any other such anniversary, or to give thanks for mercies received, there is no better way of doing so than by beginning the day with God in this holy Service. I want you to tell me on what days and at what times these Services would be helpful to you. A birthday, a wedding day, or the anniversary of the death of any member of a family ought to be a holy day for that family—I am suggesting that you should make it so by holding a family gathering in your Father's House. In times of trouble, sorrow or sickness, at the beginning of any new undertaking or new chapter of your life, before a journey, or on a safe return, such a Service would be full of meaning and would help to bring God into everyday events in a wonderful way.

Please think over this suggestion and then act upon it.

May I remind all parishioners (baptized and 18 years of age and members of the Church of England) that in order to have a vote in the election of the new Church Council on January 28, they must be on the Electoral Roll. To effect this they must have signed the declaration form fourteen days before the election. Nobody can say that he has no voice in Church affairs, and if any one complains that his views are never brought forward, or that he is not represented on the Council, the remedy is in his own hands. Mr. Foulstone has a supply of forms and will gladly enrol new voters.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

PAROCHIAL NOTES.

The Appeal and Bazaar Effort in November.—We are pleased to say that the net result amounted to the magnificent sum of £438. This success was accomplished by the splendid and valued help of the whole district, and the new Church Committee express their most sincere thanks to the many generous friends who came to the Bazaar, and to those who sent financial help in answer to the appeal. We are now under the £1,000 mark for our present needs.

Gifts for our New Church.—Mr. Lemont, safe; Mr. Gilbert Hutton, £5 5s.; Miss Yates, £5; Mr. and Mrs. Walter, £5 (including gift already acknowledged); Mr. C. C. Baggaley, £1; "E. T.," 3s. (5th donation); Mrs. E. A. Booth (from sale of goods), £1 7s. 6d. The gifts are much appreciated by the Committee.

We are also greatly indebted to Mr. W. A. Milner for all he is doing to beautify the approach to the Church and in various parts around the Church; also to Mr. B. B. Booth for the gift of two laurel bushes.

It is proposed to hold in Totley School, sometime in March, a Village Market and Sale of Work. We shall be extremely thankful if our many friends will kindly remember the effort, and find for us during their spring cleaning some useful and ornamental articles for the Market.

A number of our young people are busy practising for a Concert, to be given on behalf of our New Church Fund. They hope to be ready early in February.

The Annual Parochial Church Meeting will be held in Totley School on Tuesday, January 27, commencing at 8 o'clock. Business: To receive the annual Report of the Council's proceedings, the financial statement for the year, the election of members to serve on the Council, and any other statutory business.

Arrangements are being made to hold a course of evening Ambulance Classes for women in Totley, beginning early in the New Year. Dr. Mary Andrews has kindly promised to give the lectures. The fee will be 2s. 6d. Will those who wish to take the training kindly give in their names at the Totley or Totley Rise Post Offices?

Many of our readers will remember the very serious motor-car accident which befell Mr. Joseph Thomas, one of our most respected parishioners, on July 10. For quite a long time his life was in danger, but happily, under God's blessing, together with splendid attention and treatment at the Sheffield Royal Infirmary, he has made wonderful progress towards recovery. Mr. Thomas and his wife now desire to publicly give their heart-felt thanks to the many friends who have been so wonderfully kind to them in so many ways during the long, anxious time they have passed through.

We were sorry that the attendance at Mr. Batey's lecture was not much larger, because of the masterly way the subject was treated. It was not only interesting but instructive, showing the development of Gothic Architecture in our English Cathedrals. Mr. Batey was accorded a hearty vote of thanks, a similar tribute being given to Mr. Longley for his kind services as lanternist.

VICAR'S LETTER.

MY DEAR FRIENDS,—

The first paragraph in my letter must refer to a change in the editorship of the Magazine. Mr. Foulstone, whose spare time is fully occupied in other departments of parochial activity has asked to be relieved of his share in this work, and therefore I must ask your indulgence for any shortcomings and omissions which may occur under the new arrangement. We are all deeply indebted to Mr. Foulstone for the efficient way in which the Magazine has been edited and circulated in the past, and I hope he will still continue to contribute a paragraph from time to time.

I shall be glad to receive and publish short items of news, announcements, or other contributions of parochial interest from any member of the parish, such matter to be sent in by the 15th of each month.

It is with great pleasure that I announce that Mr. H. Giddings has definitely accepted the position of organist and choirmaster, and I hope that all members of the choir will give him every possible support and encouragement in his work.

I shall be grateful if subscribers to the Free-will Offering Scheme will let me know when they have come to the end of their envelopes—in order that more may be supplied them.

Your faithful Friend and Servant,

R. J. HUTTON.

FREE-WILL OFFERINGS.

We acknowledge with thanks the following contributions from December 21 to 28:—

No. 1, 2s.; 2, 1s.; 6, 7s.; 15, 6d.; 20, 2s. 6d.; 30, 2s. Total, 15s.

Also from January 4 to 11, 1925:—

No. 1, 2s.; 2, 1s.; 16, 1s.; 26, 1s.; 36, £2 10s.; 37, £2 10s. Total, £5 5s.

The Free-will Offering Scheme, which has now been in operation since August, has already raised about £35. This may be considered fairly satisfactory as a beginning, but only as a beginning. But I am hoping for better things this year and in fact look forward to the day when the F.W.O. Scheme takes the place of all money-raising efforts such as Bazaars, Entertainments, etc. In a parish like ours the annual sum raised by this scheme ought to be at least £150, and easily could reach this if only every Churchman in the parish would take it up.

What is required is for every one to have a packet of envelopes and to use them on any Sunday when prevented from giving in church. You are asked to put in exactly what you would have put in the collection if you had been there. If you go to church every Sunday, of course you would not use your envelopes at all, but there are very few who never miss a Sunday or two each year and they should remember that the church has to be warmed and lighted, and the same expense goes on whether they happen to be present or not.

For those who can afford to do so the envelopes may be used to give a regular subscription yearly, quarterly, monthly, or weekly in addition to the usual collections. May I suggest that every member of this parish should, during the coming Lent, face the question, "What proportion of my income do I devote to the service of God?"

ACKNOWLEDGMENTS.

We acknowledge with many thanks the following contributions to the Building Fund: From Miss Belk (sale of goods), £3; Mr. Lewis (for flowers), £1; Miss Betty Hardie, £1 1s.

PAROCHIAL NOTES.

The Sunday School Social on Monday, December 29, passed off very well. After a substantial tea, teachers and scholars spent a very pleasant evening in parlour games and other amusements.

The Annual Social held on Tuesday, December 30, was a very enjoyable function. About sixty persons had tea, seventy-six played whist, and a good number afterwards enjoyed the dance. Messrs. B. B. Booth and C. Swift carried out their duties as M.C.'s in a very efficient way. The efforts of the jazz band received special thanks for their valuable services. Miss Swift was the accompanist. At 12 o'clock the whole gathering formed a circle, joined hands, and sang "Auld Lang Syne."

Balance Sheet for the Sunday School and Congregational Christmas Socials: Receipts, £11 6s. 9d.; Expenses, £8 15s. 7d. Balance, £2 11s. 2d. This has been placed to the Magazine Fund.

The Sunday School Prize Distribution took place at the Children's Service on Sunday afternoon, January 4, when over fifty scholars were presented with prizes (many of them Prayer and Hymn Books) for regular attendance and good conduct. The distribution was made by the Vicar, and he specially asked those who had received Prayer and Hymn Books not to put them away out of sight but to use them and bring them to church regularly.

Sunday School Scholars' Sea-side Trip.—Last summer a number of scholars, parents, and friends were disappointed because they did not go to the sea-side for their trip, and the wish was expressed by many that early in the New Year the opportunity would be given for the children to begin saving up money to go to the sea-side. Will those who would like to do this give in their names to Mr. Foulstone, Superintendent of the Sunday School. The amount necessary is approximately 7s. 6d. for children and 15s. for those over 14 years of age.

Totley Men's Recreation Society.—The Annual Meeting will be held in Mr. Evans' meeting room on Friday, February 6, time 8 o'clock. Business: To receive the Secretary's and Treasurer's reports, the election of officers and committee for the ensuing year, etc. A cordial invitation to attend is given to the men of Totley.

Totley Cricket and Football Club.—The Annual Social and Prize Distribution recently took place in Totley School. Over eighty persons were present, including players, friends, and subscribers. Mr. A. Moorhouse, presided. Musical items were rendered by several friends, and a very enjoyable evening was spent. The opportunity was taken during the evening of presenting Mr. Arthur Ward, late Secretary of the Club, on the occasion of his marriage, with a large oval mirror. Mr. Foulstone, in making the presentation, eulogized Mr. Ward's enthusiastic work for the Club, and on behalf of the subscribers wished him and his wife every blessing and happiness in their married life. Mr. Ward expressed his many thanks to the friends who had subscribed to the present, and said that what he had done for the Club had been a pleasure.

Much sympathy is extended to the relatives of John Smith and Thomas Wint, whose recent deaths have made a distinct loss in the ranks of the young men of Totley. John Smith lost his life in a most tragic manner whilst following his daily employment, and "Tommy Wint," as he was popularly called, after a long, serious illness. Both of them were greatly respected and will be sadly missed by a large circle of friends.

Special Notice.—A Village Market and Sale of Work will be held, sometime in March, in Totley School. Proceeds for the New Church Fund. An appeal will shortly be made for all kinds of jumble things, also useful and suitable articles for the market, when we hope for a good response.

As on two previous occasions, several members of our Church went out on New Year's Eve carol singing. Their efforts realized £4 5s., which, by consent of the whole party, was divided into two parts, viz., £2 10s. for Mr. Thomas, who has been off work for many months, and £1 15s. for the New Church Fund.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Now that Lent is with us, perhaps a few suggestions about keeping it will be welcome. Lent is a time of self-discipline which the Christian soldier undergoes voluntarily in order to make himself more efficient to serve his King. The same rules cannot apply to everyone alike, but the principle is the same for all, and it is this—Prayer, fasting, almsgiving.

I would suggest that everyone should add something to his daily prayers—learn it by heart and say it daily—even if it be no more than the Ash Wednesday collect, also that more time than usual should be given to our preparation for Communion, and particularly to the difficult task of self-examination. In the days when it was compulsory for every churchman to make his confession to his parish priest it was impossible for him to shirk thinking seriously about his sins. In these days when the practice is optional, and so few avail themselves of the help which it undoubtedly gives, there is a grave danger that our sins are never confessed at all to our Father in Heaven. And a sin unconfessed is a sin unforgiven.

Secondly, some form of bodily discipline should be chosen. It may be the curtailment of some of our usual amusements, or abstinence from some luxury which we shall really miss. And thirdly, whatever money is saved by cutting down our pleasures should be devoted to the service of God. As far as possible there will be no concerts or other entertainments to help the Building Fund during Lent, but there is no reason why that Fund should suffer if each of us puts by conscientiously exactly what his tickets would have cost if such entertainments had been provided.

If any member of the parish wishes to borrow books for serious study during Lent, I will gladly lend anything from my small library which may be of service to him. May this season help us all to make our religion a more real thing, and to be more profitable servants of Christ.

Your faithful Friend and Servant,
 R. JERMYN HUTTON.

VICAR'S LETTER.

MY DEAR FRIENDS,—

My first duty in this letter is to wish you all a Happy Easter and then to remind you of the solemn obligation which attaches to every churchman at that season. Our Prayer Book says, "Every parishioner shall communicate at the least three times in the year, of which Easter to be one." Those who through sickness are unable to make their communion in church either on Easter Day or during Easter week are invited to send me their names so that arrangements may be made for them to receive the Sacrament at home.

Last Easter the total number of communicants in this parish was seventy-two. There must be many others who have been confirmed and who have neglected this duty and privilege perhaps for years. The first Easter in our new church presents an excellent opportunity of beginning afresh and I hope that many will use it.

With regard to the Three Hours Service on Good Friday, it is not expected that the whole congregation will necessarily be present during the whole period, and those who can only come for a part of the service will be equally welcome.

It would be a help if these would arrange to enter or leave during the singing of a hymn.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Now that the first Lent and Easter in the history of our new Church are over may I express the hope that this period has been a real step forward in the life of our parish. In particular I am very grateful to all the members of the choir who have so loyally and efficiently given their services not only on Sundays but each Wednesday evening during Lent and so given an example and a lead to others in making that season a real thing. Their rendering of the services on Easter Day was an inspiration to every one.

The number of communicants on that day was 134—this shows a decided increase from last year, and I sincerely hope that this is the beginning of a more regular attendance at the Lord's own Service on the part of many.

May I also thank every one concerned for the very generous Easter Offering which you have so kindly given to me.

Your faithful Friend and Servant,

R. JERMYN HUTTON.

PAROCHIAL NOTES.

A Suggestion.—There is an urgent need for a number of new books for choir use, chiefly Psalters and Hymn Books (with music). If any members of the congregation would care to help in this matter by giving single copies of either of these, our treasurer (Mr. Newbould) will gladly supply particulars and prices. There is also a shortage of prayer and hymn books for the use of the congregation.

Ascension Day.—Permission has been obtained from the Derbyshire Education Committee for the Day School Children to be invited to attend a service in Church at 8.55 a.m. on Ascension Day (May 21). We hope that parents will come too, if they can.

Easter Decorations.—We offer our thanks to Mr. and Mrs. Milner for their kindness in lending plants and providing flowers for Church decoration on Easter Day, and also to all those ladies and gentlemen who have supplied flowers for the altar and arranged them so gracefully at other times.

The Sale of Work, Village Market and Jumble Sale, held in Totley School on Saturday, March 28, was a great success, the gross takings being nearly £39. The expenses are very small. Our best thanks are given to the generous friends who sent various goods to the market, and to all who patronized this effort on behalf of the Church Building Fund.

New Church Fund.—Although we have not yet received from the architects a statement of the exact amount still owing on the building and equipment of our Church we know that there are several hundred pounds needed for this purpose. The Church Council are considering ways and means of raising this money and hope to arrange for another outdoor fete this summer.

Sunday School Seaside Trip.—We remind our readers that a number of scholars and adults are paying weekly toward their expenses. The trip will probably be to Blackpool at the end of July. Those interested should send their names to Mr. Foulstone.

Whitsuntide Arrangements.—A children's service will be held in Church at 3 and special hymns will be sung. Old scholars, parents and friends are cordially invited. Collection for the School Fund.

On Monday, children's tea in school, followed by games, etc., as in past years—parents and friends being asked to help.

ITEMS OF LOCAL INTEREST.

The election of Parish Councillors for Totley took place on Monday, April 6. This was the first election by ballot in the history of Totley and 302 recorded their votes. (This represents about 60 per cent. of the qualified electors.) The following were elected:—Colin Thompson, Totley Rise; Joshua Tyzack, Beauchief; James Gledhill, Totley Rise; Charles E. Swift, Heatherfield; Albert Ernest Longley, New Totley; Isaiah Salt, Lane Head.

Norton Rural District Council:—For the Parish of Totley, William Aldam Milner, J.P., D.L., was returned unopposed.

VICAR'S LETTER.

MY DEAR FRIENDS,—

The subject of my letter to you this month is a difficult one to approach, and I hope that all who read it will do so with forbearance. We have taken an important step towards restoring the Holy Eucharist to its rightful place as the chief act of Christian worship by having a choral celebration at least once in each month; but there are signs that the true purpose of this service is widely misunderstood. It is emphatically not a good sign to find a larger number of people making their Communion at this service than at the 8 o'clock celebration. It is certainly not intended to encourage the practice of non-fasting reception of the Sacrament.

Our own Archdeacon, at his visitation a few days ago, was very emphatic about this. He reminded us that the ancient rule of the Church, which required all Communicants to receive fasting, is still in force and has never been altered. It has been widely broken and disregarded certainly, but it is still the rule, and the only exceptions to it are those who through old age and infirmity are unable to keep it. The Archdeacon advised all clergy to insist, as the Prayer Book authorizes them to do, upon all who wish for any reason to communicate at this later service sending in their names at least the day before. I should be glad if at least those who intend to do so regularly would first talk the matter over with me. The Sung Eucharist is intended for worship, for the showing of the Lord's death and the pleading of His sacrifice, and every man, woman, and child (confirmed or not) should try to be present. But the proper time for receiving the Sacrament is at the earlier service and I do earnestly ask you all to make this your regular practice. There cannot be many, especially among the younger people of the parish, who are unable to do this at least once a month if they really wish to do so.

Your faithful friend and servant,

R. JERMYN HUTTON.

We offer our best thanks for the following: Mrs. M. Blake (for choir books), £5 5s.; Anon. (for ditto), £1; Mrs. Newbould (Sale of Jumble goods), £1 7s. 4d.

PAROCHIAL NOTES.

Books for Choir.—In response to our appeal for Psalters and Hymn Books, a generous offer has already been received which will provide about half the books required. Mr. Newbould will be glad to hear from other friends who are willing to give one or more copies.

Vestry Meeting.—The Annual Vestry Meeting was held on Tuesday, April 21, when the Vicar thanked all those who have been associated with him in the work of the parish during the past year. He regretted that Mr. W. A. Milner was unwilling to accept office for a second year and nominated as Vicar's Warden, Mr. C. E. Swift. Mr. B. Newbould was re-elected People's Warden, and the existing sidesmen were re-elected with the addition of Mr. J. Green, Mr. E. A. Rodgers.

Concert for Church Building Fund.—An excellent entertainment was given in School on Saturday, April 25, by the "Brighter (K)Nights" Concert Party. We are extremely grateful to all who took part in it for their kindness in coming and for their enjoyable programme; also to Mr. and Mrs. Walter for their generosity in providing the refreshments and arranging this successful visit. The proceeds amounted to £5 15s.

Concert at Holmesfield.—A successful concert and dance in aid of our Building Fund was arranged and given by the Parish of Holmesfield in their own school on May 16. We are extremely grateful to Rev. C. Bradshaw for his generous act and the kind thought that prompted it—also to Mr. Harrison and all who worked so hard to make the evening such a success. Further details will be given next month.

Whitsuntide Arrangements.—Special hymns will be sung at the Scholars' service on Whitsunday at 3 o'clock, and the address will be given by Mr. Foulstone. We invite all past scholars, parents and friends. Collection for the Sunday School Treat. On Monday, scholars and teachers meet at the School at 2.45 and proceed to the Hall and various points in the village, where their hymns will be sung. Tea in School at 4. Games, etc., in the evening in a field kindly lent by Mr. Colin Thompson.

Sea-side Trip.—The date of the Sunday School outing to Blackpool has been fixed provisionally for Saturday, July 18.

Village Sports.—This event will be held on Saturday, July 25, and will probably be combined with an effort on behalf of the local branch of the Sheffield Joint Hospitals scheme.

We record our indebtedness to Rev. G. W. Hall (Vicar of Norton) and Rev. E. H. Ward (Warden of Stephenson Hall and Chaplain to the Bishop of Sheffield), for their kindness in coming to Totley to preach on April 26 and May 17 respectively

VICAR'S LETTER.

MY DEAR FRIENDS,—

Before this letter is printed I hope to have found an opportunity of acquainting you with a step which is being taken to foster a real interest in the work of the Church overseas. With the full approval of the churchwardens and Mr. Foulstone I have written to the incumbent of a Canadian parish with a view to establishing a "link" between his parish and our own. His Church, like ours, is dedicated to All Saints' which at once suggests a bond of sympathy. We shall exchange Parish magazines and correspond regularly, and on one day each month both churches will remember and pray for each other at a celebration of Holy Communion. I hope in time that individual members of the congregation may find themselves in correspondence with some of their fellow Churchmen in their sister parish and that this step may lead to a keenness in missionary work and help us to a bigger vision of God's great family. There is nothing more dangerous to Church life than to become self-centred—to give, to work and to pray for ourselves only. A "link" such as this should go far to save us from these dangers, and to bring home to all of us the duty and privilege of working for the spread of the Church throughout the world.

May I say how sorry I was to be unable to take the morning services on Ascension Day—especially after fixing the first of them at such an early hour! I was extremely grateful to Mr. Foulstone for the splendid way in which he took my place at the children's service at a moment's notice.

Your faithful friend and servant,

R. JERMYN HUTTON.

P.S.—With reference to my remarks last month about the rule of fasting communion, I should like to add that of course there are legitimate exceptions. There are some who really cannot keep this rule, e.g., the aged, the infirm, and in some cases those who live at a great distance from the church or whose employment makes it impossible for them to communicate at an early hour. I must leave it to the individual to decide whether his own case is or is not exceptional.

Concert at Holmesfield.—The Concert and Dance at Holmesfield on May 16, in aid of our Church Building Fund, realized £3 18s. 9d. This is a very welcome help and the kindly feeling on the part of our Holmesfield friends is very deeply appreciated.

Summer Effort.—It has been decided not to hold the usual Summer Fair on August Bank Holiday this year, but we shall invite our friends to support one or two smaller efforts for the Building Fund and hope that these will be successful in reducing the debt.

Pulpit Desk.—We refer above to the gift to the church presented by Miss Hodkin. It is interesting to note that this useful and ornamental addition is the handiwork of Mr. B. Newbould.

Choir Festival.—The Choir Festival will be held on Sunday, July 12, and the preacher at Evensong will be Rev. W. R. Hewson (Rector of Eckington).

Whitsuntide.—We have every reason to be thankful for the good weather which favoured our Whitsuntide festivities, and also to thank Mr. Foulstone and the other teachers and helpers for their hard work and Mr. Thompson for so kindly lending us his field.

VICAR'S LETTER.

MY DEAR FRIENDS,—

This month I am able to tell you something about our sister parish of All Saints', Watrous, Saskatchewan. The Vicar, Rev. B. J. Pasterfield, has written to me expressing his pleasure at the link which now connects his parish with ours. He tells me that he took charge last October, and found considerable difficulties from the first. To begin with, he found the Church in need of repair, both inside and outside, and a debt of 600 dollars to face. He tells me that his house could only be made reasonably warm last winter by boarding off the whole of the upstairs portion. His work has been uphill, for his congregation have been scattered owing to several recent changes of incumbent and it is his work to collect them once more. The town of Watrous is on the Canadian National Main Line between Winnipeg and Saskatchewan. It is the entrance town to a lake (3 miles away) whose waters are similar to those of Carlsbad, so that there are many visitors in July and August. This fact is unsettling to parish life because it draws away many people from the parish to the lake during those months. He has under his care another town (Young) 18 miles N.W., and two smaller towns 8 and 12 miles away, in which he hopes to get congregations together some day. From these particulars I think we shall find plenty of subjects for intercession on behalf of our fellow Christians abroad. I ask you all to pray for them and to try to appreciate the difficulties under which Church work is carried on.

Your faithful friend and servant,

R. JERMYN HUTTON.

PAROCHIAL NOTES.

We acknowledge with thanks the following contributions from June 14 to July 12: No. 1, 5s.; 2, 2s. 6d.; 4, £5; 5, £5; 16, 1s.; 25, 5s. Total, £10 13s. 6d.

N.B.—The Vicar will be glad to supply new envelopes to those contributors who require them, and also to hear from any who would like to join the scheme.

A Generous Offer.—We have received an offer of 10s. from a friend who wishes to be anonymous, toward the purchase of a barrow for use in the Churchyard. We are very grateful to him for his kindness and hope that other friends will help. Mr. Newbould will be glad to receive any sums for this purpose.

The Churchyard.—An excellent beginning has been made by members of the Church Council in tidying the approach to the Church. Already a great improvement is visible.

First Wedding in Tolley Church.—A large congregation assembled to witness the wedding of Mr. A. Kirby and Miss C. M. Parkinson. To mark this occasion the bride and bridegroom were presented with Prayer and Hymn Books, kindly given by a member of the congregation to convey the good wishes of the parish.

It is particularly requested that at all weddings in future, no confetti be thrown inside the Churchyard gates, and also that no carriages or motors enter the Churchyard. It is also suggested that the congregation should in future remain in their places until the bridal party have left the Vestry and passed down the Church.

Whist Drive for Building Fund.—A successful Whist Drive was held on Thursday, June 25, in the garden of The Grange, by the kind permission of Mrs. Earnshaw. The prizes were presented by Mrs. Terry. We offer our best thanks to all who helped with the arrangements and contributed towards the success of this effort.

The late Mr. T. Machin.—We offer our deepest sympathy to the widow and relatives of Mr. Tom Machin, who died after a very short illness. It will be remembered that he was for some time a member of our Choir in the days of the Mission.

Eternal rest grant him, O Lord, and may light perpetual shine upon him.

Choir Festival.—On Sunday, July 12, the members of the Choir met at 8 a.m. for their corporate Communion; special music was rendered at all the services and the preacher at Evensong was Rev. W. R. Hewson, Rector of Eckington. We are very grateful to our Choir for the splendid work they are doing, and to Mr. H. Giddings for the endless trouble that he takes with our services.

On Saturday, July 11, the adult members of the Choir, the Servers, and the Organ-blowers were entertained at the Newlands, Ridgeway, by the kind invitation of Mr. and Mrs. J. J. Hutton.

VICAR'S LETTER.

MY DEAR FRIENDS,—

It is just over a year since we adopted the Freewill Offering scheme in our parish. There are about forty subscribers on the roll up to date, and I take this opportunity of thanking them for their generosity and help in launching the scheme. But this number is not by any means satisfactory. The scheme cannot be considered a real success until every member of the parish is enrolled. When this can be brought about we shall be in a position to pay our own way, and also to begin to put on one side something for Christian work outside our own parish as well. I shall be glad to give printed forms to any who wish to join, and also to supply envelopes to subscribers who have used those already supplied to them.

I believe that there are several people in the parish who are anxious to be confirmed this year. Of course there will be no confirmation in our own church so soon, but if they will give me their names as soon as possible, I will arrange for classes during the autumn and their confirmation can take place at one of the other churches in the neighbourhood.

Your faithful friend and servant,

R. JERMYN HUTTON.

P.S.—I should be ungrateful if I omitted to express my personal thanks to our friend Mr. Bloor, for his great kindness in acting as Deputy-organist for three Sundays in August. I am only sorry that, owing to holidays, he had not the advantage of a full choir on those occasions.

PAROCHIAL NOTES.

Harvest Festival.—The Harvest Thanksgiving services will be held on October 11 (Sun.) and continued on October 12. The preacher on the Monday evening will be Rev. V. H. Haddelsey, Vicar of Wilne.

S. Michael's Day (29th).—It is specially requested that those who can should try to be present at the 7.30 a.m. service. Intercession will be offered on behalf of the Society of the Sacred Mission, Kelham, and the collection devoted to the work of that Society. It should be remembered that the S.S.M. is doing a splendid work in training men for the ministry at home and abroad, and in most cases these are men who could not otherwise be trained at all. I shall be pleased to receive contributions from any who cannot attend the service.

Visitors' Book.—A book has been placed in the Church porch for the names of visitors. Already several pages have been filled.

An Acknowledgment.—The generous friend who so kindly gave us 10s. towards a wheelbarrow for churchyard use has now given a further 10s. towards the purchase of a mowing-machine. Mr. Newbould will be glad to receive any contributions from members of the parish to supplement these kind donations.

Missionary Work.—It has been decided to devote the collections at the 8 o'clock services (Holy Communion) to the work of our sister parish of All Saints', Watrons, Canada, until further notice. Also, on the fourth Sunday in each month special intercessions for this object will be offered at this service.

Seaside Trip.—The Sunday School excursion took place on Saturday, July 18, the place selected being Blackpool. It was the first seaside outing since 1913, and the change from country to sea was very much appreciated, especially by those who had never seen the sea. The children had an excellent tea provided for them. Everybody spent a most enjoyable day, and it was a tired but happy party that arrived back at Dore station in the early hours of Sunday morning.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Now that the holiday season is over we must begin to think seriously of our winter's work for the Building Fund. In the first place, I hope all members of the parish will try to be present and bring friends to the services on October 11 and 12 (our Harvest Thanksgiving), and also to make a special effort on All Saints' Day (November 1). This latter being our first patronal festival may I suggest that every one should make a special offering through the collections in thanksgiving to God for blessings vouchsafed to them in our first year of parochial life. Is it too much to hope that our existing debt should be paid within a year of the consecration of the Church?

Secondly, I would remind you that to complete what has been begun, such items as electric light and organ blower, and also permanent choir stalls, are needed. I should like to think that these too might be provided and paid for by All Saints' Day, 1926.

To turn to lighter matters—it has been decided to hold the first of a series of dances in school on Wednesday, September 30, at 7.30. Admission will be 1s. 3d., and will include light refreshments. If this first experiment proves successful the dances will be continued during the winter months. We are counting upon the young people to see that the room is full. Another dance (for the same object) has been arranged by Miss Tym and Miss Wilde on October 7, to be held in Totley Brook Hall (admission 2s. 6d.). As numbers must necessarily be limited, all who wish for a jolly evening on that date are advised to obtain tickets from either of these ladies at once. The celebrated "Night Howlers' Band" will be in attendance (but don't let that deter you, they don't mean any harm).

We are very grateful to those who have so kindly helped to improve the approach to the Church during the past month.

Your faithful friend and servant,

R. J. HUTTON.

PAROCHIAL NOTES.

Harvest Festival.—The Harvest Thanksgiving services will be held on October 11 (Sunday) and continued on October 12. The preacher at evensong on Monday will be Rev. V. H. Haddelsey (Vicar of Wilne). Gifts of flowers, fruit and vegetables will be welcome, and should be sent to Church on Saturday.

Our Sister Parish.—Two photographs, of interest to all who wish to know more about Church work abroad, have been placed in the Church porch. One of them shows us the Church of All Saints', Watrons, and a small corner of the adjoining vicarage. It will be noticed that both are built of wood. The second photo shows us Rev. B. J. Pastorfield and his family, for whose work we ask your prayers. In a recent letter from him he asks us to pray for the return of those who have left the Church during the difficult and unsettled years before he began his work there. Under his care is a large area containing several towns. He is assisted by a deacon (formerly an Inspector in the N.W. mounted police) who is preparing for the priesthood: our prayers are asked for him, too. They too have a debt of £100 for repair and restoration, which we hope to help them to meet by our offertories at 8 a.m. services.

Congratulations.—We are very pleased to learn that four young members of our parish have done exceedingly well in the recent examinations in connection with the University. Miss Ida Creswick, Miss May Ibbotson, and Miss Minnie Wilde have matriculated, and Miss Phyllis Crookes has obtained the school leaving Certificate. All were formerly scholars at Totley C.E. school, and their present success is extremely gratifying to those who had charge of their earlier studies. We are pleased to hear also that Rex Harwood Green was awarded a county Minor Scholarship from Totley School, tenable at Dronfield Grammar School. He proceeds there with the best wishes of teachers and scholars.—J.W.

Mr. Foulstone.—We regret to announce the resignation of our old friend and leader Mr. A. J. Foulstone from the positions of Lay Reader and Secretary of the P.C.C. He has worked so long and so hard among us in these capacities that we all owe him a deep debt of gratitude. We venture to hope that his help and enthusiasm will still be with us for many years.

New Secretary of Church Council.—We congratulate Mr. L. K. Huntley upon his election as Secretary of the Council. It is a difficult and responsible office, and he will want our wholehearted support in his work. He has already shown himself to be a keen and enterprising worker and we ask God's blessing upon his new undertaking.

VICAR'S LETTER.

MY DEAR FRIENDS,—

May I draw your attention to the notice of the services on All Saints' Day. It is fortunate that our Patronal Festival falls on a Sunday this year, and I hope all our people will make a special effort to be present. We have much to thank God for as we look back on the past twelve months. This first year has been an inspiring beginning, and we are looking forward to further progress in the coming year. We hope to be able to complete the furnishing of the Church and to be out of debt. That is one side of our work, but we must not forget that our Church exists simply to be the centre of spiritual life and power in this village—the home of a spiritual family. S. Paul says: "To be spiritually minded is life and peace." Let us set out upon our new year with this aim; to become more "spiritually minded" ourselves and to bring others to find their true happiness in God's service. A missionary from Africa tells the story of a native Christian who said he had written a new hymn. He asked the missionary what he thought of it. "This is the first line," he said: "'Go on, go on, go on, go on; go on, go on, go on,' the second line is like unto it, and all the other lines and all the other verses are just the same." The missionary told him it was the best hymn he had ever heard. That African Christian had got hold of the right idea, the right spirit; he had learnt that his religion was a movement something living and growing, something that has never finished growing and moving on.

That, I think, is just the spirit in which we of All Saints', Totley, should face the future—thankfully, hopefully, prayerfully, and boldly. Thank God and take courage.

Your faithful friend and servant,

R. JERMYN HUTTON.

PAROCHIAL NOTES.

Choir Boys' Outing.—On Saturday, October 19, the choristers and probationers went to Matlock by char-a-banc. In spite of almost incessant rain their spirits were not damped, and all managed to have a good time.

Dances in Aid of the Building Fund.—Two successful dances have been held, the first in Totley School on September 30, the second in Totley Brook Hall on October 7. We take this opportunity of thanking all those who organized and helped with these efforts. The second of the dances was entirely arranged by two ladies, Miss C. Tym and Miss N. Wilde, who are to be heartily congratulated upon a splendid success. The entire expenses were defrayed by generous friends, and the proceeds amounted to £8 15s. 6d. The dance on September 30 realized £2 1s. We hope that our young people will continue to support these efforts.

Another dance in the School will be held on November 5, and probably a further venture by the two ladies mentioned above towards the end of the month.

Harvest Festival.—Our Harvest Festival (the first in the new church) was held on Sunday and Monday, October 11 and 12. Our best thanks are due to all who so kindly sent plants, flowers, and produce, and also to all who helped with the decoration under the able supervision of Mr. Lewis. We thank also the organist and choir for their good work, and Rev. V. H. Haddelsey for coming over to preach on Monday evening. The collections amounted to £10 7s. 1d.

Guild of the Servants of the Sanctuary.—On Monday, October 5, the Sheffield chapter of the guild held their Guild office in Totley Church, and one of our servers, Mr. L. K. Huntley, was admitted a member. The service was conducted by Rev. N. F. Partridge, of S. Oswald's, Millhouses.

Cross-Word Puzzle.—A cross-word puzzle will shortly be on sale in aid of the Building Fund. Copies of the puzzle will be sold at 6d. each, and it is hoped that everybody will buy one. The closing date is December 31, and the prizes are of the value of 10s. and 5s. It will be a great help if a few friends will volunteer to sell copies of the puzzle and to advertize it as widely as possible. The success of this venture depends upon the circulation of a large number of puzzles outside the parish as well as among our own people.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Our first Patronal Festival was duly observed and honoured on All Saints' Day, the services were fairly well attended, but the number of communicants at 7 and 8 o'clock was very disappointing. We are all grateful to the special preachers, Rev. E. H. Ward and Rev. Canon Day for their inspiring sermons.

I am now able to give a preliminary notice of an event of very great importance to all members of our parish. It is proposed to hold a "Teaching Mission" from March 14 to 21, the object of which is (in the words of a leaflet sent me by the Diocesan Missioner) "to quicken the devotion and zeal of the regular congregation, to arouse the careless and indifferent, and to bring back all who have fallen away for some reason or other, from churchgoing and Communion. Its usual length is eight days, and these days are devoted to special teaching and instruction on the Fundamental Doctrines of the Faith and Simple Religious duties of the Christian's Life."

I hope to let you know further particulars soon and also to announce the name of the Missioner, but in the meantime it is hoped that everyone will remember to pray for the blessing of God upon this Mission, and prepare themselves to help in any way that presents itself as the time draws near.

Your faithful friend and servant,

R. J. HUTTON.

PAROCHIAL NOTES.

An acknowledgment and an Appeal.—Now that the electric lighting of the Church is in sight the further question of electric blowing for the organ has presented itself. Our organist, Mr. H. Giddings, has made it clear that it is a physical impossibility for any man to supply by hand sufficient power to enable the best results to be obtained from our organ. But he has gone further than this: he has offered to lend for two years without interest the sum of £50 on condition that another £25 is lent by other members of the parish on the same terms. This is a most generous offer and should be very gratefully received by all. Will some other friends please help and so enable the work to be put in hand at once. Gifts or loans for this purpose should be sent to Mr. Newbould.

Dances in the Totley School.—The proceeds of the dances held on October 20 and November 5 amounted to £4 and £4 13s. 6d. We thank all who helped and all who provided refreshments and paid expenses. We hope to arrange a Fancy Dress Dance early in the New Year.

Christmas Socials.—The dates of the Annual Socials have not been definitely fixed and will be announced later.

Armistice Day.—We offer our thanks to Mrs. Moody for so kindly providing Flanders Poppies for decoration of the Church on Remembrance Sunday—Armistice Day.

Crossword Puzzle.—Those who have not yet entered for the competition may obtain copies of the Puzzle at 6d. each from the Magazine Distributors and others. We hope everybody will buy a puzzle and help the Building Fund.

Electoral Roll.—Members of the parish are reminded that in order to vote in the Parochial Church Meeting which will be held in January it is necessary to fill up a form of qualification 28 days before the meeting. These forms may be obtained from the Secretary of the Council. This notice applies only to those who are not already on the electoral Roll.

Totley Men's Recreation Society.—It is proposed to form a library for the use of members. A sum of £5 from the funds has been allocated as a first instalment towards the purchase of books, and it is intended shortly to have a concert for the same object. The committee feel that there are a large number of people who have suitable books in their possession which they have finished with, and they would appreciate very much a gift or gifts of books written by such well known authors as Mark Twain, Dickens, Scott, Thackeray, Lamb, Ainsworth, Lytton, Conan Doyle, Hall Caine, Stevenson, H. G. Wells, Kingsley, Reade, Jerome, etc., etc. Mr. A. J. Foulstone (chairman) will be glad to hear from any one who can give help in this desirable effort. The committee are hoping their scheme is the forerunner of a public free library for Totley.
