VICAR'S LETTER.

MY DEAR FRIENDS,—

My letter must be very short, little more than an introduction to the important message from the Diocesan missioner which is printed below. Please read his words carefully and enter upon the new year with one fixed determination—namely, that this Mission SHALL be for you and this parish the biggest step forward in the knowledge and service of God that you have ever known. The success of it depends more upon each of us than upon the Missioner; it is an event which cannot be lightly regarded by any one who has a real desire to see "the Kingdom of God come with power." I ask you all to keep the whole week (March 14–21) free from evening engagements—to attend the whole course of Instruction and to throw yourselves heart and soul into the work of preparation. Do your bit and do your best, and God will see to the result.

Your faithful friend and servant,

R. JERMYN HUTTON.

MISSIONER'S LETTER.

DEAR PEOPLE OF TOTLEY,—

Your Vicar has asked me to come to you, to preach what is called a "Teaching Mission" from March 14–21, 1926, and I most gladly consent.

The object of such a Mission is to set before you quite clearly and plainly all the teaching of our Lord as it is taught by His Church. You have heard it all before, of course, but it is a very great help to hear it all connectedly. In the Mission we shall start at the beginning on the first night and then go on each night from the point reached the night before. By the end of the week we have been able to see how it all fits together and how it applies to our lives.

To make such a Mission successful two things are chiefly needed. First—Prayer. I want to ask you all to pray daily from now forward that God will bless this Mission and put His Power and Inspiration into it so that we may learn from Him.

Secondly—I want to ask if you will resolve to come every night of the Mission. It may seem a strange thing to come to Church every night for a week—but it will be worth it. I am sure I can promise you that. For all of us have much to learn and the more we know the more there is to be learnt.

Pray for me too, please, that God will use me on your behalf.

Yours in His service,

A. R. BROWNE-WILKINSON.

As a beginning I am writing to the Missioner promising to put myself absolutely in his hands to do exactly what he asks under his leadership. May I count on you to do the same, in the same spirit of loyalty. Think of his coming as that of "a man sent from God," and you will not miss your blessing.

R. J. H.

IN MEMORIAM.

"In sure and certain hope of the Resurrection to eternal life" we commend into the Hands of God the soul of Edwyn our well-loved Bishop.
"In that place of light where sorrow and sighing are for ever banished, give him rest, O Lord, Thou Lover of the souls of men."

FREE-WILL OFFERINGS.

We acknowledge with thanks the following contributions from November 22 to December 13: No. 1, 4s.; 2, 2s.; 3, 5s.; 16, 1s.; 25, 2s. Total, 14s.

GIFTS AND DONATIONS.

We are very grateful for the following welcome gifts to the Organ Fund: Mr. W. Wells, £1, and a member of the choir, £5.

PAROCHIAL NOTES.

Division of the Diocese.—We have sent the sum of £10 to the fund for dividing the diocese, and it is hoped to send a further sum in the near future.

Parish of All Saints, Watrous, Canada.—I have had a very refreshing letter from Rev. B. J. Pasterfield, thanking our congregation for the sum of 30s. He says, "Already we are able to see the effect of your prayers. The congregation is improving and it is wonderful how fortunate our women's organization has been." He tells me how thankful they are to have raised enough money to save their parish room from being sold for taxes. I think we little realize our own privileges until we realize the difficulties of church life in distant parts of the world.

Dances in aid of Building Fund.—The dance arranged by Miss Tym and Miss Wilde in Totley Brook Hall on November 25 was a marked success, the proceeds amounting to £10 5s. In offering our best thanks to these two ladies for their splendid effort, we include also Mr. Tym and Mr. Wilde for their generous help in defraying expenses and also all others who gave their services. Another dance will be held in Totley School on January 14, fancy dress (optional) and small prizes for best lady's and gentleman's costume. Admission 1s. 6d.

Crossword Puzzle Competition.—The result of this will be published next month, as the closing date is December 31.

Annual Vestry and Parochial Church Meeting.—This year these two events will be held together. In electing our council let it be remembered that in the long run the best Churchmen will make the best councillors, and that a council composed of regular communicants, men and women of prayer, is a spiritual force which can and must make for a spiritually-minded parish. The date of the meeting will be announced shortly.

Thought for the New Year.—The responsibility for empty churches rests mainly with those whose seats are empty.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Before Lent begins it is a good thing to have a clear idea in our minds of the way in which we are going to use it. Our first thought will of course be of the Mission, and I hope every one will do everything possible to keep free the evenings of the week March 14–21. I propose also to hold special services on Wednesdays in Lent at 7.45 as was done last year.

Of course all entertainments, dances, etc. will be discontinued during Lent, but that is no reason why the funds of the Church should suffer. The best and most Christian way of giving is to give without looking for anything in return, and therefore Lent will present a special opportunity in this direction. We want to see all our existing debts (particularly that upon the organ) completely wiped out in order that we may concentrate upon a new effort for the choir stalls and the beginning of a vicarage scheme. In view of this let me put before you a thoroughly workable proposal and beg you all to respond to it.

I have secured promises from certain members of the parish that they will give as a Lent offering a sum not less than *an average day's income*, but this is offered only on condition that at least forty people promise to do the same.

I hope that many of you will take up this challenge and send me your names as soon as possible. I will then let them know when I have received the 40th promise. No money should be sent in until the number is attained. Apart from the value of the money itself it should be a happy thought for Christian people that on one day they are doing a whole day's work not for themselves but for God—it is a way of hallowing our ordinary work and helping us to do it for the glory of God.

Think it over and send in *your* name.

If you ask "What shall I get out of it?" the answer is that you will get the surprise of your life—you will find that our Lord spoke the literal truth when He said "It is more blessed to give than to receive."

Your faithful friend and servant,

R. JERMYN HUTTON.

PAROCHIAL NOTES.

Christmas Socials.—The annual Sunday School social was held on Tuesday, December 29. The children enjoyed various games, a short concert (mainly provided by themselves), a conjuring performance kindly given by Mr. Vickers, and a Christmas Tree.

The Prize-giving took place shortly after tea.

The Parish Social took the form of a Whist Drive followed by a Dance, and was held on New Year's Eve. The New Year was ushered in by the singing of Auld Lang Syne. Net profit, £3 18s. 7½d.

Crossword Puzzle Competition.—The first prize has been awarded to Miss Ida Creswick, Moorwoods Farm, and the second to Mrs. E. J. Hibbard, Cotleigh, Hackenthorpe, Sheffield. The actual number of entries received before the closing date was 83. The winners' estimates were 89 and 90. (One competitor from Dover actually guessed the correct number, but unfortunately sent in an incorrect puzzle.) The proceeds amounted to £13 11s. 6d., but it is expected that there will be some small sums to add to this. Many thanks to all who helped to sell the puzzles.

Benefit Whist Drive.—Mrs. Marshall of Hall Lane asks us to thank all those friends who kindly helped and contributed towards the Whist Drive on November 23 in aid of Mr. J. Marshall, who has been seriously ill for some weeks. The proceeds were £16 12s. 6d.

Church Decorations.—We offer our best thanks to all those who during the past year have provided and arranged the flowers and plants in Church. Mrs. Hutton will be glad to hear of additional volunteers for this service during the present year.

Dances in Totley School.—A very successful Dance was held on Thursday, January 14. Many of the fancy costumes were very striking. In spite of the bad weather the attendance was very good. We take this opportunity of thanking all those who so kindly helped with the arrangements, and those who gave the refreshments and other gifts. By their kindness the expenses were reduced to a minimum. The proceeds were £5 10s.

Another Dance in School is arranged for Wednesday, January 27. Please note that admission is by ticket (1s. 3d., including refreshments).

Dance in Totley Brook Hall.—On Thursday, February 11, a Dance will be held in Totley Brook Hall, for which tickets can be purchased from Miss Tym or Miss Wilde, who have again undertaken the arrangement and whose previous efforts have been so successful.

Totley Men's Recreation Society.—The annual meeting will be held in Mr. Evans' meeting room, Totley, on Monday, February 8, time 8 p.m. Business : To receive the Secretary's and Treasurer's reports, the election of officers and committee for the ensuing year. A cordial invitation to attend is given to the men of Totley. The Club Room is open each evening (except Sunday) from 7 to 10.30. Chess, draughts, dominoes, whist and billiards are played. Annual subscription 4s. 4d., or 1s. 1d. per quarter. There is also in connection with the Society a book-lending library. Books are lent out at a fee of 1d. each for seven days. The scheme not only provides a good book for the member, but the whole family circle belonging to the member benefits. Distributing night, every Thursday 8.30 to 9. Librarian, Mr. A. J. Foulstone. Men of Totley, join the Society and help to increase its usefulness. The Committee heartily thank the good friends who have sent numerous books for library purposes, and would welcome further gifts of good readable books.

VICAR'S LETTER.

MY DEAR FRIENDS,—

The event of outstanding importance to all of you this month is the MISSION, which begins on Sunday, March 14, and will be continued daily to the following Sunday. Whatever else you do or leave undone, COME TO THE MISSION.

Come on Sunday, March 14, and come every evening during the week or as many times as you can. A Mission is an event which cannot occur very frequently, an opportunity which comes your way perhaps not more than once or twice in a lifetime—often it is the turning point of a life, a time when new faith and clear vision come to those who have lost their faith or have become dull and lethargic in their religion: a time when old things are seen in a new light, and when those who have grown cold and indifferent can regain their old keenness and freshness.

"Jesus of Nazareth passeth by," perhaps He has "somewhat to say unto thee."

COME TO THE MISSION.

Your faithful friend and servant,

R. JERMYN HUTTON.

It is hoped to arrange some short afternoon services on two or three week days for those who have time to come.

Dances for Church Funds.—A dance was held in Totley School on January 27, the proceeds of which were £1 4s.

Another dance arranged by Miss Tym and Miss Wilde was held in Totley Brook Hall on February 11, and was very well attended and thoroughly enjoyed by all. Once more we offer our best thanks to these two ladies and to all who helped them in their successful undertaking.

VICAR'S LETTER.

MY DEAR FRIENDS,—

I write this letter during the Mission week, although, of course, you will not read it until some days after that week is over. It is my earnest hope that all of us will have received a fresh impetus in our religious life and will have seen a new and clearer vision of God. It remains now to keep alive and growing that new vision, to put into practice and to make habits of the lessons which we have learnt. Above all we must not allow ourselves to go back to where we were before. There is no doubt that if our eyes are more wide open—our knowledge of spiritual facts greater, then God looks for and expects more from us. Every Mission is a “call to something higher”—a definite step forward. But it is only a beginning, and we must all aim at and pray for lasting results. Let us think of our parish as one which has received a Mission, accepted its message, and is now getting to work in living out the Mission. So on Easter Day when we think of the Risen Christ, let us think too of ourselves as risen with Him, starting a new day with Him—a day which is to be a better, richer and happier day than the days which are past.

Is it too much to hope that every communicant in the parish will make his communion this Easter? If there are any who through sickness cannot do so, please let me know, and I will make special arrangements for them. With all good wishes,

Your faithful Friend and Servant,

R. JERMYN HUTTON.

THE CONFIRMATION.

Your prayers are asked for six members of our parish who are preparing to receive the Gift of the Holy Ghost in Confirmation. They will be presented to the Bishop on S. Mark's Day, April 25, at Dore Church (3 p.m.).

CONSECRATION OF THE BISHOP OF SOUTHWELL.

On Lady Day (March 25) we shall remember in our prayers, and especially at the Altar, the Rev. B. O. F. Heywood, who is to be consecrated Bishop of Southwell.

AFTER THE MISSION.

The Teaching Mission is over and already far enough behind for the first impulse of its power to have worn off a little. You will remember our Lord's parable of the man into whom seven devils entered after one had been cast out, so that “the last state of that man was worse than the first”; so it always is.

To have received a spiritual lift up is a grave danger unless we take immediate steps to prevent a reaction afterwards. And so the important thing is to lay hold of

some duty we saw clearly in the Mission and to fulfil it doggedly, even though we may have lost our first enthusiasm.

We cannot kindle when we will
The fires that in the heart reside,
The Spirit bloweth and is still
In wilderness our souls abide
*But tasks in hours of insight willed
May be in days of dark fulfilled.*

And so that Resolution of yours about charity and refusal to quarrel with others or to speak unkindly of another's religious convictions however much you disagree—that promise to God about regular Prayer and frequent Communion—that resolve to be a real Churchman, because being "in Christ" involves being in His Church, and to share the work of the Body of Christ, or the firm intention to fight your besetting sin—all this, if you will have grit to cling to it, will make the Mission not just a passing and even harmful thing in your life, but an abiding blessing to you and to all round you.

Yours in Our Lord's Service,
A. R. BROWNE-WILKINSON.

DONATION.

We are very grateful to Mrs. Milner for the gift of £4 to the Organ Fund.

PAROCHIAL NOTES.

Lent Offering Scheme.—At the time of writing the number of offers to give not less than one day's income as a Lent Offering has reached 13. We therefore need 27 more promises before the scheme can be set in operation, for all these promises are conditional upon reaching the total of 40. If the necessary number is reached the whole sum will be used to wipe out our debt on the organ and set us free to begin other necessary work.

The Organ.—On March 14 the electric organ blower was in use for the first time. Let us not forget the voluntary work done during the past 17 months by those good friends who so willingly gave their time and effort. It is the readiness to do such work as this that counts for so much in the Christian life.

The late Mr. James Marshall.—We offer our deep sympathy to the widow and family of Mr. Marshall in their bereavement. His was a long and distressing illness, but it was borne with courage and patience. As a near neighbour of the Church it was right and fitting that the first part of the burial service should be held in All Saints' Church.

Dance at Totley Brook Hall.—The proceeds of the dance referred to in our last Magazine were £6 5s.

Shrove Tuesday Social.—The Whist Drive and Dance on Shrove Tuesday was well attended and realized the sum of £3 13s. 9d. Our best thanks are due to all who helped both by their services and their gifts.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Please allow me to begin by thanking you all for your generous offering on Easter Day, which I very deeply appreciate, especially at a time when so many are giving so regularly and so unselfishly for our Church funds.

It is encouraging to note that the number of communicants this Easter was 147—an increase of 15. I still feel sure that there must be some who have been confirmed but who have never yet made their communion since the church was built, and I do hope that all will make up their minds to use regularly the opportunities and privileges which are theirs to claim. One of the results of the Mission should undoubtedly be the steady growth and building up of our communicant life—it is one of the surest indications of a live parish.

May I ask you all to remember in your prayers the difficult days through which our country is passing, that God will put “a right spirit” in those who are engaged in industrial disputes. Let us try to view these questions not as politicians or partisans but as Christians who seek only what is right and just in the sight of God. Then only can “He guide our feet into the way of peace.”

Your faithful Friend and Servant,

R. J. HUTTON.

A MESSAGE FROM OUR SISTER PARISH.

A am glad to include the following extracts from a long letter from Rev. B. J. Pastorfield (Watrous, Canada) dated March 3.

“We have been praying for your Mission and will do so all through Lent, and I trust that it may bring forth fruit. We have much to thank you for. Two weeks ago I was able to send for a much-needed Font which will be the only piece of furniture in the Church—plain but good—given by one of the ladies whose husband died last year. Just before Lent we were able to get the interior re-decorated . . . and perhaps before long we will be able to get the pews re-varnished. I am glad that you have suggested the lay-link . . . one of my keen workers will be very pleased to write to one of your workers.”

(Since writing this Mr. Pastorfield will have received £2 from Totley for his general funds. He has sent me the name of a lady worker which I will pass on to the first applicant who would like to write to a fellow-worker abroad.—R.J.H.).

Holy Baptism.—April 3. Dorothy Edith Chester.

The Secretary for our district is Mr. T. Crookes, Green Oak, and he is always ready to hear of new contributing members for the Penny in the Pound scheme which is doing such fine work.

Vicarage Fund.—It will be noticed above, under the heading “Gifts and Donations,” that a generous friend has contributed the first pound to a fund for building a permanent vicarage. At the moment no parochial effort can be made in this direction, but it is satisfactory to be able to announce that the fund is in being.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Our Church is now free from debt, and thanks to the great generosity of our friends the organ is also paid for, and we are able to look ahead towards the next step.

The Church Council has resolved that we should concentrate now upon a fund to provide a permanent Vicarage and also to complete the choir stalls. The forthcoming Sale of Work (in the autumn) will therefore have these objects in view, and it is hoped that every one will do what they can to help.

A meeting of workers has already been held and the general plan has been decided upon, but of course it will be necessary for many others to give their services if a well-stocked bazaar is to be achieved in so short a time. No doubt many of you will be asked by the stall-holders to make something for one or other of the stalls, but in any case do not wait to be asked. Please help by making up your mind what you can do and setting to work at once.

We are all deeply concerned about the serious illness of Mr. Newbould, whose absence makes such a marked gap in our Church life. It will be the earnest prayer of all of us that he may soon be with us again and his family relieved from their great strain and anxiety. It has been a great help to him to know that his friends remember him in their prayers, and I know that you will all continue to do so both in Church and at home during this critical time.

Your faithful friend and servant,

R. J. HUTTON.

VICAR'S LETTER.

MY DEAR FRIENDS,—

I think a sufficient interval has now elapsed since the Mission for all of us to ask ourselves what definite progress has resulted from it. There are many, no doubt, who made resolutions known only to themselves and God, and who are quietly carrying them out; but there should also be some outward and visible sign that the spirit of the Mission has come to stay. I should like to put before you as a practical suggestion the forming of a guild of communicants, possibly not a large one, but composed of people keen enough to pledge themselves to accept a simple rule of life based upon the lessons and ideals which the Mission put before us.

I should suggest a rule on the following general lines :—

- (1) A definite promise about daily prayer.
- (2) A promise to communicate at least monthly and preferably together on a fixed day.
- (3) A promise to join the Free-will Offering scheme if not already enrolled, on the principle of giving regularly either in Church if present, or through the F.W.O. envelope if unable to be there.
- (4) A promise to pray for certain specified objects within and outside the parish, for which the united prayers of the guild are requested from time to time.

Our communicants are asked to think this matter over, so that some such plan may be possible in the near future.

* * * * *

May I remind the members of the Free-will Offering scheme that there are a number of subscriptions due—chiefly those of annual subscribers. I shall be glad to receive new names to add to the list, and also to supply envelopes to any who have exhausted their supply.

It is the opinion of a growing number of present day Churchpeople that we should aim at meeting all ordinary Church expenses by means of a F.W.O. scheme rather than rely upon Sunday collections for this purpose. In many parishes this is actually being done, but it is a change which can only come about when every Churchman does his share. In this parish we have some forty F.W.O. subscribers only—and it can only be when all members of the congregation give regularly through the scheme that anything like a fixed income can be assured.

What we give to Church expenses is, after all, the payment for value received—heat, light, comfort, etc. In any case it can hardly be called a gift to God, for it is all spent on ourselves. Obviously, it would be better to pay it as a due, as regularly as we pay the rent and the gas bill at home, and use the collections in Church as a means of giving to God by supporting missions, hospitals, charities,

and other organizations. This, of course, is looking a long way ahead, but I put it before you as a more satisfactory arrangement than the one to which we have grown accustomed.

Let us once get the Free-will Offering scheme working in such a way as to include everybody, then this ideal can become a fact.

Your faithful friend and servant,

R. J. HUTTON.

VICAR'S LETTER.

MY DEAR FRIENDS,—

I am glad to publish in this number contributions by certain members of our congregation, and hope that this will come to be the rule rather than the exception. I should like you all to understand that I always welcome paragraphs or short articles of Church and village interest, though of course must exclude anything of a political nature. It must be borne in mind that the Magazine goes to press on or about the 15th of each month.

The Choir Festival will be held this year on September 19, and the collections on that day will go to pay for the Choir Boys' outing. The preacher in the evening will be the Archdeacon of Sheffield.

The Harvest Thanksgiving will be held on October 24 and 25. The preacher on Monday will be Rev. R. Jones, Vicar of Ridgeway.

We have been able to send the sum of £2 to our sister parish in Canada, and I hope to be able to publish some message from the Vicar next month.

Your faithful friend and servant,

R. J. HUTTON.

CHOIR BOYS' ANNUAL OUTING.

Our boys had a deservedly happy day for their annual excursion on Saturday, July 17, when they journeyed by char-a-banc to Lincoln via Ollerton, Cuckney,

and Newark. A more charming route could not have been chosen, nor could the weather conditions have been more ideal. The ancient city was reached in good time to view the Cathedral, to scale the dizzy height of the great Central Tower, to see the wondrous beauty of the Angel Choir, the Chapter house, and Cloisters; and to learn something of the history of the sacred building and its architectural glories. None the less interesting was a short visit paid to the Castle, with its picturesque tower and keep. The greatest treat of all, however, was that of being able to hear the rendering of Evensong. To many this was the first occasion the boys had ever had of hearing a Cathedral service, and the exquisite beauty of the singing and the perfect phrasing of the psalms, will not readily be forgotten. Such a service should prove an inspiration to make our own as near perfection as possible, and thus (who knows?) be the means of bringing people nearer to God.

The return journey, following a delightful and refreshing tea, was equally enjoyable, the party being joined by a few adult members of the Church who had made the outward journey by train. P. G.

BAZAAR SAVINGS BANK.

In connection with the coming Bazaar and Sale of Work, to be held in the autumn, a Savings Bank has been arranged which any one can join, the money to be spent at the various stalls. Quite a number have already given in their names, and any amount can be deposited with the Secretary, Mrs. Coleman, of Heatherfield, who will be pleased to enrol any new depositors. L. B.

PAROCHIAL NOTES.

S. Michael's Day.—The Society of the Sacred Mission, Kelham, which keeps its festival on Michaelmas Day (September 29), has asked for our prayers. We shall, therefore, make special mention of the Society at the Holy Communion (7.30 a.m.), and I shall be glad to receive and forward any contributions to their Ordination Candidates' Fund.

Dances for Church Funds.—The proceeds of the Dance on July 8 were £3 15s., which goes to establish the fund for the permanent Vicarage. Another Dance will be held on Wednesday, September 22, in Green Oak Hall, for the same purpose. Tickets (including refreshments) 2s. 6d. each, can be obtained from the usual distributors or from the Vicar. We are issuing 120 tickets, and this time are hoping that a special effort will be made to dispose of all of them.

Arts and Crafts Stall.—We are asked to announce that orders are now being taken for hand-tooled leather goods by the members of the above-named stall. Please apply to Mrs. E. A. Booth, Heatherfield, who will be glad to show samples of work in stock and to take orders for special requirements.

Lamps for Sale.—The paraffin lamps previously used in Church are for sale, several having been already disposed of. Prices for circular burners, 10s.; bracket lamps, 5s. Please apply to Mr. L. K. Huntley.

Mr. H. Singleton.—We offer our best thanks to Mr. Singleton for his kindness in acting as deputy Organist during the absence on holiday of Mr. H. Giddings.

British Red Cross Society.—Arrangements are being made for a course of seven lectures on matters of health, specially for the women in Totley and district. The lectures will be given in the Autumn. Further particulars nearer the time.

VICAR'S LETTER.

MY DEAR FRIENDS,—

The time has come to say something more on the subject of a Communicants' Guild to which I referred in a recent number. I now invite all confirmed members of the parish who are really in earnest about their spiritual life to give in their names if they are willing to assist in forming a guild. Then when a reasonable number of names have been sent in I shall call a meeting of all of them, and at that meeting the whole matter will be explained and discussed, and those who are willing will form themselves into a fellowship, draw up a rule of life and appoint any necessary officers. I am particularly anxious that our younger communicants should be the backbone of the guild. If you are not sure whether you wish to join or not, send in your name and come to the meeting, and then when you have heard all about it you will be better able to make up your mind. It is such an easy thing to have a religion which is just one of the many interests of our lives, to look upon our Church as a place where we can spend an hour on Sunday evenings, and to be content to stand still instead of "daily increasing" in God's "Holy Spirit more and more" as the years go by.

If the business man took his business no more seriously than most of us take our religion he would soon be out of business, if the artist or the workman took as little trouble to know his job as most churchmen take to know the real meaning of being a Christian they would soon be out of work, and the main purpose of this guild is to band together those who are really prepared to take trouble both to know the Lord's will and to do it. There is a passage in the Bible which speaks of the wicked doing "evil with both hands earnestly."

Jesus Christ wants disciples who are ready to do good with both hands instead of the kind of people who dabble in it with one hand, which is exactly what so many are really doing.

Your faithful friend and servant,

R. J. HUTTON.

OUR SISTER PARISH.

On Tuesday, September 14th, we had the pleasure of a visit from Mrs. Pasterfield, who is on holiday from Canada. She was taken round the Church and was very pleased with everything. Her name will be seen in the Visitors' Book. She was able to give us a great deal of information about the life and work on the Prairie and to show us some interesting photos. If there is any lady who would care to correspond with a friend at Watrous I have the address of one who will be glad to do so.

Sale of Work.—The dates fixed for this effort are Friday and Saturday, November 12 and 13, and the place, Greenoak Hall. We hope to announce the names of openers in next month's Magazine, and appeal to all friends to help us with this sale of work and to make it as great a success as past efforts have been.

In connection with the work of individual stalls, several successful whist drives and a dance have been held recently. We congratulate and thank those who have carried out these enterprises, namely, Mrs. C. Thompson and Mrs. Rodgers, Miss Giddings and the Misses Wilde.

Harvest Thanksgiving.—This event is fixed for Sunday and Monday, October 24 and 25, and the preacher for Monday is to be Rev. R. Jones, Vicar of Ridgeway. We ask for the usual gifts of fruit, vegetables and flowers, etc., and also for the services of those who help with the decorations.

Rev. E. C. Vincent.—We offer our thanks to our Rural Dean for so kindly coming over to preach on Sunday, August 29.

Prayer Manuals.—The Vicar can supply to any who require it the little book, "The Christian's Handy Prayer Manual," which was so warmly recommended by our Missioner. Price, 1s. 3d.

A Generous Offer.—A member of our congregation has kindly offered £1 towards the hire of the Hall for the Bazaar. We tender him our best thanks and suggest that there may be others who would like to help in the same way.

The Committee would be grateful for gifts of good novels. At the present time there are over 300 books in the library.

For the coming season friendly matches will be played with the view of building up teams for "league football" next year. More members may be enrolled. Fees, boys up to 18 years, 2s.; men, 2s. 6d. Secretary, Mr. W. Fox, West View, Totley. Ground, Totley Bents.

VICAR'S LETTER.

MY DEAR FRIENDS,—

I hardly need remind you of the approach of our Patronal Festival on November 1 and the following Sunday. In spite of the fact that All Saints Day falls on a Monday I hope that there will be a good number who will try to be present at the services of that day and especially at Holy Communion at 7 a.m. Those who cannot come are asked to be present in the Spirit and to pray for God's blessing upon their parish during the coming year. The Festival will be continued on the following Sunday and we hope to see a full church at all services.

Let us not forget our friends in our Sister Parish who will be observing their Festival too, and no doubt remembering us in their prayers.

On Armistice Day (November 11), a short service will be held at 11 a.m., but the congregation are asked to be in their places a few minutes earlier so that there may be no interruption of the two minutes' silence. At the earnest request of our Bishop, Sunday, November 14, will be observed as "Bishopric Sunday" throughout the whole diocese, and our thoughts concentrated upon the urgent need for the completion of the scheme for dividing the diocese of Southwell.

During the following fortnight every parish and every churchman in the counties of Derby and Notts are asked to do their utmost to ensure that the necessary funds are forthcoming to complete the task. Advent Sunday is to be a day of Thanksgiving and it is earnestly hoped that on that day the objects of this Intensive Campaign will have been achieved.

Again we ask all our kind friends and well-wishers to support our Bazaar on November 12 and 13. Particulars will be placarded about the district. The opener on the first day will be the Marchioness of Hartington, and it is hoped that all who can will be there to welcome her and show their appreciation of her great kindness in coming. At the moment we cannot announce opener's name for the second day, but hope to make it known at an early date.

All our readers will regret to hear that two of our friends are leaving the parish. Mr. and Mrs. George Bloor, who have been closely associated with the church life of Totley for a long time and who have given such valuable services in so many ways, are about to take up new work in Scotland. While we congratulate Mr. Bloor on his appointment we should like him and Mrs. Bloor to know that we shall miss them badly both in church and in the social life of Totley. May God's blessing go with them and keep alive the many ties of friendship which have been formed here.

Your faithful friend and servant,

R. JERMYN HUTTON.

THE COMMUNICANTS' GUILD.

On Tuesday, November 23, a Service will be held in Church at 7.45 p.m., to which all those who are interested in forming a Communicants' Guild are invited. The service will be very short and will be followed by a meeting in the Church

Room where the scheme can be freely explained and discussed by intending members. A number of names have already been given, but it is hoped that others will be added before that date.

It should be made perfectly clear that the object of the Guild is to bring together a band of earnest people who are prepared to take real trouble to learn and to practice the religion which they profess so that they may be the means of helping others to a fuller and richer spiritual life.

We offer our best thanks to Mr. Cawton for his generous gift of £2 10s. to Church Funds.

PAROCHIAL NOTES.

Sale of Work.—Various efforts on behalf of the stalls at the forthcoming bazaar have been held recently and have been very successful. We offer our thanks to all concerned in the Whist Drive in Green Oak Hall and also to the Misses Wilde who have given another party in aid of the Flower Stall.

Vicarage Fund.—The proceeds of the Dance on September 22 amounted to £7 7s. 6d. We are very grateful to all helpers and to those who contributed towards refreshments.

Prayer Manuals.—The Vicar can supply to any who require it the little book "The Christian's Handy Book of Prayer" which our Missioner recommended so warmly. Price 1s. 3d.

Diocesan Rescue and Preventive Work.—In order that some part may be taken by our parish in this important branch of Christian work, a local secretary has been appointed to receive contributions from any who will help. Mrs. Rooke, "The Nookin," Heatherfield, will act in this capacity for the coming year, and it is hoped that she will receive the support that this work of mercy deserves.

ITEMS OF LOCAL INTEREST.

Totley Men's Recreation Society.—Library Section.—The Committee acknowledge with many thanks the gift by George Senior, Esq., Dore, of 140 bound volumes of *Punch*, commencing with volume one. They are a valuable addition to the library. Thanks are also due to several friends for gifts of books. There is every prospect of the library accomplishing a useful purpose in Totley. Distribution of books takes place at the Recreation Room on Saturday evenings, 6 to 7.

Totley Football Club.—The Whist Drive held on September 30 proved quite a success. The profit was £6. The Committee are endeavouring to raise £20 during the winter, and for this purpose a dance is being held in Green Oak Hall on Thursday, October 28, a popular concert on Thursday, November 25, and a Carnival Dance on Boxing Day, December 27. There is a football match every Saturday on the Recreation Ground at Totley Bents, and the committee invite Totley sportsmen to give their active interest and support at these matches. Come and encourage your own teams. Kick off 3 o'clock. A. J. F.

VICAR'S LETTER.

MY DEAR FRIENDS,—

May I first wish you all a very happy Christmas and invite you to be present at the services of that day.

Christmas is one of the Greater Festivals of the Church on which all communicants should make their communion. As a matter of fact, we say as much every time we use the word. "Christ-Mass"—the very name shows how inseparable are the ideas of the Festival of our Saviour's birth and the offering of the Christian sacrifice. So too the traditional feasting with which Christmas is associated in our minds speaks plainly of the Heavenly Banquet of His Body and Blood, and if this duty is neglected there is very little point in keeping the festival at all—it becomes an empty shell and nothing more.

It is right to rejoice and to make merry at this happy time—it is a thoroughly Christian custom to eat and enjoy our Christmas dinner with its turkey and goose and plum pudding and all the rest of it, but this is a very secondary part of the right observance of the day. The first and most important act of Christmas Day is and has always been that act of worship which Jesus Himself instituted for us and in which we may come and adore the Christ Child just as truly as did those Shepherds in that stable so many centuries ago. *After that* it is indeed meet and right to carry the spirit of rejoicing into our own homes, to feast and make merry, remembering "this thing that is come to pass."

* * * * *

The Sale of Work was a little disappointing in respect of the numbers who attended it, largely owing to the effects of the coal stoppage and partly also to the weather on the second day. In spite of this it is hoped that our treasurer will soon be able to declare a substantial total and that we shall not feel that we have been unsuccessful.

We owe our best thanks to Lady Hartington for her great kindness in coming to open the Bazaar and also to every one who has contributed in work and in money.

At the suggestion of some of the stall-holders a gift for our sister parish in Canada was made by each stall. The value of one article from each of the stalls was contributed, and the total (£1 3s. 3d.) will be forwarded in due course to Mr. Pasterfield.

Next month I hope to be able to publish particulars regarding the allocation of the Bazaar proceeds.

Your faithful Friend and Servant,

R. J. HUTTON.

FREE-WILL OFFERINGS (October 17—November 14).

We acknowledge with thanks the following:—No. 1, 5s.; 2, 2s. 6d.; 15, 6d.; 42, 5s.

DONATIONS.

We offer thanks to an anonymous friend for £1 to the Vicarage Fund, and to those who sent gifts in money to the Bazaar.

PAROCHIAL NOTES.

Arts and Crafts Stall.—Mrs. Booth, Heatherfield, has for disposal various examples of leather goods, etc., suitable for Christmas gifts, and will be glad to supply them to those who apply at her house. She has also a few photos of our Missioner. The proceeds of such sales will be added to the Bazaar total.

Vicarage Fund.—The sum of £4 7s. 6d. was realized by a dance in Green Oak Hall on October 20. We offer our thanks to all helpers and hope to announce the date of another dance shortly.

Our Sister Parish.—We have been able to send a contribution of £2 to All Saints', Watrous, during the past month, and hope to have a further sum for this purpose in January.

Presentation.—A gift of two photos of the Choir group was presented to Mr. Bloor by the members of the Choir on his departure for Scotland. We are glad to hear that Mrs. Bloor is rapidly regaining her health and strength. Copies of the photos may be obtained from Mr. P. Giddings.

ITEMS OF LOCAL INTEREST.

Many people in the district will be glad to hear that the Rev. W. R. Gibson, Vicar of Dore, has in the press a book covering the history of Dore and Totley. Those who have heard Mr. Gibson lecture on this subject can testify of the great and extensive knowledge he possesses for dealing with such a record. The book will be amply illustrated by old and new views. Mr. Gibson expects the publication being ready by March and the price will be 3s. 6d.

Totley Football Club.—The dance, in aid of the funds, which took place on October 28, was a success. The profit was £6 12s. 6d. For the same purpose a Carnival Dance will take place on Boxing Day, December 27. Time 8 p.m. to 2 a.m. Admission 1s. 6d.

Totley Sportsmen. Ambitious Scheme.—There is a growing feeling amongst the various sports sections that it would be to the advantage of all concerned to amalgamate, viz. the Cricket and Football Clubs, the Recreation Society, together with the Lending Library, and to have a suitable place as a common home. It is anticipated the cost will be about £500, and for the purpose of making an effort towards this it is proposed to have a Totley Sports Carnival during the summer of 1927, probably August Bank Holiday.
