VICAR'S LETTER.

MY DEAR FRIENDS,—

I write this letter at a time of great anxiety for all loyal subjects of our beloved King, and in the sincere hope that before it is printed we may have good grounds for looking forward to his complete recovery.

The Christmas Festival brings with it the spirit of goodwill and sympathy, and especially brings home to us the thought of those who need our help. There are many to whom Christmas this year must be a time of real want and distress, and whose outlook for the New Year is very anxious. We print in this number an appeal for practical help on behalf of the mining districts, in the hope that all who can will do something to relieve their brothers and sisters in their pressing need.

During the past month an event of great importance to all Churchpeople has taken place in the enthronement of Dr. Cosmo Gordon Lang as Archbishop of Canterbury and Primate of all England.

We think of how, on November 16, 597, the missionary S. Augustine was consecrated Archbishop of the English, and how from that day to this the chain has been continued unbroken, Dr. Lang being the 97th successor of that first Archbishop.

Let us not forget to pray for him, remembering the special difficulties which he will be called upon to meet, that he may be given grace, wisdom, and the spirit of true leadership.

A Happy New Year to all readers.

Your faithful friend and servant,

R. J. HUTTON.

Taylor, 49 runs. Mr. Williams' ambulance talk was much appreciated, and he has kindly promised to give further talks. Mr. Luther Smith's talk on "The Rise of Drama" was full of interesting information, and a request was made by the members for a talk on Modern Drama, which Mr. Smith has kindly promised to give. Will readers make a note of the following: New Year's Day, Annual Dance in Green Oak Hall. VICAR'S LETTER.

MY DEAR FRIENDS,—

You will see from the calendar above that there will be special weekday services on Wednesdays in Lent. These services have been fairly well attended in past years, and I hope you will all try to take advantage of them again. As usual, all entertainments, dances, etc., in connection with the church will be discontinued in order to mark the penitential character of the season, and I hope you will try to enter into the spirit of Lent and make full use of its spiritual opportunities. Lent should be for all Churchpeople a time of quiet thoughtfulness and renewal. We should take ourselves more firmly in hand, and learn something of the art of “doing without.” We should try to make more of our prayers, find more time for Bible study and devotional reading, and above all find time to think deeply and earnestly about those things that are so important but which it is so easy to forget in the hurry of a busy life.

I shall be glad to help you by lending suitable books or by advising you of books to buy.

Especially I recommend a series of little books by Father Vernon which are simple and to the point. Here are the title of some of them. (1) Happiness. (2) The Heart of Religion. (3) Self Expression. The last mentioned deals mainly with prayer, and is probably just what many of you are wanting. (Any of these will most likely be in stock at Messrs. Walker's, Division St., Sheffield. All are quite inexpensive.)

Another matter must now be mentioned. For a long time there have been a few members of Totley parish attached to the S. John's branch of the Mothers' Union. Arrangements have now been made to form our members into a subsection. They will still continue to meet together with the S. John's branch and will be part of it, but from now onwards this section will be a regular part of our own parish organization and new members are invited to join. The enrolling member for the branch is Mrs. Davenport (Dore), but names of intending new members may be given to Mrs. Crowther (New Totley), who will forward them.

Again I ask for your prayers on behalf of the parish of All Saints', Watrous, Canada. Another change has taken place there. The Vicar (Rev. R. C. Matthews) has written to say that he has been appointed Rector of Raymore, and that a new vicar (Mr. Hewitt) has come to Watrous. I am writing to the new vicar and hope to continue our connection with his parish as before.

I understand that the new chancel at Watrous is now paid for and that only a small debt on the vestry remains. You will see from the statement below (Vicar and Wardens' Fund) the sums contributed by Totley Church in 1928 to help our sister church.

Your faithful friend and servant,

R. J. HUTTON.

P.S.—It is pleasing to record that the number of communicants on Christmas Day was larger than in any previous year.

FREE-WILL OFFERINGS (DEC. 16-JAN. 13).

We acknowledge with thanks the following: No. 1, 5s.; 2, 2s. 6d.

PAROCHIAL NOTES.

Vicarage Fund.—We acknowledge with many thanks a gift of £3 3s. 3d. (to be added to All Saint's Day appeal) and also the sum of 2s. 1d. collected by "Midnight Marauder" and left at the vicarage in the small hours of New Year's day.

We also offer our thanks to Mrs. Tym and her helpers, also to donors of prizes at the whist drive on December 17, the proceeds of which were £3 10s.

A *Dance* will be held in Greenoak Hall on Thursday February 7. This will be the last dance until after Easter.

Cinema.—Owing to the poor attendance at the cinema on January 8 which resulted in a financial loss, there will be no more of these shows. The expenses are too great to be able to ensure a profit without increasing the price of admission.

Childrens' Treat.—This year the children's tea and prize-giving took place on Thursday, December 27, and included an entertainment by a conjurer and ventriloquist. It was surprising what a lot of funny things he found in Mr. Lewis' hat!

Our best thanks to the teachers for their kindness in entertaining the children.

Christmas Social.—A whist drive and dance were held on Friday, December 28. The attendance was rather disappointing. We offer our thanks to all helpers and prize-givers, and hope that next year some modification of the programme may attract a larger gathering.

Jumble Sale.—Please save up suitable articles for the Jumble Sale which is to be held in Lent. The date will be announced shortly.

Choir Boys' Football Club.—Two matches have been played between the boys of our Choir and a Choir of Christchurch, Dore. Both have been drawn.

A party of boys, under the leadership of Mr. Linfoot, sang carols on Christmas Eve with such success that sufficient funds were collected to provide the team with a football and other necessary equipment.

MY DEAR FRIENDS.—

I hope that the notice above will be carefully read by all of you, and that you will all do your best to help to make a success of the Jumble Sale.

The date, you will notice, is not in March as originally intended, but on April 20. Please make it known to your friends and, if possible, persuade them to send anything that will sell. We have not had a church Jumble Sale for several years, and it is hoped that there will be no shortage of goods.

Many of you will regret to hear that the Rev. E. C. Vincent has resigned the office of Rural Dean. I think we should all realize that we owe a good deal to him. It was through him that we were relieved, in our first year as a parish, from an unfair diocesan assessment in view of our heavy burden at that time, and he has always been consistently helpful and sympathetic towards us. He is succeeded by Rev. J. H. Brooksbank, vicar of Hathersage.

The wave of influenza appears to have been specially unkind to our most regular attenders, but fortunately seems now to be passing. Let us hope that the good weather will again bring our congregation to its normal size.

May I remind readers that the improved financial position of this Magazine in our recent balance sheet is due to their own generosity in subscribing a little more than the advertized price of three halfpence. Thank you very much and please don't forget to do it again if possible.

Your faithful friend and servant.

R. J. HUTTON.

VICAR'S LETTER.

MY DEAR FRIENDS,—

I am glad to be able to tell you a piece of welcome news; namely, that the Ecclesiastical Commissioners have again granted us the sum of £200 to meet a similar contribution from our funds towards the Vicarage. This means that we have now £800 in the Bank of England. It is my hope that each year we may be in a position to apply for a grant until this necessary job is complete, and so I venture to ask you to continue to give your generous support to all our Vicarage Fund efforts in view of the encouraging fact that we are about half-way there.

I was extremely sorry to have to cancel so many of the Holy Week Services. I am very grateful to Mr. Foulstone and to the Sheffield Cathedral clergy, who very kindly stepped in and kept things going.

It will interest some of you to know that a Cricket Club is being formed for the choir-boys of our Church. Through the kindness of Mr. Thompson a ground has been secured, and already I have received donations towards equipment which will cover half of the necessary cost. We are very grateful to those kind friends for their prompt help. I shall be glad to hear from any members of the congregation who are themselves cricketers and who would be willing to spend an occasional evening this summer in coaching our boys. We hope to get a team together and to arrange some matches, and it would be a great help to the boys to have some experienced friends who would volunteer to act as umpires on these occasions.

May I take this opportunity of thanking you all for your kindness in again giving me the Easter Offering.

Your faithful friend and servant,

R. J. HUTTON.

King's Messengers, S.P.G.—On Monday, April 8, the first four members of this missionary organization were formally admitted at a special service. We ask for your prayers for them and for this work.

A Lent Offering.—An anonymous donation has been received and forwarded to the Oxford Mission to Calcutta as a Lent offering and is duly acknowledged.

Church Expenses Appeal.—The number of promises received to date of those who are willing to pledge themselves to give regularly to the support of the Church is 28. I shall be glad to hear from others who will make a similar promise. No names are published and the weekly amount is only known to the subscriber himself. To those who wish I shall be glad to supply "Free-will Offering" envelopes for use on those Sundays when they are unable to come to Church.

Bishop's Visitation.—On Thursday, April 4, the Vicar and Churchwardens for 1928 and 1929 duly attended the Visitation at Chesterfield and heard the charge of the Bishop and an address by the Chancellor of the Diocese of Derby.

Ascension Day.—Please note that although the service at 8.55 a.m. is intended primarily for the Day School, others will be welcome, but are asked to sit in the north transept (behind the choir).

Sunday School.—An entertainment in aid of School funds was provided on Saturday, April 13, by members of the School, and arranged entirely by Miss Oakes. It was an excellent performance and it was a great pity that more people were not there to see it. Our congratulations and thanks to Miss Oakes for her enterprise and success.

VICAR'S LETTER.

MY DEAR FRIENDS,—

I must first express my thanks to all those of you who have so kindly responded to my appeal last month. You will be glad to know that the donations towards the Choir-boys Cricket Club amounted to £3 1s. 6d., in addition to the gift of a practice-ball which a good friend has provided. The Club is now fairly on its feet, and with the subscriptions of the boys themselves will be able to pay its way.

It must be made clear that the Club is for members of the choir only, and that one of the objects of it is to give some extra encouragement to our boys to be regular and keen in their work for the church; and therefore any boy who wishes to join the club must first gain admission to the choir and show himself a useful member of it.

The boys have elected Elijah Salt to be captain for the year, and he will be assisted by a committee of four in the selection of the team when matches are arranged.

Good luck to them for their first season!

* * * * *

The Jumble Sale was a great success and resulted in a profit of about £25. I hope the Church Council will consider making it an annual event. We are very grateful to all helpers and donors of goods; also to those who provided and arranged welcome refreshments for the stall-holders.

* * * * *

The Choir Festival will be on Sunday, June 16, and the special preacher at Evensong will be Rev. H. C. Foster (Vicar of S. Oswald's, Millhouses).

Your faithful friend and servant,

R. J. HUTTON.

PAROCHIAL NOTES.

Choir Practice.—Members of the Choir are asked to note that during the summer months the general practice will be held each Thursday at 8 p.m.

Dance in Green Oak Hall.—The proceeds of the Dance on April 18 were £3 7s. 6d. It is hoped to arrange a "Flannel" Dance during the summer.

King's Messengers, S.P.G.—The sum of 14s. has been sent by our new branch of K.M. to the Society as a contribution to the "House of Peace."

The Church Army.—We are grateful to the Rev. C. J. Cottle for coming again to preach on behalf of the Church Army. The collection in church was made up to £5 by a small addition from the Vicar and Wardens' Fund, and also seven names have been sent to C.A. Headquarters of people willing to be annual subscribers of 5s. each. If there are any others who would like to do this I will gladly forward their names to the Church Army.

Rev. C. J. Cottle.—Readers will be interested to know that Mr. Cottle has just completed the building of his church hall at Middleton; he and his congregation have literally built it with their own hands and it is now in actual use. I have given him a small donation, 10s., from the Vicar and Wardens' Fund to help to clear the last portion of the expense. I feel sure everyone will be glad to think we have had a hand in this splendid work.

Garden Competitions.—The Committee of the Totley and District Allotment, Horticultural and Fanciers' Society, are again giving prizes for the best allotment or cottage vegetable garden, Class I., and for the best flower garden, Class 2, in Totley Parish.

They hope that a keen interest will be taken in the two classes. Entries to D. Lewis, Totley. Closing date June 30.

VICAR'S LETTER.

MY DEAR FRIENDS,—

The date of the special thanksgiving for the King's recovery is not yet decided, but we have reason to hope and expect that it will not be long delayed. The Church Council has decided that an opportunity shall be given to our congregation to make a thankoffering through the collection at the 11 o'clock service and that it shall be sent to the Sheffield Joint Hospitals. It is hoped that every one will make a point of being present and giving generously and thankfully.

* * * * *

It is still early to begin to speak of the events of next year, but I think it is not too soon to mention that we are expecting the Bishop to hold a confirmation in Totley Church in 1930. There should be a large number of young people ready to offer themselves for confirmation, and I hope also to have a class for adults.

Please don't wait until the last minute before sending in your names, and remember, too, that even if you are not quite decided about it, you may still join the class without committing yourself to anything. I shall also welcome others who have been confirmed to these classes, so that they may revive the memory of their own confirmation and hear over again the instruction which they received at that time.

There is one aspect of confirmation of which I should like you to think. It is this:

God has chosen to redeem the world through His Church. He asks above all for consecrated lives, and your confirmation is your consecration, the free offering of yourself to be one of these consecrated lives, a member of the striking force of His Church. In this sacrament you offer yourself to God, and He equips you for useful service by the gift of His Holy Spirit, and you go forth armed with His supernatural strength to help Jesus to save the world. And I would have you ask yourself simply, "Do I care enough to want to be one of these?" If you do, I think God will show you that it is your duty to come.

Your faithful friend and servant,

R. J. HUTTON.

Sunday School.—We offer our best wishes to two of our teachers, and our sincere thanks for their excellent work for the school. Miss Oakes has accepted a post in Devonshire for the summer months, and Miss Coates has left us to take up nursing at the Memorial Hospital, Heanor. We wish them every success and happiness in their new work.

We have been fortunate in securing two new teachers to step into their places : Miss M. Boldock and Mrs. Gascoigne, and to them we extend a hearty welcome.

Visitors' Book.—I have been obliged to remove the visitors' book from the window in the Church porch, owing to the disreputable condition to which it has been reduced by certain people who cannot refrain from scribbling in it and tearing its pages.

Choir Festival.—The date of the Choir Festival has been changed to Sunday, June 30. The preacher in the evening will be Rev. H. C. Foster (S. Oswald's), and the collections will be given to Choir funds.

Hymn Books.—Several of the large hymn books used by the choir are more "Ancient" than "Modern," and when the whole choir is present there are not enough complete copies to go round. We should welcome the gift of one or two new copies (A. and M. with tunes).

VICAR'S LETTER.

MY DEAR FRIENDS,—

The holiday season has arrived and I hope that all of you who are fortunate enough to be able to go away will have a happy and enjoyable time. Which reminds me of the old story about the holiday-maker who was bidding farewell to the hotel proprietor at the end of a week at the seaside. The latter said: "I hope you have benefited by the rest and change"; and the visitor replied sadly, "I don't know about that—the waiter has got the change and you have got all the rest."

Perhaps, after all, the greatest benefit of a holiday is, that it helps us to appreciate our own homes and everyday surroundings all the more when we come back to them. For myself, I can say truthfully that on the rare occasions when I visit other churches, I am always more content to be the vicar of All Saints', Totley.

* * * * *

On Sunday, July 7, Services of Thanksgiving for the recovery of the King were held in all Churches. The Service in our own Church included as much as possible of the Service used at Westminster Abbey—we sang the same hymns and used the same special prayers, although we could not hope to equal Westminster in the size of the congregation. We had a very good attendance, and a Service which will, I think, be remembered for its atmosphere of sincere thankfulness.

It was very disappointing to read so soon that His Majesty's health was still causing anxiety, but we hope and pray that the set-back may be only temporary, and that very soon the King may be fully restored to normal health and strength.

* * * * *

Last month I mentioned in the Parochial Notes the need for new hymn-books for Choir use. I have now pleasure in acknowledging the generous gift of six new copies by Mrs. H. Richardson, whose kindness has enabled me to replace all the incomplete copies.

Your faithful friend and servant,

R. J. HUTTON.

Choir Outing.—On Saturday, June 22, the members of the Choir spent a very pleasant day at Bridlington. The weather was kind, and the programme successfully carried out. We owe our special thanks to Mr. Crowther for his excellent management of the trip, and to Messrs. Marsh and Porter, who very kindly put their cars at the disposal of the party.

Choir Sunday.—The Choir gave of their very best on June 30, and we congratulate them and Mr. Linfoot upon their really fine work. The Anthem, "The Radiant Morn," was exceptionally well rendered. It is only right for us all to remember, that the high standard of music provided in Totley Church is only made possible by a great deal of hard work, and it is well worth while to give every encouragement to those who are trying to maintain it.

Church Council.—There will be no meeting of the P.C.C. in July or August, unless some matter requiring a special meeting should unexpectedly arise.

Mr. Linfoot.—All readers will join in congratulating Mr. A. E. Linfoot on his appointment to the headship of the new Modern Senior School on the Wyburn Estate. He takes up his new work at the end of August, and our best wishes go with him.

Our readers will be pleased to know that three pupils from Totley C.E. School have been successful in obtaining scholarships. Johnstone M. VICAR'S LETTER.

MY DEAR FRIENDS,—

Those of you who have heard or read the recent Pastoral Letter from the Archbishops will have noticed that in it great stress is laid upon the need for "sacred learning" in our church. The letter appeals to us all to take steps to meet this need. Churchpeople in general do not know nearly as much as they ought to know about their Church and their Bible, and as a result many of them are very easily thrown off their balance by the things they read in newspapers and other popular literature.

Their faith is shaken simply because they do not know how solid are the foundations upon which our religion rests. If they *did* know, it would take much more than it does to disturb their faith.

"Let every parish be a school of sacred learning"—that is the appeal from our leaders, and I hope you will try to help me to make our parish a school of sacred learning. As a first step may I remind you of the existence of our Communicant's Guild. It is at present very small, but it is none the less very much alive, and it has been the aim of this guild to do this very thing which the Archbishops are asking us all to do. We meet every month in church, we begin with a short service of intercession, then comes about half an hour's study of some portion of scripture, or some definite religious question, and then we close with a few minutes' devoted to preparation for Communion on the following Sunday.

There are a certain number of enrolled members who have definitely promised to observe a simple rule of membership, but there are others who come to our meetings who have made and intend to make no such promise, but who prefer simply to associate themselves with the work of the Guild and to share in its services and opportunities of study.

I can see no better way of acting upon the spirit of this Pastoral Letter than to ask more of you to join us at our Guild meetings. Come next time and if you are not interested you need not come again; but I think if you come once you will probably find that you will want to come again.

There are questions that puzzle you. I can't preach about them because I don't know what they are; but you can ask that your question shall be the subject for study at one of our meetings and then every member will be given a month to think it over and study it, and it will be discussed as fully and helpfully as possible.

Your faithful friend and servant,

R. J. HUTTON.

PAROCHIAL NOTES.

Sunday School Trip.—On Monday, August 12, a party of about 35 visited Blackpool and spent a very enjoyable day there. The trip was arranged and organized by Mr. Lewis, to whom the thanks of all those who went are due.

Mr. Marsh.—We have again to express our gratitude to our friend Mr. Marsh for his kindness in acting as organist-choirmaster during the holiday of Mr. Linfoot.

The Churchyard.—During the past month a great deal of voluntary work has been done in weeding the church drive. The doers of this good work have done it on their own initiative, and I do not even know all who helped in it, but hope they will accept this slight acknowledgment of their very welcome kindness.

Christ Church, Dore.—Although we are a separate parish, we do not forget our mother church of Dore, and we join with them in celebrating their centenary on August 22. This is to be marked by the inauguration of a scheme for the building of a new vestry, and I heartily endorse the appeal received from the Vicar and Wardens of Dore to all who have worshipped there in time past, to help towards this necessary work.

Our London Visitors.—During July and August we have had with us six children from London, whose visit was arranged by the "Childrens' Country Holidays Fund." They have made many friends and we hope they have taken home a good impression of Totley and many happy memories. Mrs. T. Pearson and Mrs. Williams have been their hostesses and have done everything possible to give them a good time. Perhaps next year it will be possible to arrange for a larger number of children to come.

Society of the Sacred Mission.—Michaelmas (Sept. 29), is the patronal festival of the S.S.M., and we are asked to remember the Society and its work in our prayers on that day. We shall do so, especially at the service at 8 a.m. I will gladly forward to Kelham any contributions that are sent to me on or about that date.

VICAR'S LETTER.

MY DEAR FRIENDS,—

We are now only a month from All Saints' Day (our Patronal Festival), and I hope that all our people will make a special point of keeping that Festival in an appropriate way. There will be special services on November 1 and the following Sunday, particulars of which will be made known shortly.

Once more I ask you all to make a very generous thank-offering and to remember that we rely upon this effort to raise as much money as a Sale of Work would have done. We appeal for a large sum, namely £200, and with your help it should not be impossible to get it.

I would remind you that we have now £800 in the Bank of England to the credit of our Vicarage Fund, and that a determined effort during the next two or three years would make it possible to begin building. Remember that, with the exception of a few generous friends outside the parish, we must rely solely upon the contributions of Totley people, and as we are not a big or wealthy parish this means a real sacrifice for all of us. Ask yourself fairly what is your share of this £200, and then get out your cheque-book or your strong-box or have a look in the old stocking and do your very best. This job has got to be done and we are the only people to do it, so let us all make up our minds to do our full share.

We cordially invite the members of our mother parish of Dore to join us in our birthday celebrations on All Saints' Day, and shall be grateful for any help that Mother DORE can give to her promising daughter Totley. This reminds me that we must congratulate the parish of Dore on attaining the very respectable age of 100 years, and I should like to take this opportunity of conveying to the Vicar, Wardens and Church Council our appreciation of their kind welcome to our representatives at their centenary.

Your faithful friend and servant,

R. J. HUTTON.

Harvest Thanksgiving.—We shall be glad to receive the customary gifts of flowers, fruit and vegetables for the Harvest Festival on Sunday, October 20. All such gifts should be sent to Church on Saturday morning, and we invite those who are willing to help in arranging the decorations to meet in Church on Saturday afternoon.

Picture Postcards.—A series of six views of Totley Church can now be obtained from the Vicar or from Mr. Stanley (Supply Stores), the entire profits of the sale being given to the Vicarage Fund. Our thanks are due to Mr. Stanley, first because the idea originated from him, and secondly, because he has kindly offered to advertize and sell the cards for the good of the cause. It is hoped that at least 1,000 cards will be required. (At the moment of writing about 150 have been sold.)

Donation.—We sincerely thank the anonymous donor of a cheque for £2 towards the Vicarage Fund for her kind thought and generosity.

Choir Boys' Club.—We congratulate our cricket captain, E. Salt, upon the success of the first season of the Club, and offer our best wishes to our newly elected football captain, V. Crookes. He will be assisted by E. Salt as vice-captain.

VICAR'S LETTER.

MY DEAR FRIENDS,—

Before this letter is published the bills announcing the services in connection with our Patronal Festival will be posted up, and I hope you will note the times of the services and make a special effort to come to them.

Again we appeal to all supporters and friends to make this an occasion of a special thankoffering.

In order to help you to make up your mind what you ought to give let me remind you that we want £200. This is not simply a fancy figure—it is exactly what we are seriously asking for. Last year and the year before we were able to send to the Ecclesiastical Commissioners sums of £200, which were immediately doubled by grants and placed to our credit in the Bank of England.

I want to send a similar sum this year and get that doubled, too.

Another point is this. We are sparing you the trouble and expense of a Bazaar, but can only continue to do so if this annual £200 is forthcoming.

Quite frankly, I don't want any more Bazaars, but this is the only way to avoid them.

It is a No-Bazaar effort, and if it does not take the place of a Bazaar then I see no alternative but to inflict one upon the parish.

With this dreadful threat hanging over us let us make a big push this time in the hope that such a calamity may not overtake us!

I appeal specially to those readers who have not attended Church as regularly as they might have done to remember that we need their help, and that there have been many Sundays when their contribution has been missed.

Please count up these Sundays and include in your offering something at least for each of them.

You will see from the Calendar that there will be special preachers on Friday, November 1, and on Sunday evening (November 3), and also, that there are alterations of Holy Communion during our Festival at times which should allow all communicants to be present.

Let us try this year to have more communicants and larger congregations than we have ever had, and so make our birthday the occasion of a real family gathering in the Church we love.

Your faithful friend and servant,
R. J. HUTTON.

PAROCHIAL NOTES.

Confirmation.—The Bishop purposes to visit the parish and hold a Confirmation on Friday, May 16. This is a long time ahead, but I should like to begin at once to collect the names of those who wish to join the confirmation classes which will be held in the New Year.

Sunday School Concert.—A Concert is being arranged by the teachers in aid of the Sunday School. It will be held on November 27, in Green Oak Hall.

Dance.—A dance will be given on November 20, in Green Oak Hall, in aid of the Vicarage Fund. Tickets may be obtained from the usual distributors or at the Vicarage.

Admission by ticket only, 2s. 6d., including refreshments.

Sale of Postcards.—Already more than £2 profit has been made by the sale of postcards (views of Totley Church) and there appears to be still a steady demand for them. It is suggested that members of the congregation should use these cards to convey the Christmas greetings to friends outside the Parish. They may be purchased for 2d. each from the following shops: Mr. Stanley (Totley Supply Stores), The Post Office, Totley Rise, Messrs. Roebuck and Hobson (Chemists), all of whom have kindly consented to sell them without any commission whatsoever. Orders for quantities should be given to the vicar in good time, as they have to be printed and finished on spare evenings, and these spare evenings are limited.

N.B.—The Vicar is also willing to supply enlargements (mounted or unmounted) of such of these views as are suitable, and also to make a strictly limited number of enlargements from the snapshot negatives of parishioners. All profit, after deducting the cost of materials, will be given to the Vicarage Fund. Call and enquire and bring your best holiday negatives with you. (If I don't think they will make satisfactory pictures I shall tell you so!—R.J.H.).

Benefit effort for the late Mr. C. Belshaw, Tolley.—The proceeds of a Whist Drive and Dance held in Green Oak Hall on Thursday, September 19, were given to Mr. Belshaw a few days before his decease. The total amount was £21 0s. 10d. The undersigned would like everybody who had a share in the great response to know that Mr. Belshaw most deeply appreciated what had been done for him and his family; will you please accept his "thank you." The success of the effort was chiefly due to the splendid body of women who canvassed the district for refreshments and sale of tickets, and to men who did their big bit in various ways. The total receipts were £22 4s. 4d. The expenses, which were nominal, and included the expenses of the Band, Hire of Hall, and Miscellaneous items, came to £1 3s. 6d. Signed—A. J. Foulstone, J. R. Rodgers.

VICAR'S LETTER.

MY DEAR FRIENDS,—

You will see that the first of December is the first Sunday in Advent, the beginning of the Christian year. Advent is a season of preparation for the Christmas message and I hope you will try so use it in this spirit.

I believe that it is an old custom to begin to prepare the Christmas pudding at the beginning of Advent—a custom which was intended to remind us of the much more important duty of preparing our hearts for God's Christmas message.

There will be a special service in Church on Wednesday evenings in Advent at 7.45, with a series of short addresses, and I hope that a good number of you will try to come. Please make a note of it and arrange to keep those Wednesday evenings free from engagements.

I was very sorry that our old friend Canon Henson was not able to come on November 3, he was prevented at the last moment by illness. We were glad to make the acquaintance of a new friend on All Saints' Day, namely, Rev. H. Sherlock (S. Oswald's) who very kindly came to preach at our Festival service.

Church-goers will have noticed a considerable improvement in the tidiness of the churchyard. The church council have taken the step of appointing a paid gardener because it has proved impossible to keep pace with the task by voluntary labour. Naturally this means another tax upon our "Church Expenses" fund, and I hope that those who appreciate the improvement will remember that it can only continue so long as the collections for church expenses are sufficient.

May I once more remind you of the activities of our Communicants' Guild and invite those who have no intention of becoming members to come occasionally to our meetings. The December meeting will be held at 8 p.m. on Monday, December 2. (The special subject for study and discussion will be Acts ii, beginning at verse 14).

At our last meeting the Guild undertook as part of its work to provide the necessary funds for the washing of altar linen. For some time past the Guild has had a small fund for occasional gifts of flowers for the altar, and since more than enough for this purpose is being contributed they have decided to use the balance in the way mentioned.

Lastly I must speak of the Confirmation which is to be held in May.

Classes will begin early in February and will be held on Sundays after even-song.

Please let me have the names of intending candidates as soon as possible. Already a few names have been sent in and I hope that the list may be complete some weeks before the classes are due to begin.

Every good wish for a very happy Christmas!

Your faithful friend and servant,

R. J. HUTTON.
