

# ALL SAINTS' CHURCH, TOTLEY.

MONTHLY LEAFLET. FEBRUARY 1936

## VICAR'S LETTER.

My dear Friends,

This month I want to talk to you about Churchgoing. In every parish there are two kinds of people. There are those who go to Church and those who don't. Some of those who do go could not tell you why they go, and some of those who don't go could not tell you why they stay away. Some of those who go to Church are not always very good people and some of those who don't go are not always very wicked, in fact it must be admitted that some of the nicest people are among those who never come to Church at all.

So we come to the old question "Does it really matter whether you or I or anybody goes to Church or not so long as we all try to live good and useful lives."

There are many answers but only one of them seems to me to be the real one. It is this. We go to Church to meet God. God goes to Church to meet us. It is a wonderful thought that God really wants each of us to be His Child and His friend, and the secret of real happiness in this life and the next consists in being friends with God.

The significance of empty chairs in Church is similar to empty chairs in our own homes. Somebody is missing at the Family gathering and the Heavenly Father looks sadly at the vacant place because it so often means that one of His children has forgotten or does not care.

You are the child of God a member of His Holy Family. If you really believe this in your heart you will not be content to let YOUR place in His House and at His Table be always empty.

Your faithful friend and servant,

R. J. HUTTON.

We offer our best thanks to those who so kindly provided flowers for the church at Christmas. Those on the Altar were the gift of the Senior Girls Class.

**DERBYSHIRE RED CROSS.** Mrs. Hutton will be glad to hear of any ladies willing to do sewing and knitting for the families of unemployed and will supply the necessary materials. Also she will welcome the names of new annual subscribers.

**THE SUNDAY SCHOOL PARTY** was more successful than usual owing to the welcome help of the Scouts who shewed us how to be merry and bright round a Camp Fire. Many thanks to all teachers and helpers.

**KINDERGARTEN 'AT HOME'** Many parents and friends enjoyed their Christmas visit to the School and were impressed with the way in which the children performed their programme. It gave abundant witness to much hard work by Miss Harris and her staff.

MONTHLY LEAFLET. MARCH 1936

## VICAR'S LETTER.

My Dear Friends,

May I remind you all that Lent is here again and ask you to make use of it. It is not merely a time when Christians are asked to deny themselves some of their usual luxuries but it is meant to be a time of spiritual renewal in which we take a new and firmer hold upon the things of God. It is easy to allow religion to be crowded out of our life—our spare time is all spoken for and there is none left for prayer, Bible reading and serious thinking. In Lent God calls us back to Himself.

Here are one or two suggestions for Lent. Will you give to God an hour of your spare time and attend the Wednesday evening service at 8 p.m. Will you read at least one religious book instead of your usual "light reading?"

Will you give up one visit to the cinema and offer the price of your seat to God's missionary work? Will you make a rule of daily prayer and keep it? And most important will you try to find out what sin causes sorrow to God and make a real effort to conquer it by penitance and prayer?

If you will do these things you will have reason to say "Thank God for Lent".

Your faithful friend & servant,

R. J. HUTTON.

## SECRETARY'S REPORT ON THE WORK OF THE

### PAROCHIAL CHURCH COUNCIL FOR 1935.

The work of the Church Council has proceeded on much the same lines as in previous years. The usual number of meetings has been held and all matters relating to the Church have been discussed openly, thoroughly and with a total absence of personalities or ill feeling. Probably the most important item of interest enacted during the year has been the substitution of Free Leaflets for the Parish Magazine. For some years past it has been felt that the magazine instead of augmenting the income of the church were annually become an expense and as the charges for printing &c. seemed to be somewhat erratic, against which we had no remedy it was thought that the distribution of free leaflets would not only provide a large portion of the cost by means of advertisements but would have the advantage of putting the work and services of the church into every house in the parish. It is too early to speak of the success of the scheme but the Church Council trusts it will do what it is mainly intended to do; that is increase our congregations both morning and evening. Early in the year a number of new prayer books were presented to the church—a very welcome gift—and for the providing of a similar number of a similar type the council voted a sum of money.

The annual Subscription to the Hospitals was made up to £8 at the meeting in April. This year a "Village" Market was not held, but a "Second Hand" sale resulted in a profit of over £7 which the Council voted for the Bishop of Derby's Appeal Fund.

The number on the Parochial Roll is now 129.

G. H. ROOKE Hon. Sec.

P.S. Owing to limitation of space this report has had to be very much condensed.

## SCOUTS.

Very many thanks to all who helped to make our Dance such a success.

FRANK JOHNSON has gained the Handyman's Badge & GEORGE A. PULFORD has passed the Swimming Section of the 1st. Class Badge since the last report. "CYMRO"

# ALL SAINTS' CHURCH TOTLEY

MONTHLY LEAFLET. APRIL 1936.

## VICAR'S LETTER.

My Dear Friends,

I make no apology for writing to you this month about Church finance. Many people seem to take it for granted that their Parish Church will go on as usual week after week, that whenever they choose to visit it they will always find the door open the building clean and tidy and comfortably heated. They expect that books will be provided and the organ playing.

If they come only rarely, perhaps to be married or to bring a baby to be baptized they still assume that the Church will always be there when they want it; but many of them never ask themselves who pays for it to be kept ready for them or how much it costs to keep a church open.

Well first I want you to know that your Church depends entirely upon the voluntary contributions of those who attend it. There is no other source of income whatsoever.

It actually costs about £3 a week to pay the ordinary expenses and every penny of this comes from Church collections. If we have a poor attendance, we have a poor collection, and yet the expenses remain the same.

In order to meet this problem a number of our people have joined a Free Will Offering Scheme and undertaken to give a contribution every week whether they are present or not. The membership of this scheme numbers 114 and their contributions range from a penny a week upwards, I want to ask those who have not joined the scheme to do so now.

If your Church is worth maintaining will you help to maintain it? Is it worth a penny, or threepence or a shilling a week to you to have a Church of your own? If it is please send me your name and I will provide you with a packet of envelopes (one for each each week) so that you may be one of those who help regularly to meet these weekly expenses.

It is the best and fairest way of doing it. Don't let a few people bear all the burden as they are doing at present, but please shoulder your own little bit of it and help to remove the constant anxiety from which we are never wholly free.

Your faithful friend & servant,

R. J. HUTTON.

## SCOUT GROUP.

GROUP. What we are told was an enjoyable function was the Parent's Social held in Greenock Hall on 24th. February. A Social Evening was followed by reports from the Cub & Scout Sections, the presentation of the Scout Shield to P.L. Seals and an interesting and instructive address on Scouting from our Guest of Honour—E. D. Swanwick Esq. M.A.—Chesterfield Commissioner. The proceedings wound up with a Camp Fire Sing Song in which Mothers and Fathers shewed that Scouts and Cubs aren't the only people who can indulge in organised noise!

PACK. Many Happy Returns to the Wolf Cub Pack which has just had its first birthday.

TROOP. A joint hike with Our Lady and St. Thomas Troop has been held and a good time was enjoyed in spite of bad going through deep snowdrifts.

FEAST OF ST. GEORGE. (Patron of Scouts.) Holy Communion will be celebrated at 7 a.m. by the Vicar, and at 8 p.m. there will be Sung Evensong at which the preacher will be The Rev. Fr. Douglass Hopkins M.A. of the Holy Trinity, Millhouses. We ask our well-wishers to help us have a happy Festival by coming to our evening service.

## VICAR'S LETTER

My Dear Friends,

I am happy to be able to say that the services on Easter Day were better attended than for several years. The number of Communicants was 123.

I have recently noticed in the Congregation one or two new faces and should be very glad if new comers on whom I have not yet called would kindly leave their card or their name and address with one of the Church officials or else send me a postcard to the same effect. I am anxious to make the acquaintance of all Church people as soon as possible after their arrival in the parish but it is not easy to do so without a little assistance from the new comers themselves, so if I have not yet called upon YOU will you please ask me to do so.

No sooner is Easter past than we find ourselves preparing for Whitsuntide. I shall announce in Church the times of rehearsal of the special childrens hymns and shall be glad if members of the congregation will come and join us in learning them.

The Choirs of the Eyam Rural Deanery propose to hold a Festival service at Hope on June 6th and to have as their conductor Dr. Staton. It is hoped that a good number of people from the parishes concerned will attend the service.

Further details will be given later.

Your faithful friend & servant,

R. J. HUTTON.

## VICAR'S LETTER.

My Dear Friends

I wish first to thank all those who helped to make our Picnic & Fete such a remarkable success. Quite apart from the very satisfactory financial result this event was undoubtedly one of the most enjoyable parish gatherings for many years. Everybody seemed to enjoy the whole programme and to smile more cheerfully each time they were asked to put their hand into their pocket.

The weather was kind to us—the tea was excellent and the entertainments were interesting and varied. They included exhibitions of country dancing by girls trained by Miss Nicholson—recitations by Miss Tym and a recital in Church of vocal and instrumental music. The intervals were occupied with games and competitions and all these were generously patronized. The proceeds (including a donation from an old friend) were over £14 & I am happy to say that our Church School is once more out of debt. Again many thanks to all concerned.

All of you will hear with regret of the resignation of Mr. J. Wood who has been Headmaster of Totley School for 28 years. During that time he has earned the affection and respect of all who were privileged to come in contact with him. Totley has been a happy School with a most enviable atmosphere of friendliness between teachers & scholars together with discipline of the right kind and a high record of scholastic success.

Mr. Wood has established a fine tradition and his retirement will be a real loss to us all. He will take with him the profound gratitude and good wishes of hundreds of old scholars and the sincere friendship of very many Totley people.

Another old friend has announced her intention of retiring at the same time. Mrs. E. Turner has been caretaker at the School for very many years & has rendered excellent service. No social function in the school is complete without her and the more she is asked to do the more she has always seemed to enjoy doing it. Our sincere thanks and good wishes have been well deserved.

One more loss to our school is occasioned by the approaching marriage of Miss Wilson to whom also we extend our heartiest good wishes & our appreciation of her very excellent work.

Your faithful friend & servant,

R. J. HUTTON.

## SCOUT TROOP.

The Scouts owe their sincere thanks to Mrs. Pearson who so kindly made us a present of the supper on the occasion of the Troop's Birthday Party.

The Scouts attended Cub Meeting when Akeia handed Sandy Scott over from the Pack to the Troop. Good wishes to this our youngest Scout. Patrol Leader Kenneth Seals attended the special week end camp at Drum Hill, Derby for all Derbyshire Patrol Leaders.

The Troop played Dore Scouts at "Stumps" (Cricket-cum-baseball) and, we regret to say, lost 87-50. However, we had an enjoyable evening and thank Dore for their welcome hospitality after the game! Bravo to one small Cub who donned his uniform and tramped right across to watch us and got home at 10-30 p.m.

A Scouts' Own was held recently and we were glad to see the Officers in charge and the Scouts of Christ Church, Dore. Our Chaplain gave an admirable address.

"CYMRO"

## PARISH NOTES

S. JOHN'S AMBULANCE BRIGADE. We are asked by Mr. I. H. Williams S.B. to announce that the amount raised by the Dore Depot on their Flag Day (June 6th.) was £14/10/3, and to thank all who helped either as sellers or purchasers on that occasion.

CHORISTER'S BADGES. We congratulate the following boys on having passed their efficiency test. D. Mather, R. Mather, J. Shore, R. Walton. We are very grateful to Mr. Porter for his kindness in preparing them for the test.

## HOLY BAPTISM

## VICAR'S LETTER.

My Dear Friends,

Since the substitution of this leaflet for the old Parish Magazine I have had very little adverse comment about the experiment but one or two readers have expressed a mild regret at the loss of the short story and the "household hints."

I am not going to attempt to write short stories but I am venturing to include in this month's leaflet a recipe which has been kindly supplied by a friend and which I commend with confidence to the ladies. Possibly other recipes from the same contributor will appear when space permits.

I am glad to say that several newcomers have recently joined the Free Will Offering scheme and shall be very pleased to hear from any others who would like to do so.

Your faithful friend & servant,

R. J. HUTTON.

## APPOINTMENT OF HEADMASTER.

The Managers of Totley Church Day School announce that they have appointed Mr. John Edward Woods to be Headmaster in succession to Mr. Wood. He will take up his duties in October. (He was chosen from among 16 applicants for the post.) We offer him our best wishes and congratulations.

## PARISH NOTES.

SCOUTS. We note with special interest the news in the Scout Notes that three badges have been won for Ambulance Work. The standard required is high and the importance of this side of the work cannot be overstated.

THE HARVEST THANKSGIVING will be held on Sunday October 4th.

## SCHOOL SUCCESSES.

The following children were successful in the recent Scholarship examinations.

FANSHAW SCHOLARSHIPS. Kathleen Mary Marsh, Freda Sorsby, Dorothy Williams.

SHEFFIELD ENTRANCE EXAMINATION. Margaret Bage, Kathleen M. Marsh, Mary May, Freda Sorsby, Mary Whitworth, Dorothy Williams, William A. D. Glossop.

## SCOUT TROOP

The Annual Summer Camp was held during August Bank Holiday Week amongst the Welsh Hills. Weather was reasonably kind & all managed to return showing signs of a holiday. Should any reader be a Camper and require things to do on a wet day we shall be pleased to supply highly original and weird suggestions.

Badges have been gained thus :- Jeffrey Salt : Ambulance Man, Swimmer and Cook. George A. Pulford : Swimmer, William H. Turner : Ambulance Man, Kenneth A. Seals : Ambulance Man and Frank Johnson : Gardener. Our sincere thanks are due to Mr. Williams for much patient instruction in the cases of the Ambulance Men.

## POT LUCK FOR PARISHIONERS.

No. 1—Apples or Pears with Custard. A very simple sweet.

Make 1 pint of custard and sweeten it, using either eggs or custard powder. Pare, core and halve 4 or more even sized dessert apples or pears (not a hard kind) or core them with a sharp tea-spoon after they have been halved. Put a good tea-spoonful of jam, jelly or marmalade in the core-hole of each half and arrange these halves cut side up, in a glass dish. Pour the custard gently over them; serve cold with either ice-cream wafers or finger biscuits sticking up round the dish.

Note—Marmalade goes well with apples and jelly with pears.

## VICARS' LETTER.

My Dear Friends,

You will notice that we are holding our Harvest Thanksgiving on Sunday October 4th. We invite the usual gifts of fruit, vegetables & flowers and ask that you will please send them to the Church on Saturday morning & place them on the floor between the door and the font. We also invite the usual helpers and others to meet at 2-30 to arrange the decorations. A Harvest Thanksgiving provides a good opportunity for newcomers to the parish to come to Church and begin to take their part in our worship & we hope this year to have a very large congregation and to welcome many new friends.

I speak to many who tell me that they are Church people and who obviously feel that they would like to begin to attend again sometime. I suggest that the Harvest Festival is a very good day on which to make this beginning & to break the ice.

May I also remind those who have young children that our Sunday School meets in Totley School each Sunday at 2-30.

Please make a note of the date of the Lantern Lecture (October 13th.) and do your best to be present,

Your faithful friend & servant,

R. J. HUTTON.

## SCOUT TROOP

Several enjoyable events have taken place recently. Thanks to our Chaplain we had an interesting and original time on a recent Thursday afternoon. The outing was in the form of a Photographic expedition and the Vicar has offered a prize for the best photograph taken that day. The weather was ideal and we finished up by meeting at Bakewell for tea.

A mystery cycle run in which practically the whole Troop took part was organised by A.S.M. Rawson.

The Troop entered a team to compete against other Chesterfield Troops at Spitewinter in an "Obstacle Expedition". Spitewinter is near Matlock and is the Chesterfield Association's centre for training in Woodcraft and Camping. A full report of the day's events was given in the "Derbyshire Times". Though the result is not yet declared we have high hopes of carrying off the trophy.

Harold Green has been invested as a member of the Brotherhood of Scouts by the G.S.M.

In response to a request from the Patrol Leaders, our Chaplain will now conduct Scout Services on at least alternate months.

We're glad to see A.S.M. Balbirnie back from his hike in Germany. The officers and one or two Scouts listened to him give a most interesting account of his adventures and were surprised (so was he) when they found he had talked for three quarters of an hour "CYMRO"

## **VICARS' LETTER.**

My Dear Friends,

On All Saints Day (Nov. 1st.) our Parish celebrates its birthday and I hope that all Church people will make a special effort to attend the services on that day.

Our Church is now twelve years old and many of us can well remember the happy occasion of the first services held in it. Since then our parish has grown considerably and many new friends have come. We hope to see both old and new friends at our Birthday Festival this year. You will notice that there is to be Holy Communion at 7 a.m. for those who cannot come at 8.

The collections (exclusive of envelopes) will be given to the Bishop's Appeal for new Churches in Derbyshire.

On Tuesday November 3rd. we are having a Family Gathering in Green Oak Hall. It begins at 7-45 and a very jolly and varied programme is being arranged. All Church people are invited and the price of admission is 6d. This small charge is necessary to cover expenses. This social evening is intended to enable new and old members of our congregation to get to know each other and it is hoped that all those who attend Totley Church will be at the Family Party.

If you don't get a personal invitation before November 3rd. please consider yourself invited.

Your faithful friend and servant,

**R. J. HUTTON.**

## **PARISH NOTES**

**MR. WOOD.** On Monday October 5th. a representative gathering of teachers, scholars and old friends assembled in the school to present to Mr. Wood a token of their gratitude and respect on the occasion of his retirement. After a short entertainment by some of the children and speeches by representatives of the teachers, scholars, managers and old scholars Mr. Hinkins presented a wireless set and a wallet containing notes, and Mr. Watkins (for the Education Committee) presented a certificate on vellum recording Mr. Wood's long excellent service. A bouquet was also presented to Mrs. Wood.

**HARVEST FESTIVAL.** Many thanks to all donors of flowers and fruit etc. and to all who helped to decorate the church.

**LANTERN LECTURE.** We are sorry that more did not attend the interesting lecture on Canterbury Cathedral given by Mr. Rooke on October 13th.

## **HOLY BAPTISM**

September 15—Ian Frank Taylor

„ 15—Audrey Russell

„ 20—George Eric Pearson

October 11—Elspeth Janet Dorothy Davis

## **SCOUT GROUP.**

**FEAST OF THE TITHE.** Scouts and Cubs are reminded that All Saints' Day falls on a Sunday this year and that they are expected to observe the day properly. Confirmed Scouts and Officers will make the Communion together at the 8-0 Celebration and every member of the Group—Cubs and Scouts—will parade for Evensong.

The Vicar recently gave the Scouts and Cubs an enjoyable show of his slides including many delightful coloured ones.

It is with perhaps a forgivable feeling of self-satisfaction that we announce that All Saints' Totley Scout Troop carried off the Trophy mentioned in last month's babblings. The 1st, Dronfield and Chesterfield Parish Church Troops were 2nd. and 3rd. respectively

The Trophy itself is perhaps of some interest. It is called Lady Baden Powell's Lion and is a carved head of a lion presented to the Chief Guide by the natives of Bulawayo and by her to the Chesterfield Association of Boy Scouts in recognition of the fact that she was born in Chesterfield.

## VICAR'S LETTER.

My Dear Friends,

Once more I must write about our Church Day School which plays so important a part in our Church life and is perhaps the most valuable asset a parish can possess. Probably very few of you know how our school is maintained or how much is needed each year to maintain it. It is a matter of constant anxiety to the managers to keep the building in repair and I feel that there must be many Church people who might be persuaded to become regular subscribers to the School Fund if only they were invited.

The Garden Party last summer was successful in removing the existing debt but since then more repairs have become necessary and we shall soon be in difficulties again. We need about £20 a year to remove all cause of anxiety and it should not be impossible to find a few generous people who would guarantee this annual sum between them. Please think it over.

Your faithful friend & servant,

R. J. HUTTON.

## PARISH NOTES

The collection on All Saints Day for the Bishop of Derby's Appeal amounted to £4 which has been gratefully acknowledged.

Our best thanks to all who helped at the Social Evening on Nov. 3rd. and especially to Mr. Foulstone who arranged the entire programme. It was a most successful and enjoyable event.

The collections on Christmas Day will be given to the Sunday School. Please be generous.

## CHURCH ARMY MISSION VAN.

We are hoping for a visit from the Church Army Travelling Van on January 3rd. The missionaries will be in the parish for about ten days. Look out in next month's leaflet for special notice.

## HOLY BAPTISM

November 8—Gillian Rosemary Webster

## RED CROSS SOCIETY

The Society is still in need of helpers willing to knit or sew garments for the families of unemployed. Materials will be supplied by Mrs. Hutton, The Vicarage. She will also welcome large or small annual subscriptions.

## SUNDAY SCHOOLS

The Annual S.S. Teacher's Archdeaconry Festival was held at Chesterfield with the usual enthusiasm. The preacher at the Festival Service was The Reverend A. R. Browne-Wilkinson, M.A., M.C. well known to many Totley people, who gave an extremely original and valuable address. The Lord Bishop gave the Blessing at the close of Evensong.

At the meeting and tea which always follows, the speakers were Miss Dent from S.S. Headquarters and the Bishop of Derby.

## SENIOR BOY'S GUILD

We should be very glad to welcome any boy who :-

1 Is over 13

2 Is confirmed or intends to be

3 Is prepared to spend half an hour occasionally in thinking about and discussing the Faith and its bearing on life in the world.

We meet on the First Sunday of every month in the Church Room at 3 p.m. and so engrossed do we become that we have been known to continue for an hour and a quarter (and it was NOT the leader who was talking.)  
L.K.A.

## SCOUT GROUP

The Patrol Leaders recently had a most profitable afternoon at Old Whittington when 'Barnacle' (Lieut.-Com. H. E. Sanders) was staying with the Commissioner. The writer had the pleasure of being present some of the time and saw and heard amongst other things, Barry put our Troop Leader through it in tap dancing, tell the crowd about his escape from a shark, teach them new songs, new yells and new games and give a really fine yarn on the responsibilities and opportunities of a Patrol Leader. We believe they did various other things after they (in true Scout fashion) had paused to eat.

Glad to see one or two new boys. Meetings are on Fridays at 7-45, and we shall welcome anyone who cares to come along and see what we do. Nice to see Rover McInnes up helping during the absence of the G.S.M. Good work to Billie Turner who passed his Healthyman's Badge with flying colours. Good to see the Troop will be represented at the World Jamboree in Holland next year.

Here finisheth potted news.
