VICAR'S LETTER

My Dear Friends,

A very happy New Year to all. Please read carefully the letter from the Church Army Missioners who will soon be with us, and pray that their visit may be a blessing to you and to this parish. Also please make a note of two important dates:

(1) January 3rd. Kindergarten Open Day at Totley School at 2:30 p.m. Parents and friends will be most welcome.

(2) Feb. 2nd. A Social Evening in Green Oak Hall (on similar lines to that recently held and which everyone enjoyed.) More details later.

Your faithful friend and servant,

R. J. HUTTON

Dear Friends,

At the kind invitation of your vicar we are hoping (D.V.) to visit your parish to conduct a Mission Campaign from Sunday January 3rd. until Wednesday January 13th. inclusive. There will be services each night for children at 6 p.m. and for adults at 8 p.m. (Saturday excepted.) Some of the services will be illustrated by beautifully coloured lantern slides on the Life of our Lord, and during the Mission a Lantern Lecture will be given on the work of the Church Army. There are three ways by which you can help in the mission FIRST by your prayers; this is most important for as someone has truly said "where there is no prayer there is no blessing." SECONDLY you can help by your presence. Come as often as you can to the services and bring some non church goer with you. Then last of all you can help us to keep down our expenses either by inviting my colleague & me to your homes for a meal or by bringing a gift of food such as tea, butter bacon etc. to the van which will be pitched on the church grounds. We are very much looking forward to the mission and pray that we will all receive a great blessing.

Yours sincerely,

THOMAS S. TORRENS, Captain, Wm. CROOK Cadet

SCOUT GROUP.

ROVER SCOUTS The Commissioner is taking the necessary steps to license the formation of a Rover Scout Crew in connection with this Group. Thus will All Saints' Group be complete. A preliminary meeting of those interested will be held when an outline of Rovering will be given. Will any at all interested please send their names at once to either the Vicar or Mr. Aubrey? They will then receive notice of the meeting. The age limit is 'over 17'.

BOY SCOUTS It is with mixed feelings that we record the resignation of A.S.M. Rawson. We look back on many happy times with him and recall his willing spirit to be of service at all times. Those of us who have been to camp with him know what a real stalwart he always was there. Mr. Aubrey loses a real supporter and adviser by his departure. We congratulate him on his appointment as Scoutmaster of St. Chad's Sheffield and wish him the best of luck and happiness in his new work.

May we take this opportunity of thanking the many people who have helped two of our Scouts to raise funds for the Troop by joining their Christmas Club. It was nice to have a visit from our brother Scouts of Our Lady and St. Thomas Troop recently when we had a most rollicking meeting together.

Troop Leader Jeffrey Salt gives weekly instructions to the Troop in Physical Training—passing on knowledge he gained at a special course for leaders in Chesterfield. We welcome Deric R. Platt who comes to us from the Cubs. Johnson gains his 2 years star and Barr his first.

WOLF CUBS The Cubs recently had a lantern lecture on their meeting night called "A journey to Switzerland" which contained some fine slides of the Rhineland and Switzerland.

Interest was added by A.S.M. Balbirnie who has recently visited these places & was able to illuminate things by his reminiscences. Thanks to the L.N.E.R for the free loan of these 100 fine slides.

VICAR'S LETTER.

My Dear Friends,

This month we enter the season called Lent & you will notice that as usual there are to be special services on Wednesdays during that period. What use do you intend to make of Lent this year? It is meant to be a time of quiet thought & prayer & recollection—a time for turning with new seriousness to the things that really matter. Our Lord said to His disciples on one occasion "Come ye apart into a desert place and rest awhile". He invited them to go with Him & spend a quiet time away from all the usual hurry & noise of daily life in order to refresh their mind & spirit with a new vision of God and His Kingdom. Now that is just what Lent is for. Obviously we cannot all spend it in quite the same way but we can all do something to make it a time of spiritual refreshment.

Here are a few simple suggestions on which the busiest of us can act if we really try.

- 1 We can give a few minutes longer each day to prayer.
- 2 We can read & think about a passage of Holy Scripture each day.
- 3 We can deny ourselves some luxury or pleasure & give the cost of it to God.
- 4 We can think quietly about our life & ask ourselves honestly what God thinks of it & whether we are really giving Him our best.

These suggestions are simple enough for everyone of us & I hope you will all make use of the opportunity which Lent affords.

Your faithful friend & servant,

R. J. HUTTON.

PARISH NOTES

We offer our best thanks to all who helped to entertain the children at the Sunday School Party on December 30th.

We are sorry that larger numbers did not attend the services conducted by the Church Army missionaries during their visit to Totley. They wish me to thank all those who helped them by gifts & invitations & to say how much they appreciated this kindness.

The Annual Meeting of subscribers will be held in the Church Room on Tuesday February 16th. at 8 p.m. Please come.

SCOUT GROUP.

GROUP. It is with great pleasure that we are able to announce that the Archdeacon of Chesterfield has graciously promised to come & preach on the Feast of our Patron in April. Fuller details later.

TROOP. On February 20th we are having a Jumble Sale & ask your help by letting us know if you have any goods which we may collect.

PACK. The Pack had a very delightful Christmas Party at which everyone thoroughly enjoyed themselves.

On a recent Saturday afternoon a railway compartment might have been seen reserved for All Saints Cubs which duly transported them to Chesterfield. Here, at the station, they were met by two brother Cubs who conducted them to the Parish Church where they were met by that Church's Pack, the Commissioner and the Archdeacon. What followed can hardly be described. The climbing of the tower; the looking over Chesterfield and far beyond from a dizzy height; the grim, dark winding stairways; the clock workings; the touching of the crooked spire itself, all followed up by an exploration of the delightful Church went to make up a most original, exciting and enjoyable afternoon. A general idea of the Church was given before we set out and a prayer was said in the in the Children's Chapel and before the Blessed Sacrament.

To the Archdeacon who is so wonderful, energetic and understandable on these occasions and to Miss Reynolds who (with her Cubs) gave us tea and entertainment, All Saints' Cubs owe their sincere thanks.

VICAR'S LETTER

My Dear Friends,

Since the appearance of the last leaflet, we have held our Annual Meeting and elected our officers for the year. I would like to welcome those who hold office for the first time and also to ask those who have been re-elected to consecrate their services afresh to the work of the Church which is the building of Christ's kingdom on earth. You have accepted a position of leadership: the best use you can make of it is to do all you can to lead the way in Christian life and worship. You are the first line of the Church's soldiers in this parish — if the work of Christ's kingdom is to go forward the advance must begin with you. We are creatures of fashion and habit, it is not for nothing that the Bible repeatedly compares us to sheep. One leads, other follow. It is for you to set the right fashion: to give the right lead: and if you will only do it faithfully and consistently you will soon see the result in larger congregations and a more vigorous Church life. If all the people who grumble about empty churches would always go themselves, they would find no empty churches to grumble about.

We offer to Mr. Coleman our sincere appreciation of his work as Treasurer for a long term of office and are sorry that he has felt it necessary to relinquish it. We welcome as his successor Mr. Turner and hope that his duties may be lightened by the encouragement of a credit balance. This pious hope reminds me that I should very much like to increase still further the membership of the Weekly Offering scheme. We have now 120 members who contribute to the maintenance of the Church through the use of the weekly envelope—but there are still a few of our regular congregation who have not joined the scheme. Please ask me for your booklet and become a member. The amount subscribed each week is less important than the regularity with which the contributions are received.

We have members subscribing $\frac{1}{2}$ d a week & others of course subscribing larger sums—all are equally welcome. If you wish to cease membership at any time you have only to return your unused envelopes to me, but as long as you retain them it is understood that you undertake to use them regularly. Please think it over.

Your faithful friend and servant,

R. J. HUTTON

PARISH NOTES

MR. HINKINS We are very sorry to lose the services of Mr. W. Hinkins who has resigned his post at Totley School on account of promotion. He has done excellent work and made many friends here and their good wishes follow him.

ROYAL HOSPITAL LINEN LEAGUE During last year many friends sewed and knitted for the above league and Mrs. Lake (16, Main Avenue) will be pleased to supply garments to all willing helpers.

PARISH SOCIAL The social evening on February 2nd. was a great success and once more we congratulate Mr. Foulstone the originator and organizer of the event. The evening proved too short for the entertainment provided. We thank very heartily all who helped both with the entertainments and the refreshments.

SCOUT GROUP

GROUP Please book Thursday 22nd. April at 8 p.m. for our Annual S. George's Day service. Preacher The Archdeacon of Chesterfield. Complete details in April's leaflet.

ROVERS By the time this appears the Crew will have been formed and be 'under way.' Any more young men over 17 who are at all interested will be welcome to come and see if they like Rovering & whether it likes them. We are delighted to see amongst our Rovers already on probation, our old friend and A.S.M., Mr. Rawson.

SCOUTS Very many and sincere thanks to all who helped in any way to make our Shrove Tuesday Dance such a success.

Denic Platt and Douglas Dean have been invested Scouts. Jeffrey Salt gains the coveted Pathfinder Badge and Paul Hartley, Brian Rosten and John Barr each gain their first year star.

An enjoyable and profitable function held recently has been a "Patrol Leaders" Conference composed of leaders from Woodseats and our own Troops. Many interesting problems were discussed & much useful ground was covered.

VICAR'S LETTER.

My Dear Friends,

Please read carefully the notice about the special services on S. George's Day and the previous evening. The Arch-Deacon of Chesterfield has never preached in Totley Church and I hope his first visit will be marked by a large congregation. I specially ask the choir to be present in full strength. Those who usually sit in the centre of the Church are asked to leave free as many seats as are required for the Scouts and Cubs.

The attendance on Wednesday evenings during Lent was very encouraging and I should like to thank both Mr. Foulstone and Mr. Rooke for their help.

Already preparations are in progress for another Garden Party in the Church Grounds on similar lines to that held last summer. We hope that all who enjoyed last year's party will come again and bring more friends with them. Please look out for further announcements about this.

VICAR'S LETTER.

My Dear Friends,

I have given considerable thought to the question of special services in Church in connection with the Coronation, & have decided not to hold any service at the actual time of the ceremony because we shall all wish to hear the broadcast not only of the service itself but of the interesting commentary on the procession to and from the Abbey which I expect will be provided. It is obvious that if we did as has been suggested and listened to the ceremony in Church we should have to confine ourselves to the Abbey service only and should have to miss the other interesting parts of the programme. I propose therefore to have one service only on Coronation Day—namely Holy Communion at 8 a.m. at which service special prayers will be offered for our King and Queen and I hope that as many of you as possible will come. There is no fitter way of offering intercession than the Lord's own service and no better act of self-dedication to the service of God. On the previous Sunday at 11 a.m. the special form of service authorized by the Archbishops will be used in place of our usual morning prayer and in the evening special prayers will be added and appropriate Psalms & Lessons will be read.

The services on Ascension Day will be as in previous years. Please note that the Children's service is primarily for the Day School and that any other people who wish to attend it are asked to sit behind the choir.

The Whitsuntide Hymns will be sung in Church on Whit Monday at 3 p.m. and other arrangements will follow the usual lines.

R. J. HUTTON.

PARISH NOTES

The number of Communicants on Easter Day was 120.

The collections on Easter Day have been divided between Overseas Missions and the funds of the Day School.

SUNDAY SCHOOL TEACHERS are reminded of the meeting at Totley School at 7-30 on May 4th., at which Miss Millson will give her second address. (The third of these meetings is fixed for June 1st.)

At the Annual Service in S. George's Chapel, Windsor, for King's Scouts at which the King and Queen and the Chief Scout will be present. The County of Derbyshire will be represented by two members of this parish—namely our Scoutmaster and Jeffrey Salt. The occasion will not only be an interesting experience for them but also an honour for our parish.

"PENNY IN THE POUND" SCHEME. SHEFFIELD HOSPITALS COUNCIL.

We are asked to remind contributors that the voluntary collectors are not expected to call repeatedly for their contributions and that those who desire to be "in benefit" should, in their own interest, do what they can to minimize the work of the collectors.

If for any reason your contributions have not been collected you are advised to send them to your collector. Failure to do this may lead to real difficulty if you should suddenly find yourself in need of hospital treatment.

THE GUILD OF S. MICHAEL.

The Guild had a devotional meeting on Good Friday after Evensong and the two subjects during April have been "The Joyful Forty Days" and "Four Kings and a Cross." Subjects for May are "Lies" and "Why the Church of England?" We shall be very glad to see any young fellow over 14 who cares to come to any of these meetings which are on first & third Sundays at 10.15 in the Church Room L.K.A.

SCOUT GROUP.

PACK---"Do your best"---The Pack has been re-organised and new sixes formed—reds and whites—under John Stacey and Gordon Marshall who have been promoted to Sixers with Harold Marsh and George Sheldon as Seconds. The two sixers have gained their Second Stars: being the first Cubs in the Pack to get both their eyes opened.

TROOP---"Be Prepared"---Troop Leader Salt gains his Public Healthman, First Class and King's Scout Badges and Green and Yellow All Round Cords: Johnson his Cyclist Badge.

CREW---"Service"---W. Rawson and P. O'Brien have been invested as Rovers by the G.S.M. We are not a little amused by quite a number of would-be-Rovers for whom the "Shorts question" is a very dreadful proposition! We are tempted to be rather grateful to 'shorts' for do they not sift for us and prove a fellow; he who is unable to stand the gibes of a few who have nothing better to do than sneer, will certainly not have the courage to live the Scout Life.

VICAR'S LETTER.

My Dear Friends,

The pic-nic in the Church grounds last summer was much enjoyed by everyone who attended it and the general opinion was that we certainly ought to have another on similar lines. We have decided to do so on SATURDAY June 19th. and invite you all to come. We hope this time to increase the number of amusements and also to extend the festivities to a later hour because many of you said that we ended too early last year.

There will be displays of dancing at intervals—short entertainments—and games and competitions of many kinds and if the weather is good to us we promise you a very jolly time. So please note the date (June 19th.) and come with as many friends as you can collect.

It would be a great help to me if newcomers would kindly leave their name and address with one of the churchwardens in order that I may call upon them. In a district like this it is almost impossible for me to get to know new people or to hear of cases of sickness etc. without the help of the people concerned.

I append some information for the benefit of those who have recently come to live in Totley. Please make use of it.

Your faithful and servant,

R. J. HUTTON.

SUNDAY SCHOOL

Sunday School Teachers are invited to the 3rd. of the talks by Miss Millson in school on June 1st. at 7-30. This is the last of the series and we hope to have a good attendance.

SCOUT GROUP.

The Group, along with representatives of other ones the G.S.M. had invited, attended Evensong in the church on S. George's Eve. The Archdeacon of Chesterfield was the preacher. The G.S.M. and the Troop Leader represented the County of Derby at Windsor Chapel on April 25th. and they had a most happy and interesting time. The Birthday Dance has been held to celebrate the Troop's arrival at the age of three. The Troop appears to have sold about 100 Coronation Souvenirs, whether by force or coercion is perhaps a moot point, however the cause was good. We are looking forward now to a spot of camping as the season is now drawing on. At present however, the elements appear to be unfavourably disposed towards it; nevertheless the writer hopes to break the ice, as it were (perhaps literally—L.A.) at Whitsuntide. "STUART"

On the occasion of our Patronal Festival the Scoutmaster received a very kind letter from the Lord Bishop sending his "blessing & good wishes to you and your Group of Scouts, in connection with their S. George's Day Festival." "CYMRO"

A letter has been received acknowledging the collection and expressing sincere thanks to the givers of the eggs, and to those who gave time and trouble to the effort. The Whist Drive for the Sheffield Hospitals held in Green Oak Hall on Thursday April 15th. was a good success. The proceeds came to £11-7-2. The Totley Hospital Committee is grateful to the friends who gave prizes, refreshments and service, also to the 100 people who came to the drive. A.J.F.

VICAR'S LETTER.

My Dear Friends,

Now that summer days are with us and the prospect (according to the weather prophets) of a dry and hot season, I think a few timely words from me may not be out of place on the subject of the Christian duty of Sunday worship. For unless we do regard worship as a DUTY, and a very important one, the likelihood that it will ever become a fixed and regular habit is exceedingly remote. And it must be admitted that in hot and sunny summer weather nothing but a keen sense of duty will overcome the extraordinary pull of the comfortable deck chair in the garden or the temptation to join the brotherhood of the road. Please do not think that I would advocate the Puritan Sabbath and deny the rightful place of reasonable recreation and enjoyment; but to a Christian there can be no question but that his FIRST duty on the Lord's Day is worship, and a Sunday without worship is a Sunday spoil.

Sunday is the day on which we have a fixed engagement with which nothing but real necessity should ever be allowed to interfere. On Sunday Christian people know that they have a special invitation to the house of the King of Kings—an appointment to meet the Master. It is an appointment which He will certainly keep, for His love for His dear children never changes, and if our love for Him is real then we shall keep it too. That is the Sunday question in a nutshell.

But in order to fulfil our duty we shall have to use a little method and a lot of common sense. We shall have to arrange our plans carefully; we shall even have to tell our friends kindly but plainly that we have a fixed engagement at Church-time and that they must so arrange their visits that we may be able to keep it. After all, if our friends dropped in just as we were going out to a business appointment they would know what to expect. Is our Father's business really less urgent? The real trouble with most Christians is not that they are unchristian but that they are unbusinesslike in their religion. We need more method and more arrangement, and we shall not get it until we see that the things of God are of first importance and give them first place in our plan of living.

Your faithful friend & servant,

R. J. HUTTON.

ISAAC H. WILLIAMS S.B. Divisional Officer.

SCOUT GROUP.

PACK. The Pack recently had a visit from Mr. Robin Wells of Singapore who told us a bit about life out there. The capturing of tigers and the presence of snakes in bed, however, failed to satisfy our Cubs love of lurid detail and they eagerly demanded adventures with brigands throwing rocks about. Second Harold Marsh gains his 2nd. Star.

TROOP. Six members of our Troop recently accepted an invitation from Mr. Rawson to a Coronation Party organised by his Troop and a very enjoyable evening was spent. Not least at these events is always the pleasure of meeting other Brother Scouts and exchanging ideas & views. Scouts were present from Norton Church S. Oswald's, S. Chad's, S. Mary's Walkley, S. Aidan's & S. John's Rammoor. The Troop continues to maintain its efficiency in supplying the hospitals with patients; Johnson and the A.S.M. being the two most recent cases. Sneath argued with a wall but was not successful in coming up to standard for admission to hospital.

Our youngest Scout—Deric R. Platt—gains his 2nd Class Badge.

The Troop Leader has recently run one or two Troop nights with great success. We are pleased to see a good number of newcomers at our meetings recently and hope they will have a long, enjoyable and profitable time with us.

Bobbie Carr comes to the Troop from the Cubs.

N.B. If the members concerned will kindly look at their booklets and send in all the envelopes bearing date earlier than the current week I shall not have to send out any reminders at all. I shall also be glad to supply booklets to new members on application.

VICAR'S LETTER.

My Dear Friends

The Garden Party in aid of School Funds was a marked success and I should like to congratulate and thank all who worked hard to make the event so attractive and enjoyable. It was a great pleasure to have with us as opener our old friend Mr. Wood and to see so large an attendance. Our best thanks to all helpers and to the school staff and the children who took part in the entertainment. The proceeds amounted to £17/3/6½ (inclusive of donations) for which the managers are very grateful to all concerned. I must also express our appreciation of the excellent work done by the Scouts in the Church grounds. They have spent many hours tidying the drive and shrubbery and the result is a welcome improvement. Please read carefully Mr. Foulstones' letter below and if possible tell him what you think about his scheme.

WEEKLY OFFERING SCHEME.

I am glad to say that since my reminder in last month's leaflet nearly all the arrears referred to have come to hand. Once more I ask for new members. About ½ of our total income is derived from this source and it is the fairest and simplest way of distributing the burden. More than 100 of us are in the scheme already. Please make one more.

R.J.H.

TOTLEY SCHOOL.

We are very sorry to hear that Mr Mellor is leaving us to take up work abroad. He has done excellent work and made many friends and his artistic gifts have brought a note of colour and originality into our school. We wish him the very best of luck.

SUNDAY SCHOOL.

We are pleased to welcome to our staff Miss M. Tym, whose coming enables us to provide a new group for children who have left the Kindergarten but are under 11 years. An entirely new arrangement is being made for those over 11.

SCOUT GROUP.

GROUP. Twenty-six Cubs and Scouts attended the Rally at Whittington House and spent a most enjoyable day. A good report of the proceedings appeared in the "Derbyshire Times". Lady Baden Powell's Lion was presented to Alan Haywood who received it on behalf of the Troop being the Trophy they won in competition with other Chesterfield Troops last Autumn. It was a very jolly party which came home in the last train.

PACK. The Group Scoutmaster is very reluctant to announce that for the time being the Pack is closed to new boys owing to its size. A waiting list is being kept, however, and names should be handed in so that boys may be taken as vacancies occur. A new Green Six has been formed with Harold Marsh as the new Sixer & Douglas Turner as Second. John Woods is appointed Second of the Reds.

TROOP. Dean and Hartley gain their 2nd. Class Badges and they also the Cyclist Badge together with Platt and Turner. Harold Roebuck was invested as a Scout by the G.S.M. on July 7th. Four Members of the Troop had an enjoyable week-end at the County Camp Site—Drum Hill—on July 10/11 when the Chief Scout came and opened a large new area. A good number camped over the week-end and by Sunday afternoon over 2,000 Cubs and Scouts had gathered in the Camp Fire Hollow to greet the Chief. An interesting feature of the Chief Scout's visit to the Writer was the great enthusiasm of the public who besieged the grounds.

ROVERS. It is good to see several more young fellows joining the Crew and there is already a fine little band which should do much useful work and have many good times together. "CYMRO"

TO TOTLEY CHURCHMEN.

There is a need for a churchmen's group in our parish; it would give power and action in our corporate church life. With it there would be an atmosphere of brotherhood and fellowship. This can become an actual reality by gathering together for social intercourse, discussions, lectures on Church and Prayer Book history and the work of our C of E at home and overseas. These meetings would be for the winter months only. There would be no binding regulations, rules, entrance fees, but a collection at the meetings to pay incidental expenses. The social evening would be one of good fellowship once a month, say the first Tuesday. Games could be played such as chess, draughts, dominoes, darts and music for there is a piano. Any churchman 15 years of age and upwards would be welcome as a grouper. It is a splendid opportunity for our young men to get together—yes grown up men can bring their pipes. Let us make a start—Tuesday Oct. 5th. is suggested for the first meeting in Totley Schoolroom at 7-30. Re lectures etc. more particulars in next month's leaflet. Criticise and pulverise the scheme if you wish but do let us as churchmen get together for a bit more brotherhood and fellowship and take our part in the development of God's work in our parish. It would be a great help if any churchman in the parish would give the Vicar or myself an opportunity for enlisting them as members of the group. ARTHUR J. FOULSTONE

PARISH LEAFLET. SEPTEMBER 1937

VICAR'S LETTER.

My Dear Friends,

This leaflet will find its way into a little more than 800 houses and therefore it provides me with an opportunity of speaking to a very large audience but I want you if you will, to imagine that this letter is addressed to you personally. Of course if the contents of it do not apply to you, then please forgive me and take it that it was meant for someone else. First of all I want to talk to you quite simply about your religion. Not just about religion in general but about your own.

Are you quite sure you have got a religion and if so what is it? What difference does it make to your way of life? Probably you have been baptized. If so, you were then made a Christian—a member of the Christian Church. Would it have mattered much or made any difference if you had NEVER been baptized? After all there is not much point in becoming a life member of a society and then forgetting all about it. Or perhaps you once were a practising Christian perhaps you attended Sunday School as a child and received the gift of Confirmation and went to church on Sundays. If so, have you since given up your religion? Or are you one of those who call themselves Christians and Churchmen but think it doesn't matter whether they exercise their membership or not?

If you want to get married would you go to the registrar or would you claim the privilege of the Church's blessing? If you have no use for the Church's blessing on the other days of your life it is a bit of a farce to bother about it on your wedding day. Or would you bring your child to be baptized? What use is that unless you mean to bring him up in the full practice of the Church's faith? Unless you are a real humbug you must admit that it would be better to leave these things undone if they are to be allowed to mean nothing at all. You cannot have it both ways—Christ always asks for all or nothing. And please don't tell me the old tale about how you can worship God so much better in the open air than you can in church. You know as well as I do that in practice it just doesn't work. Don't tell me that all these people who stay away from Church are thinking about God and worshipping Him. You know it is not true and never will be true. They are thinking of themselves and their own enjoyment and of nothing else whatever.

It needs real effort to think of God—it needs real effort to pray and worship and it is a fact that unless we make this effort and go on making it we lose touch with God and forget His claims on us and indeed His very Existence. Admit frankly and honestly, if it is true, that you have given up religion and lost your sense of the things eternal and if you would regain it you must start afresh on the old well trodden ways.

Your faithful friend and servant,

R. J. HUTTON.

VICAR'S LETTER.

My Dear Friends,

I hope this leaflet will be in circulation in time to remind you of our Harvest Thanksgiving on Sunday October 3rd. As usual we ask for gifts of fruit, vegetables and flowers to be sent to church on Saturday (BEFORE 2 p.m.) and placed on the floor between the door and the Font. We also invite helpers to meet in the early afternoon to arrange them.

I have also added a note of the services on All Saints' Day which is of course our own special Festival. This year the Festival will begin with Evensong on Sunday (Oct. 31st.) there will be special services on Monday & Tuesday and also on the following Sunday. A parochial gathering is being arranged for Tuesday Evening on similar lines to that held last year.

May I draw your attention to the paragraph below about our finance and ask for further support in this matter.

Your faithful friend & servant.

R. J. HUTTON.

PLEASE HELP!

Q. 1—Do you know what it costs to maintain your Parish Church week by week?

Q. 2—Do you know how the necessary money is found?

Q. 3—Are you one of those who contribute regularly to provide it?

A. 1—In order to keep Totley Church open—to pay for cleaning, heating, lighting, books, music and other current expenses we need about £3 weekly. That means that somebody has to find about 6d. a week for every seat in the church. This expense must be met whether the seats are occupied or not.

A. 2—Nearly five-sixths of our total weekly income is provided by those who belong to our weekly envelope scheme. The remaining sixth comes from those who do not but who give through the collection WHEN THEY ARE PRESENT. On wet Sundays and during holiday months congregations are apt to be very thin indeed but the empty seats still have to be paid for by somebody. The members of our F.W.O. scheme (about 100 in number) each possess a book of envelopes—one for every Sunday of the year and are thus contributing their

share every week whether they attend or stay away. But members sometimes leave the district or die and it is necessary to find new members to replace them.

A. 3—Only you can answer this. If the answer is no, it can easily be made yes, if you will apply to the Vicar for your booklet of envelopes. Please think it over quickly and join the scheme.

VICAR'S LETTER.

My Dear Friends,

Please note particularly the services on All Saints' Day and on the following Sunday. This is, as most of you will remember, our own Festival and we hope that all Totley Church people will come to celebrate the Birthday of their parish church. You will note the extra celebration of Holy Communion at 7 a.m. on Nov. 7th. for the convenience of those who cannot come at 8. The preacher at Evensong on All Saints' Day is Rev. G. S. Nason (Rector of Bamford.)

On Tuesday evening a Family gathering has been arranged in Green Oak Hall on lines similar to last year. On Armistice Day (Nov. 11) there will be Holy Communion at 7 and a short service of remembrance beginning with the 2 minutes silence. Please be in church at 10-55.

The gifts sent to the Harvest Thanksgiving were taken to the Orphanage and were much appreciated. The collection for Missions was divided between three societies. Society for Propagation of the Gospel, Church Missionary Society, and Universities Mission to Central Africa. We have also been able to send a contribution to the Diocese of Honduras (which has been adopted by our own diocese of Derby.)

Your faithful friend and servant,

R. J. HUTTON

PARISH NOTES

MR. HARRY HOWARTH asks us to express his sincere gratitude to the anonymous neighbour who generously sent him a welcome gift in his recent illness.

We congratulate Walter Ibbotson on obtaining the School Certificate. This news was received too late for inclusion last month.

RED CROSS SOCIETY. Mrs. Hutton will be glad to hear of ladies willing to knit or sew garments for the above Society and also of more regular subscribers to its funds.

R.J.H

The Totley Churchmen's group had a very promising start on Tuesday Oct. 5th. It now has to grow and develop. The next meeting will be on Tuesday Dec. 7th. in the Totley Schoolroom at 7-30 p.m. Chess, Draughts, Dominoes, Darts, Music, Talk and a pipe. All churchmen welcome. On Tuesday Dec. 14th. the Vicar will give an exhibition of photography in colour with explanatory comments. The meeting will be for men and women and will be held in the church room at 8 p.m. Wednesday November 17th. A lantern lecture entitled "Recent discoveries in Peakland Caves" will be given in Green Oak Hall by the Rev. G. H. Wilson the well known cave explorer and archaeologist of Buxton. Admission will be free but a liberal collection is asked for to meet expenses which are heavy. The lecture is one full of Derbyshire interest.

The Whist Drive for the Sheffield Hospitals held in Green Oak Hall on Thursday Oct. 14th. was a good success. The financial result will be given in the December leaflet. The Totley Hospital Committee is grateful to the friends who gave donations, prizes, refreshments and various services in connection with the effort, also to the 101 people who came to the drive.

Tuesday November 2nd. A family gathering for all church people in Green Oak Hall. 7-45 to 11 p.m. The programme includes Community singing, Part Songs, Elocution, instrumental music and old time and new dancing. Tickets from members of the Church Council 6d Refreshments extra.

By the tragic death of Mr. J. R. Rodgers, Totley has lost one of its most respected residents. He filled many important positions in the political and railway world and lived a very busy life. He had a smile for everybody and was always ready to give a helping hand to any good cause. We offer our deepest sympathy to his widow & family.

By the death of Mr. George Ibbotson, Totley has also lost another well known respected man. He was a keen sportsman and had done much work in connection with the Totley Bowling Club and Totley Sports and Social Club. We offer our deepest sympathy to Mrs. Best his sister, and other relatives. A.J.F.

SCOUT GROUP.

CUBS We are glad to be able to say that we can now take a few more boys into the pack and are also glad to welcome several promising newcomers. Meetings are on Mondays at 6-30 and the minimum age is 8. We had a happy time recently when the Chesterfield Parish Church Cubs came over and played games on Blacka Moor with us. We afterwards entertained them to tea (or rather a party of excellent mothers did) and rounded off the day by games and a camp fire sing-song.

SCOUTS Badges since last time are: F. K. A. Seals, Metal-worker, Engineer and Cook: W. H. Turner, Pathfinder and Harold Roebuck, Cyclist. We welcome a newcomer in J. MacDowall & are sorry to record the loss of a good Scout in Paul Hartley who goes to Chatsworth. Raymond Gill was invested a Scout at the recent Scout and Cub service.

VICAR'S LETTER.

My Dear Friends,

I have recently received the Bishop's list of Confirmation arrangements for 1938 and am able to tell you that there will be a Confirmation at S. John's Church Abbeydale on Sunday June 5th. (We hope that we shall have one at Totley sometime in 1939.) I feel certain that there are several people who are hoping to be confirmed soon and I propose to arrange classes early in the New Year.

I know that many people prefer to be confirmed in their own church but it is a great mistake to postpone it on this account, and I hope that those who are ready will come forward this year and NOT wait until 1939. Especially I shall welcome the names of adult candidates. There must be a considerable number who for some reason were not confirmed in their youth and who would like to do so now. They are invited to send me their names as soon as possible in order that classes may be arranged at times which will be convenient.

Anyone who is in doubt about whether to be confirmed or not should join the class and make up his mind later. He can withdraw at any time if he wishes. When the classes begin I shall also be glad to see any who have been confirmed and who would like to hear again the instruction to which they listened before their own confirmation and for this reason I hope that some at least of the classes will be held on Sundays after the Evening service.

Please think this matter over very seriously the next few weeks. DON'T wait until the classes have begun and then ask to join them. As nearly as I can say at present we shall begin in February and the course of instruction will last about 3 months. Think it over and let me hear from you soon.

Your faithful friend and servant,

Totley Churchmen's group meeting. Totley Schoolroom Tuesday Dec. 7th. time 7-30 to 9-30. Churchmen are heartily invited to come and spend the evening in fellowship with each other. Yes you will be made welcome. Chess, Draughts, Dominoes etc. Talk and a pipe.

Tuesday Dec. 14th. Our Vicar will give an exhibition of photography in colour with explanatory comments. The meeting will be open to men and women and will be held in the church room (under the chancel) at 8 p.m. The Patronal church family gathering held on Nov. 2nd. was a very happy success, about 150 people being present. We sincerely thank everybody who shared in the work and programme. The financial balance was £4-8-5½, which is allocated to the Totley Church School fund. The profit on the Whist Drive held on Oct. 14th. for the Sheffield Hospitals was £10; this together with £11-7-2 profit on the Whist Drive held on April 15th. gives a total of £21-7-2 Well done Totley. BOY SCOUTS. The Scouts recently had a midnight hike starting off at 11-45 and arriving home for 7-0 and covering a good distance in between. It is whispered that one "he man" scorned carrying coffee in a flask and determined to boil his own en route. We hear, however that he was compelled to share the G.S.M.'s for, though equipped with stove and spirit (both senses) was minus coffee or tea!

OFFICERS. The Annual General Meeting & Dinner took place at the Station Hotel, Chesterfield, recently and was attended by the Chaplain and four officers from the Group. It is satisfactory to note that the Chesterfield Association can again report an increase in numbers. The chief guest for the evening was "Barnacle"—or as he hates, Lt.-Com. Saunders. "CYMRO"

IMPORTANT !

We are asked by Councillor Gledhill to publish the following

With reference to the Parish of Totley's Representation on the Governing Board of the Dronfield Grammar School, about which so many Ratepayers have enquired. I beg to say that under the Board of Education's scheme 8th. October 1909, the Derbyshire County Council were entitled to two Governors, the Dore Parish Council and the Totley Parish Council one Governor each, other authorities also appointed Governors.

This scheme was amended by the Sheffield Extension Act 1933. By that act the Derbyshire Council were entitled to elect four Governors on the Dronfield Grammar School Board instead of two, and the authority of the Dore Parish Council and the Totley Parish Council to elect Governors ceased. The persons who immediately before the 1st April, 1934 were representatives of the Dore and Totley Parish Councils were allowed to continue in office until the end of the period for which they were appointed. By the sad death of Mr. J. R. Rodgers who served the Parish so well for many years as their representative, Totley is not now entitled to elect a Governor.
