VICAR'S LETTER.

My Dear Friends,

This month brings us into Lent and I hope that all church people will observe this solemn season in a sound and practical way. Lent calls us to set our house in order and to remember that the most important things in life are the things of God. If we ask ourselves the question "Is the life I am living a worthy response to the love of God?" there are not many who can be really happy about the answer. In Lent we are asked to face questions like this and to begin over again. It is not very important whether we are satisfied with ourselves or even whether we are as good as most other people. What really does matter is what God thinks of us. What does God think of your prayers? What does God think of your Sunday? What does God think of your communions? What does He think of your daily life and your example to others? What does He think of you as a man or woman whose whole life has been dedicated to His service in Baptism?

There are plenty of things to think about in the 40 days of Lent and plenty for all of us to do if we will. Drifting easily and aimlessly through life may lead us somewhere but it will certainly not be to the kingdom of God.

Your faithful friend & servant,

R. J. HUTTON.

VICAR'S LETTER.

My Dear Friends,

By this time many of you will have received a printed letter from the School managers and the Church Council asking for a contribution to the School Building Fund and already a number of replies and donations have been sent in. You will find in the porch a list of such contributions up to date. Some of you may be wondering what you can do about it, and so I venture to make a few suggestions.

Some will no doubt decide to get out their cheque books: think of a number—double it—and send it direct to me before they have time to change their minds! Many haven't got a cheque book and to help them I am providing small collecting boxes which they can have for the asking. Into them they may put what they can afford week by week and hand it to me at the end of the year or sooner if it is full. The contents will then be entered on the list in the porch. Others again may help by patronizing some of the many efforts which are being arranged by several energetic and enthusiastic ladies in the parish. The main thing is that everyone should be doing something and that it should be the best they can do. We have embarked upon a bold and ambitious plan which needs the the generous help of everybody if it is to succeed in time to save our church school.

Your faithful friend & servant,

R. J. HUTTON.

THE CONFIRMATION CLASS

We ask for your prayers for the 21 candidates who are now attending classes in preparation for their Confirmation on April 30th. No new candidates can be accepted this year but I shall be glad to make a note of the names of any (especially grown up persons) who might form a small class next winter and be confirmed at some neighbouring church next year.

A sale of second-hand goods will be held in the school on Sat. March 18th. Please put on one side any discarded clothes etc. (NOT PICTURES) and send a post card to the Vicar who will have them collected before the sale.

TOTLEY CHURCHMEN'S GROUP

At their last meeting held on Feb. 7th. the question was discussed of some definite work being done by Totley Churchmen for the school re-building fund; several suggestions were made and there is every hope that in the near future a start will be made when all churchmen will be asked to give a hand. PLEASE GET READY.

The next meeting will be held on Tuesday March 7th in the Totley School, at 7-30 to 9-30 p.m. Chess, Draughts, Dominoes, Darts etc. A cordial invitation is given to churchmen to come and spend an evening together in a sociable way. A.J.F.

VICAR'S LETTER.

My Dear Friends,

I am happy to tell you that the number of communicants on Easter Day was the largest since our church was consecrated, and the congregations at all services larger than on any Easter Day for some years. For the first time Easter cards were sent to those whose names have been entered on our Communicants' Roll and I take this opportunity of asking any Communicants who did not receive one to send their names to me or Mr Foulstone in order that the omission may be rectified next year.

The collections were given partly to our Missionary Fund and partly to the School Building Fund. You will see that several new contributions have been added to the latter fund during the month. Like the B.B.C. announcer "In Town Tonight" we hope to "bring you something interesting" each month! The proceeds of the second-hand sale were £8/19/4. Many thanks to all helpers in this very useful little effort.

The date of our Summer Garden Fête has been fixed—Saturday 24th June—and details will be announced in next leaflet.

Your faithful friend & servant,

R. J. HUTTON.

The Sunday Afternoon Fellowship is held in the church room (under the chancel) at 2-45 to 3-45. A cordial invitation is given to all young people 15 years of age and upwards.

The Churchmen's Group meetings will (D.V.) commence again in September. It has now completed two years endeavour to draw churchmen together for stimulating interest in social and parish work. The Group is not yet numerically strong, but it is a parish need and we are looking hopefully for improvement in both numbers and usefulness.

VICAR'S LETTER.

My Dear Friends,

On April 30 a large congregation witnessed the Confirmation of 18 members of this parish. A Confirmation service is always an event of great importance not only to those who are being confirmed but to all church people because it reminds us that we also have solemnly dedicated ourselves to the service of God and have received the Gift of the Holy Spirit. It is important too because it means that a new body of recruits has reinforced the Communicant life of the church. I appeal most earnestly to the parents and friends of these young people to give them all the help and encouragement they can to become regular communicants and to take an active part in the life work of their church. It is unfortunately true that many young people are lost to the church simply because they receive so little encouragement from those at home. Parents who never go to Communion cannot seriously expect their children to do so. It is a heavy responsibility to allow your child to be confirmed unless you yourself are trying to be faithful to your own confirmation. It is a great opportunity for the older generation to begin again the habit of our regular communion, not only for their sake but for that of these young soldiers of Christ who need and deserve all the help their elders can give them.

Your faithful friend & servant,

R. J. HUTTON.

VICAR'S LETTER.

My Dear Friends,

We are anxious to compile as complete a list as possible of the Communicants in the parish. Last Easter a large number of you received Easter Cards but I know that there are many whose names are not yet on our Communicants' Roll. If YOU are one of these will you please send your name either to me or to Mr Foulstone. I believe also that there are a few people who will wish to be Confirmed next year. Of course there will be no Confirmation in Totley Church for some time but I shall be very glad to form a class next winter and to present them at the nearest convenient centre. It is not too soon to begin to think about it now.

The School Re-building Fund grows steadily and it is hoped that the actual work will be carried out next summer. In addition to the amounts stated below, we have been promised a sum not exceeding £100 by the Derbyshire Association of Church Schools. The EXACT amount will depend on the final estimate of the cost. I am glad to say also that the re-flooring of the big classroom is to be carried out during the next few weeks. I should like also to assure all those who are concerned about the provision of better school buildings for their own children who are approaching school age, that the quickest way of obtaining this object is to help us as much as they can. If the church were to abandon the effort to save the school, no doubt a new council school would be built SOMEDAY but not until the population of the district had reached a very much higher figure than at present. On the other hand the improvements to our Church School will be begun almost at once and will only be limited by the amount of money at the managers' disposal. Parents who are thinking of their own children, can help them best by helping us.

Your faithful friend & servant,

R. J. HUTTON.

EVAM DEANERY CHOIRS FESTIVAL

A Festival Service will be held in Hope Church on Saturday July 8th at 6-30 p.m. The music will be conducted by Mr Heath Gracie B. We offer our best thanks to Mrs Woods for her very successful effort on May 17. The proceeds (£4/10/6) are included in the cheque for £20 handed over by the Ladies' Committee to the School Fund and acknowledged below.

VICAR'S LETTER.

My Dear Friends,

This letter is not a sermon, but as it is my first message to you all since the outbreak of war I will begin it with a text which may very well sum up our duty as Christian people at this time. "Though all this be come upon us yet we will not forget Thee". For most of us our normal life is interrupted and dislocated. We have new duties, new anxieties, new problems to fill our thoughts, but we must not let anything cause us to forget God and our duty to Him. Surely it is at such a time as this that our religion is put to the test and if it is true and real and sincere it will survive the trial. War is a hideous evil but at least it provides unusual opportunities for the exercise of faith and hope and charity and brings us all face to face with those deep things that matter most of all. Our need of God's supernatural help is greater than ever and therefore our devotion to Him—our prayers—our communion—our worship are of supreme importance. More than ever we must "cast all our care upon Him". More than ever we must "seek His kingdom and His righteousness".

It is inevitable that some changes shall be made in our timetable. Please note especially that Evensong on Sundays will be at 3 p.m. and make it known to others. I hope all of you will try to attend at this altered hour. Also note that evening meetings previously arranged are cancelled. Baptisms will be either on Weekdays or at 4 p.m. on Sundays. (Notice must be given in all cases.) For the present no choir practices are being arranged. The church is open daily for private prayer and I hope many will use it. (The church room will be open for emergency use as a shelter if required and should give considerable protection at least from anything against which it is possible to shelter at all.)

Finally let us as Church people try to give a lead in cheerfulness, friendliness, and quiet courage. The old slogan was "Trust in God and keep your powder dry"—here is a new one "Trust in God and keep your gas mask handy!". But above all "Trust in God".

Your faithful friend & servant,

R. J. HUTTON.

VICAR'S LETTER.

My Dear Friends,

First of all, I must thank you all for your really splendid response to our All Saints' "Gift Day" Appeal. It was particularly encouraging to receive such wide support from the scholars and their parents and I know that they will all be glad to feel, that they have had a hand in building the new wing of the School, which we hope will soon be finished. Many thanks also for the kind help of those, who gave their time on All Saints' Day, and received the gifts in Church.

I am sorry to hear that some of the envelopes were distributed too late for them to be returned on the day. It is not too late, even now, to send them in to me, and I shall be pleased to add them to our total, however late they come.

It is good to feel, that even in the midst of war and destruction, Christian people are quietly building something for God. It is part of our contribution towards that better future, for which we have not ceased to hope and pray.

Now a word about Christmas. There is little prospect of a merry Christmas, and yet in the old message that the Son of God, has come down into this world of trouble, to show us the way to better things, we may still find strength and inward peace. I hope that all who are confirmed, will let nothing hinder them from receiving their Communion on Christmas Day. As usual, I shall be glad to make arrangements for sick persons, to make their communion at home during the following week.

Your faithful friend and servant,

R. J. HUTTON.

CONFIRMATION (1940).

Although no date has yet been announced, it is expected that the Bishop will hold a confirmation at Dore, in April or May. I should like to have the names of candidates, in order to form a class after Christmas.

IMPORTANT NOTICE.

Owing to lighting restriction, it has now become too dark to administer Holy Baptism on Sunday afternoons after Evensong. It will, therefore, be necessary to arrange for the service to take place either after the second lesson at Evensong or on a week-day.

RUN, RABBIT, RUN.

Mystery surrounds the persistent rumour of a Christmas Party, to be held in school at 7 p.m. on Thursday, December 28th. The Ministry of Information neither confirms nor denies the report. It is believed however, that the Ladies' Committee, might be persuaded to supply details and issue invitations. Whispers of rabbit pie, continue to reach us from trustworthy sources.
