

The Vicar writes:

## GOD AND THE HUMAN DRAMA

Democracy is something we all take for granted in our country, but obviously this is not so in many parts of the world. In countries of the Communist block, and many of the new nations of Africa and Asia, people can still be arrested and imprisoned without trial, and we in Britain look on rather helplessly while freedom and justice are denied to many millions of people. During the coming year Rhodesia will be in the headlines, and politically it presents a very difficult problem. The events of the past year have the atmosphere of a Greek tragedy—there seems to be an inevitability about the way in which the history of that country is developing. The Greek dramatists used to avert tragedy by introducing a god into the workings of the plot, and whatever our opinions may be about the right or wrong of the way in which the crisis in Rhodesia is being handled it is clear that only the realisation of the oneness of all men in Christ will make possible a multi-racial democratic society.

I hope that all of you will pray for the Church in Rhodesia; for the Christian men and women who can bring God into the drama of the political situation, and avert a tragedy.

Christian men and women must never forget that no matter how rich, how wise, how foolish, how illiterate, how vulgar a man may be, he is loved by our Lord, and has a potential to love as our Lord loved. The realisation of God's kingdom on earth means the binding together of all men into one body of the Church.

### SYNODICAL GOVERNMENT

In the next few months we shall hear a lot about re-organising the government of the Church of England. The proposal of the Hodson Commission must be judged not only in terms of whether they will make our government more efficient, but also whether it will make clearer to every member of the Church our oneness in the Body of Christ. We must see beyond our parish boundaries, beyond the deanery and diocese, to where we see the Church as the whole people of God—bishop or layman, black or white, yellow or brown, rich or poor, clever or ignorant.

### PEOPLE NEXT DOOR

During the early part of 1967 many of you will be taking part in "The People Next Door" dis-

cussion, which has been arranged by the British Council of Churches, and which it is hoped will take place in our homes. It will be practical; it will bring together Anglicans, Methodists, Roman Catholics and Congregationalists — people from many denominations—so that we can discover for ourselves the fulness of our oneness in Christ. We shall speak with more authority about the reconciling love of God in Christ, when we experience it in the life of the Church in our own land.

We can make 1967 a Happy New Year if we bring God into the drama of our human relationships.

### CONFIRMATION

We welcome into full membership of the Church:—

- Frederick Hukin Cooke
- Jonathan Coulby
- James Ian Fisher
- Michael Gordon Harrison
- Alan Eurfyl Lewis
- Robert Christopher Nunnington
- Simon Jeffrey Palmer
- Charles Edwin Phenix
- Peter Bernard Round
- Nicholas James White
- Susan Kaye Bellamy
- Jennifer Margaret Bird
- Margaret Holmes
- Carole Anne McLean
- Barbara Maltby
- Helen Claire Maltby
- Patricia Matthews
- Constance Anne Newbury
- Joan Phenix
- Eileen Round
- Marian Seed
- Susan Lynn Stanway
- Rosemary Wilbourne

who were confirmed by the Bishop of Repton on December 4th. It was good that so many members of our congregation were able to be present on this occasion, and we hope that they will continue to remember our new members in their prayers.

We must thank the members of the Sunday Night Rendezvous for acting as teamakers and looking after the Bishop and congregation so well after the service.

*It would be a great help in arranging the date of the next Confirmation if those of you who are thinking of confirmation would give your names to the Vicar or Churchwardens.*

### GARDEN OF REMEMBRANCE

During his visit to the parish, the Bishop dedicated the garden of remembrance for the burial of cremated remains.

At the Family Communion Service the Vicar dedicated a Book of Remembrance and the Table to contain it. The Table has been given by Terry Harvatt's family in his memory, and the Book is inscribed acknowledging the bequest of Mrs. Culley, which made the provision of the Garden possible.

### A NEW SCHOOL

At the meeting of the  
Church Council on December  
13th the Vicar reported that  
the Diocesan Council of  
Education had unanimously  
decided to back the proposal  
of the School Managers and  
the Church Council to build  
a new (Aided) Middle School  
to serve the neighbourhood.  
The Managers will now be  
able to begin official negotia-  
tions with the Local Educa-  
tion Authority.

### CANON O'NEILL

The Vicar spoke of the  
great debt which the parish,  
and the whole of the diocese,  
owes to Canon O'Neill, the  
retiring Diocesan Director of  
Education, whose manage-  
ment of the affairs of Church  
Schools has made it possible  
for the Diocesan Council of  
Education to support the  
parish in the expansion of  
Church School education in  
Totley.

### NEW MANAGER

Mrs. Muriel Snazell was  
elected by the Council as a  
School Manager for the next  
three years, in place of Mr.  
Ernest Coleman, who wishes  
to retire. Mr. Coleman had  
served as a School Manager  
since 1947, and has seen the  
plans the Managers prepared  
for a new Church School,  
brought to fruition.

The Council approved the  
budget for 1967.

On behalf of the Church  
Council, the Vicar thanked  
the Totley Scout Troop, and  
in particular Mr. Derek  
Maltby, for their gift of a very  
fine Notice Board. The  
Council also thanked the  
Ladies' Clubs for the gift of  
£20 to the Parish Hall Appeal.

### SUNDAY SCHOOL

The children's Christmas  
Play will be presented at  
2.30 p.m. on January 1st, and  
the Christmas Party will be  
on January 7th from 3.30 to  
6 p.m.

### CHRISTMAS

The number of Christmas  
communicants was 273 and  
we wish to thank all who

helped with our Christmas  
worship, particularly the  
Servers, Sidesmen, our Organ-  
ist Mr. Hayward, Choir-  
master Mr. Jones, and the  
members of the choir; also  
the Guides for decorating  
the Christmas tree, which was  
given this year by Alderman  
Kirkman.

We thank all those who  
went carolling with the Men's  
Society, and those who gave  
so generously. We have sent  
£33 to the Children's Society.

We congratulate Mr.  
Tinsdeall and members of the  
School staff on the School  
Play and Carol Service which  
raised £16,10.0. The Play was  
produced by Mr. W. Morgan,  
the Deputy Headmaster, and  
he would like to thank the  
parents of the children for  
their kind co-operation. This  
sum has been sent, at the  
request of the children, to the  
Overseas Development Fund  
for famine relief in Bihar.

The School children also  
helped to entertain senior  
members of the parish who  
were guests of the Mothers'  
Union at their party on  
December 13th.

### PARISH HALL BOOKINGS

The diary for 1967 is  
available in the church on the  
bookcase, in which Society  
Secretaries are asked to enter  
their requirements for Hall  
Bookings, as soon as possible.

### ANNUAL PARISH MEETING

The Annual Parish Meeting  
will be held on Wednesday,  
February 15th at 7.30 p.m.,  
and we hope that every  
member of our congregation  
will try to be present. If  
you are not already on the  
electoral roll, application  
forms are available in the  
church. The qualifications  
are very simple — that you  
should be resident in the  
parish, over 17 years of age  
and a baptised member of our  
congregation. If you are not  
resident in the parish, but All  
Saints' is your regular place  
of worship, you are also  
entitled to be on the electoral  
roll.

## CONGRATULATIONS

We congratulate John and Pat Tinsdeall on the birth of a new son. We are sure Nicholas and Elizabeth thought the baby a wonderful Christmas present.

## RENDEZVOUS

The Rendezvous ended the year with the usual Christmas Party and I would like to thank all who helped in any way, especially Jackie Dolby and Cynthia Palmer who prepared the food for us.

The first meeting in 1967 will be on January 15th when the Annual General Meeting will be held. Also will anyone who has any numerous records bring them along and let us all hear them? Other events in January will include Holiday Photos on the 22nd, and a General Knowledge Quiz on the 29th against the Methodist Youth Club.

## CHURCH SCHOOL APPEAL FOR WOOD

We are anxious to find a source of supply of small soft-wood off-cuts for our Infant classes, who use this commodity in their hand work lessons at an alarming rate. As a last resort we are even prepared to pay for a supply! However, any information which may lead to a source of supply would be most welcome.

## New Term

The new term starts on Tuesday, January 10th.

## MEN'S SOCIETY

(A. E. Chambers)

Please make a note of our Annual Dinner to be held in the Parish Hall on Friday, 13th January at 8 p.m. It will be a 4 course dinner with all the parish being invited to attend. Tickets will soon be available from members of the society.

Our guest of honour will be the Bishop of Repton

The programme for this current session will be available to all members in the New Year.

## LADIES' WORKING PARTY

(M. E. Powell)

The first meeting of the Ladies' Working Party in 1967 will be the Annual General Meeting on January 24th at 2.15 p.m.

We hope that it will be the commencement of another successful year and that more new members will join us.

## CHURCH LADIES' CLUB

(C. G. Greenhoff)

Our Christmas Party was a great success and enjoyed by all who went. Our thanks are given to everyone, who, in any way, helped to make the evening such a happy one.

The Annual General Meeting will be held on Tuesday, January 17th, 1967 at 7.30 p.m. when we hope to see as many of our members as possible.

We are hoping to have a film show by the Health Department on Tuesday, January 31st.

NOVEMBER, 1967

Threepence

The Vicarage,  
Totley

There is a Roumanian called Mindru Katz, who is known to music lovers throughout the world as one of the most superb artistes. He was born in 1922, and at the age of six—reminiscent of the child Mozart — had given his first public performance. At eight he was admitted to the Royal Academy of Music at Bucharest, and graduated from there as composer and conductor with first class honours. When he was eighteen, World War II changed his life of music and study to one of forced labour in a camp under cruel oppression. For five years he received the harshest treatment, and the hands that had made audiences throughout Europe acclaim him as one of the greatest pianists of all time were now blistered, scarred and cracked. It was a brutal experience for anyone, but all the more for a sensitive youth trained in the arts. Yet his spirit had a wonderful resource and these are his own words—

“By continuously filtering through my mind the many musical scores I had known before, I could ignore the nature of the work and keep going”.

That secret saved his sanity and his gifts. Soon he was to play again at concerts all over Europe, including London, and the crowds acclaimed him as the most gifted and exciting of the post-war pianists. This all stemmed from his training in the formative years of childhood.

The mind that is stored from childhood with the great and glorious truths of the bible (even though the depth of them is hardly understood at the time) will stand the test when it comes. Where is there a better investment to be found than in our Church School and Sunday School? I beg of you to hold them in your prayers and interest. I count it one of my greatest privileges to be Vicar of a parish which possesses a Church School, and look forward to going in at least once a week to share with the children in their morning assembly and eventually to teach in one or two classes. Whether or not you have children of Primary School age, I ask you—as good Church people—to take an active interest in the welfare of our Church School, and to support the splendid work which the headmaster and staff are doing to see that our children get adequate training for the future and — not least — that they are well schooled in the Church's teaching. I also commend to you our Sunday School, which meets at 2.30 p.m. in church for a short service before the children go to their classes. If you have children between the ages of 4 and 11 I do hope you will make sure that they are not denied this opportunity of deepening their knowledge of the Church's teaching and the faith of Christ. St. Paul reminded Timothy of his Christian home and heritage (2 Timothy, chapter 3, verse 15 — “Remember that from early childhood you have been familiar with the sacred writings which have power to make you wise and lead you to salvation through faith in Christ Jesus”. Surely what was good enough for Paul and Timothy is good enough for us in 1967.

Whilst I am on the subject of Christian education, since my arrival here I have had several enquiries about Confirmation classes, and I hope that it will not be long before I can make definite arrangements for training to begin, to lead up to a Confirmation Service, probably towards the end of 1968.

### 1st TOTLEY SCOUT GROUP

(Mr. D. Maltby)

The Troop tried a new  
venture this year for Summer  
Camp, they hired two boats

and explored the canal system  
of the West Midlands for a  
fortnight. This proved very  
successful and a similar ex-  
pedition is planned for the  
future. Raymond Gale went  
along as a guest on this  
occasion, being ex R.N. it  
was assumed his knowledge  
of the nautical terms would  
be useful.

The Venture Scouts elected  
once again to visit Scotland  
for their Summer expedition  
and established a standing  
camp in the Western High-  
lands near to Mallaig, from  
where they explored the  
surrounding mainland and  
some of the smaller islands of  
the Outer Hebrides. Arthur  
Birley was a welcome guest,  
as usual acting as cameraman.

I am sorry to report the
